health coverage; provided that:

(a) in determining the number of eligible employees, the spouse or dependent of an employee may, at the employer's discretion, be counted as a separate employee;

- (b) persons that are affiliated persons or that are eligible to file a combined tax return for purposes of state income taxation shall be considered one employer;
- (c) in the case of an employer that was not in existence throughout a preceding calendar year, the determination of whether the employer is a small or large employer shall be based on the average number of employees that the employer is reasonably expected to employ on working days in the current calendar year; and
- (d) the employer does not self-insure;
- (2) "state health insurance exchange" means an entity established pursuant to state and federal law to provide qualified health plans to qualified individuals and qualified employers on the individual, small group or large group health insurance market.
- SECTION 2. A new section of Chapter 59A, Article 23 NMSA 1978 is enacted to read:
