The Autism Programs

*UNM Center for Development and Disability*

UNM HEALTH SCIENCES CENTER

# Autism Family and Provider Resource Team

*A state-wide information phone line for families, individuals with Autism Spectrum Disorder, and providers seeking autism-specific resources.*

**A team of resource specialists can assist individuals with ASD, families and providers in finding autism-specific resources as well as offer guidance in "navigating the system."**

***(505) 272-1852 or toll-free 1-800-270-1861***
