21 criminal history record information from the federal bureau of
22 investigation and the agency responsible for retaining that
23 state's criminal records within a time frame established by the
24 commission. When a member state receives the results of the
25 federal bureau of investigation criminal record search, the

.232736.1

1 member state shall use the results in making licensure
2 decisions. Communication between a member state and the
3 commission and among member states regarding the verification

17 rules.

18 C. Member states may charge a fee for granting a
19 compact privilege.

20 D. A member state shall provide for the state's
21 delegate to attend all occupational therapy compact commission
22 meetings.

23 E. Individuals not residing in a member state shall
24 continue to be able to apply for a member state's single-state
25 license as provided under the laws of each member state.

1 However, the single-state license granted to these individuals
2 shall not be recognized as granting the compact privilege in
3 any other member state.

4 F. Nothing in the compact shall affect the
5 requirements established by a member state for the issuance of
6 a single-state license.

7 SECTION 5. [NEW MATERIAL] COMPACT PRIVILEGE.--

9 terms and provisions of the compact, the licensee shall:

- 23 (7) pay any applicable fees, including any
24 state fee, for the compact privilege;
- 25 (8) complete a criminal background check in

1 accordance with Section 4 of the Occupational Therapy Licensure
2 Compact. The licensee shall be responsible for the payment of
3 any fee associated with the completion of a criminal background
4 check;

5 (9) meet any jurisprudence requirements
6 established by the remote state or states in which the licensee
7 is seeking a compact privilege; and

8 (10) report to the commission adverse action
9 taken by any nonmember state within thirty days from the date
10 the adverse action is taken.

11 B. The compact privilege is valid until the
12 expiration date of the home state license. The licensee must
13 comply with the requirements of Subsection A of this section to
14 maintain the compact privilege in the remote state.

15 C. A licensee providing occupational therapy in a
16 remote state under the compact privilege shall function within
17 the laws and regulations of the remote state.

18 D. Occupational therapy assistants practicing in a
19 remote state shall be supervised by an occupational therapist
20 licensed or holding a compact privilege in that remote state.

21 E. A licensee providing occupational therapy in a
22 remote state is subject to that state's regulatory authority.
23 A remote state may, in accordance with due process and that
24 state's laws, remove a licensee's compact privilege in the
25 remote state for a specific period of time, impose fines or

1 take any other necessary actions to protect the health and
2 safety of its citizens. The licensee may be ineligible for a
3 compact privilege in any state until the specific time for
4 removal has passed and all fines are paid.

5 F. If a home state license is encumbered, the
6 licensee shall lose the compact privilege in any remote state
7 until the following occur:

8 (1) the home state license is no longer
9 encumbered; and

10 (2) two years have elapsed from the date on
11 which the home state license became unencumbered.

12 G. Once an encumbered license in the home state is
13 restored to good standing, the licensee must meet the
14 requirements of Subsection A of this section to obtain a
15 compact privilege in any remote state.

16 H. If a licensee's compact privilege in any remote
17 state is removed, the individual may lose the compact privilege
18 in any other remote state until the following occur:

19 (1) the specific period of time for which the
20 compact privilege was removed has ended;

21 (2) all fines have been paid and all
22 conditions have been met;

23 (3) two years have elapsed from the date in
24 which the requirements in Paragraphs (1) and (2) of this
25 subsection were completed; and

1 (4) the compact privileges are reinstated by
2 the commission, and the compact data system is updated to
3 reflect reinstatement.

4 I. If a licensee's compact privilege in any remote
5 state is removed due to an erroneous charge, privileges shall
6 be restored through the compact data system.

7 J. Once the requirements of Subsection H have been
8 met, the licensee must meet the requirements in Subsection A of
9 this section to obtain a compact privilege in a remote state.

10 SECTION 6. [NEW MATERIAL] OBTAINING A NEW HOME STATE
11 LICENSE BY VIRTUE OF COMPACT PRIVILEGE.--

12 A. An occupational therapist or occupational
13 therapy assistant may hold a home state license, which allows
14 for compact privileges in member states, in only one member
15 state at a time.

16 B. If an occupational therapist or occupational
17 therapy assistant changes primary state of residence by moving
18 between two member states:

19 (1) the occupational therapist or occupational
20 therapy assistant shall file an application for obtaining a new
21 home state license by virtue of a compact privilege, pay all
22 applicable fees and notify the current and new home state in
23 accordance with applicable rules adopted by the commission;

24 (2) upon receipt of an application for
25 obtaining a new home state license by virtue of compact

1 privilege, the new home state shall verify that the
2 occupational therapist or occupational therapy assistant meets
3 the pertinent criteria outlined in Section 5 of the
4 Occupational Therapy Licensure Compact via the data system,
5 without need for primary source verification except for:

6 (a) a federal bureau of investigation
7 fingerprint-based criminal background check, if not previously
8 performed or updated pursuant to applicable rules adopted by
9 the commission in accordance with Public Law 92-544;

10 (b) any other criminal background check
11 as required by the new home state; and

12 (c) submission of any requisite
13 jurisprudence requirements of the new home state;

14 (3) the former home state shall convert the
15 former home state license into a compact privilege once the new
16 home state has activated the new home state license in
17 accordance with applicable rules adopted by the commission;

18 (4) notwithstanding any other provision of the
19 compact, if the occupational therapist or occupational therapy
20 assistant cannot meet the requirements in Section 5 of the
21 Occupational Therapy Licensure Compact, the new home state
22 shall apply its requirements for issuing a new single-state
23 license; and

24 (5) the occupational therapist or the
25 occupational therapy assistant shall pay all applicable fees to

1 the new home state in order to be issued a new home state
2 license.

3 C. If an occupational therapist or occupational
4 therapy assistant changes primary state of residence by moving
5 from a member state to a nonmember state, or from a nonmember
6 state to a member state, the state criteria shall apply for
7 issuance of a single-state license in the new state.

8 D. Nothing in the compact shall interfere with a
9 licensee's ability to hold a single-state license in multiple
10 states; however, for the purposes of the compact, a licensee
11 shall have only one home state license.

12 E. Nothing in the compact shall affect the
13 requirements established by a member state for the issuance of
14 a single-state license.

15 SECTION 7. [NEW MATERIAL] ACTIVE DUTY MILITARY PERSONNEL
16 OR THEIR SPOUSES.--Active duty military personnel, or their
17 spouses, shall designate a home state where the individual has
18 a current license in good standing. The individual may retain
19 the home state designation during the period the service member
20 is on active duty. Subsequent to designating a home state, the
21 individual shall only change the individual's home state
22 through application for licensure in the new state or through
23 the process described in Section 6 of the Occupational Therapy
24 Licensure Compact.

25 SECTION 8. [NEW MATERIAL] ADVERSE ACTIONS.--

.232736.1

1 A. A home state shall have exclusive power to
2 impose adverse action against an occupational therapist's or
3 occupational therapy assistant's license issued by the home
4 state.

5 B. In addition to the other powers conferred by
6 state law, a remote state shall have the authority, in
7 accordance with existing state due process law, to:

8 (1) take adverse action against an
9 occupational therapist's or occupational therapy assistant's
10 compact privilege within that member state; and

11 (2) issue subpoenas for both hearings and
12 investigations that require the attendance and testimony of
13 witnesses as well as the production of evidence. Subpoenas
14 issued by a licensing board in a member state for the
15 attendance and testimony of witnesses or the production of
16 evidence from another member state shall be enforced in the
17 latter state by any court of competent jurisdiction according
18 to the practice and procedure of that court applicable to
19 subpoenas issued in proceedings pending before it. The issuing
20 authority shall pay any witness fees, travel expenses, mileage
21 and other fees required by the service statutes of the state in
22 which the witnesses or evidence are located.

23 C. For purposes of taking adverse action, the home
24 state shall give the same priority and effect to reported
25 conduct received from a member state as it would if the conduct

1 had occurred within the home state. In so doing, the home
2 state shall apply its own state laws to determine appropriate
3 action.

4 D. The home state shall complete any pending
5 investigations of an occupational therapist or occupational
6 therapy assistant who changes primary state of residence during
7 the course of the investigations. The home state shall also
8 have the authority to take appropriate action and shall
9 promptly report the conclusions of the investigations to the
10 data system. The data system administrator shall promptly
11 notify the new home state of any adverse actions.

12 E. If otherwise permitted by state law, a member
13 state may recover from the affected occupational therapist or
14 occupational therapy assistant the costs of investigations and
15 disposition of cases resulting from any adverse action taken
16 against that occupational therapist or occupational therapy
17 assistant.

18 F. A member state may take adverse action based on
19 the factual findings of the remote state; provided that the
20 member state follows its own procedures for taking the adverse
21 action.

22 G. In addition to the authority granted to a member
23 state by its respective state occupational therapy laws and
24 regulations or other applicable state law, any member state may
25 participate with other member states in joint investigations of

1 licensees. Member states shall share any investigative,
2 litigation or compliance materials in furtherance of any joint
3 or individual investigation initiated under the compact.

4 H. If adverse action is taken by the home state
5 against an occupational therapist's or occupational therapy
6 assistant's license, the occupational therapist's or
7 occupational therapy assistant's compact privilege in all other
8 member states shall be deactivated until all encumbrances have
9 been removed from the state license. All home state
10 disciplinary orders that impose adverse action against an
11 occupational therapist's or occupational therapy assistant's
12 license shall include a statement that the occupational
13 therapist's or occupational therapy assistant's compact
14 privilege is deactivated in all member states during the
15 pendency of the order.

16 I. If a member state takes adverse action, it shall
17 promptly notify the administrator of the data system. The
18 administrator of the data system shall promptly notify the home
19 state of any adverse actions by remote states.

20 J. Nothing in the compact shall override a member
21 state's decision that participation in an alternative program
22 may be used in lieu of adverse action.

7 binding in all member states;

9 actions in the name of the commission; provided that the
10 standing of any state occupational therapy licensing board to
11 sue or be sued under applicable law shall not be affected;

12 (8) purchase and maintain insurance and bonds;

13 (9) borrow, accept or contract for services of
14 personnel, including employees of a member state;

15 (10) hire employees, elect or appoint

16 disclosure by federal or member state statute.

17 K. If a meeting, or portion of a meeting, is closed
18 pursuant to Subsection J of this section, the commission's
19 legal counsel or designee shall certify that the meeting may be
20 closed and shall reference each relevant exempting provision.

21 L. The commission shall keep minutes that fully and
22 clearly describe all matters discussed in a meeting and shall
23 provide a full and accurate summary of actions taken, and the
24 reasons therefore, including a description of the views
25 expressed. All documents considered in connection with an

.232736.1

1 action shall be identified in the minutes. All minutes and
2 documents of a closed meeting shall remain under seal, subject
3 to release by a majority vote of the commission or order of a
4 court of competent jurisdiction.

5 M. The commission shall pay, or provide for the
6 payment of, the reasonable expenses of its establishment,
7 organization and ongoing activities. The commission may accept
8 any and all appropriate revenue sources, donations and grants
9 of money, equipment, supplies, materials and services. The
10 commission may levy on and collect an annual assessment from
11 each member state or impose fees on other parties to cover the
12 cost of the operations and activities of the commission and its
13 staff, which must be in a total amount sufficient to cover its
14 annual budget as approved by the commission each year for which
15 revenue is not provided by other sources. The aggregate annual
16 assessment amount shall be allocated based upon a formula to be
17 determined by the commission, which shall promulgate a rule
18 binding upon all member states.

19 N. The commission shall not incur obligations of
20 any kind prior to securing the funds adequate to meet the
21 obligations; nor shall the commission pledge the credit of any
22 of the member states, except by and with the authority of the
23 member state.

24 O. The commission shall keep accurate accounts of
25 all receipts and disbursements. The receipts and disbursements

1 of the commission shall be subject to the audit and accounting
2 procedures established under its bylaws. However, all receipts
3 and disbursements of funds handled by the commission shall be
4 audited yearly by a certified or licensed public accountant,
5 and the report of the audit shall be included in and become
6 part of the annual report of the commission.

7 SECTION 10. [NEW MATERIAL] QUALIFIED IMMUNITY, DEFENSE
8 AND INDEMNIFICATION.--

9 A. The members, officers, executive director,
10 employees and representatives of the commission shall be immune
11 from suit and liability, either personally or in their official
12 capacity, for any claim for damage to or loss of property or
13 personal injury or other civil liability caused by or arising
14 out of any actual or alleged act, error or omission that
15 occurred, or that the person against whom the claim is made had
16 a reasonable basis for believing occurred within the scope of
17 commission employment, duties or responsibilities; provided
18 that nothing in this subsection shall be construed to protect
19 any such person from suit or liability for any damage, loss,
20 injury or liability caused by the intentional or willful or
21 wanton misconduct of that person.

22 B. The commission shall defend any member, officer,
23 executive director, employee or representative of the
24 commission in any civil action seeking to impose liability
25 arising out of any actual or alleged act, error or omission

1 that occurred within the scope of commission employment, duties
2 or responsibilities, or that the person against whom the claim
3 is made had a reasonable basis for believing occurred within
4 the scope of commission employment, duties or responsibilities;
5 provided that nothing in this section shall be construed to
6 prohibit that person from retaining counsel; and further
7 provided that the actual or alleged act, error or omission did
8 not result from that person's intentional or willful or wanton
9 misconduct.

10 C. The commission shall indemnify and hold harmless
11 any member, officer, executive director, employee or
12 representative of the commission for the amount of any
13 settlement or judgment obtained against that person arising out
14 of any actual or alleged act, error or omission that occurred
15 within the scope of commission employment, duties or
16 responsibilities, or that such person had a reasonable basis
17 for believing occurred within the scope of commission
18 employment, duties or responsibilities; provided that the
19 actual or alleged act, error or omission did not result from
20 the intentional or willful or wanton misconduct of that person.

21 SECTION 11. [NEW MATERIAL] DATA SYSTEM.--

22 A. The commission shall provide for the
23 development, maintenance and utilization of a coordinated
24 database and reporting system containing licensure, adverse
25 action and investigative information on all licensed

1 individuals in member states.

2 B. A member state shall submit a uniform data set
3 to the data system on all individuals to whom the compact is
4 applicable, using a unique identifier, as required by the rules
5 of the commission, including:

- 6 (1) identifying information;
7 (2) licensure data;
8 (3) adverse actions against a license or
9 compact privilege;
10 (4) non-confidential information related to
11 alternative program participation;
12 (5) any denial of application for licensure,
13 and the reason for such denial;
14 (6) other information that may facilitate the
15 administration of the compact, as determined by the rules of
16 the commission; and
17 (7) current significant investigative
18 information.

19 C. Current significant investigative information
20 and other investigative information pertaining to a licensee in
21 any member state shall only be available to other member
22 states.

23 D. The commission shall promptly notify all member
24 states of any adverse action taken against a licensee or an
25 individual applying for a license. Adverse action information

.232736.1

1 pertaining to a licensee in any member state will be available
2 to any other member state.

3 E. Member states contributing information to the
4 data system may designate information that may not be shared
5 with the public without the express permission of the
6 contributing state.

7 F. Any information submitted to the data system
8 that is subsequently required to be expunged by the laws of the
9 member state contributing the information shall be removed from
10 the data system.

11 SECTION 12. [NEW MATERIAL] RULEMAKING.--

12 A. The commission shall exercise its rulemaking
13 powers pursuant to the criteria set forth in this section and
14 the rules adopted thereunder. Rules and amendments shall
15 become binding as of the date specified in each rule or
16 amendment.

17 B. The commission shall promulgate reasonable rules
18 in order to effectively and efficiently achieve the purposes of
19 the compact. In the event the commission exercises its
20 rulemaking authority in a manner that is beyond the scope of
21 the purposes of the compact, such an action by the commission
22 shall be invalid and have no force and effect.

23 C. If a majority of the legislatures of the member
24 states rejects a rule, by enactment of a statute or resolution
25 in the same manner used to adopt the compact within four years

1 of the date of adoption of the rule, the rule shall have no
2 further force and effect in any member state.

3 D. Rules or amendments to the rules shall be
4 adopted at a regular or special meeting of the commission.

5 E. Prior to promulgation and adoption of a final
6 rule by the commission, and at least thirty days in advance of
7 the meeting at which the rule will be considered and voted
8 upon, the commission shall file a notice of proposed
9 rulemaking:

10 (1) on the website of the commission or other
11 publicly accessible platform; and

12 (2) on the website of each member state
13 occupational therapy licensing board or other publicly
14 accessible platform or the publication in which each state
15 would otherwise publish proposed rules.

16 F. The notice of proposed rulemaking shall include:

17 (1) the proposed time, date and location of
18 the meeting in which the rule will be considered and voted
19 upon;

20 (2) the text of the proposed rule or amendment
21 and the reason for the proposed rule;

22 (3) a request for comments on the proposed
23 rule from any interested person; and

24 (4) the manner in which interested persons may
25 submit notice to the commission of their intention to attend

.232736.1

1 the public hearing and any written comments.

2 G. Prior to adoption of a proposed rule, the
3 commission shall allow persons to submit written data, facts,
4 opinions and arguments, which shall be made available to the
5 public.

6 H. The commission shall grant an opportunity for a
7 public hearing before it adopts a rule or amendment if a
8 hearing is requested by:

9 (1) at least twenty-five persons;

10 (2) a state or federal governmental
11 subdivision or agency; or

12 (3) an association or organization having at
13 least twenty-five members.

14 I. If a hearing is held on the proposed rule or
15 amendment, the commission shall publish the place, time and
16 date of the scheduled public hearing. If the hearing is held
17 via electronic means, the commission shall publish the
18 mechanism for access to the electronic hearing and the
19 procedure for hearings shall be conducted according to the
20 following provisions:

21 (1) all persons wishing to be heard at the
22 hearing shall notify the executive director of the commission
23 or other designated member in writing of their desire to appear
24 and testify at the hearing not less than five business days
25 before the scheduled date of the hearing;

.232736.1

1 (2) hearings shall be conducted in a manner
2 providing each person who wishes to comment a fair and
3 reasonable opportunity to comment orally or in writing;

4 (3) all hearings will be recorded. A copy of
5 the recording will be made available on request; and

6 (4) nothing in this section shall be construed
7 as requiring a separate hearing on each rule. Rules may be
8 grouped for the convenience of the commission at hearings
9 required by this section.

10 J. Following the scheduled hearing date, or by the
11 close of business on the scheduled hearing date if the hearing
12 was not held, the commission shall consider all written and
13 oral comments received.

14 K. If no written notice of intent to attend the
15 public hearing by interested parties is received, the
16 commission may proceed with promulgation of the proposed rule
17 without a public hearing.

18 L. The commission shall, by majority vote of all
19 members, take final action on the proposed rule and shall
20 determine the effective date of the rule, if any, based on the
21 rulemaking record and the full text of the rule.

22 M. Upon determination that an emergency exists, the
23 commission may consider and adopt an emergency rule without
24 prior notice, opportunity for comment or hearing; provided that
25 the usual rulemaking procedures provided in the compact and in

1 this section shall be retroactively applied to the rule as soon
2 as reasonably possible, but in no event later than ninety days
3 after the effective date of the rule. For the purposes of this
4 provision, an emergency rule is one that must be adopted
5 immediately in order to:

6 (1) meet an imminent threat to public health,
7 safety or welfare;

8 (2) prevent a loss of commission or member
9 state funds;

10 (3) meet a deadline for the promulgation of an
11 administrative rule that is established by federal law or rule;
12 or

13 (4) protect public health and safety.

14 N. The commission or an authorized committee of the
15 commission may direct revisions to a previously adopted rule or
16 amendment for purposes of correcting typographical errors,
17 errors in format, errors in consistency or grammatical errors.
18 Public notice of any revisions shall be posted on the website
19 of the commission. The revision shall be subject to challenge
20 by any person for a period of thirty days after posting. The
21 revision may be challenged only on grounds that the revision
22 results in a material change to a rule. A challenge shall be
23 made in writing and delivered to the chair of the commission
24 prior to the end of the notice period. If no challenge is
25 made, the revision shall take effect without further action.

.232736.1

1 If the revision is challenged, the revision may not take effect
2 without the approval of the commission.

3 SECTION 13. [NEW MATERIAL] OVERSIGHT, DISPUTE RESOLUTION
4 AND ENFORCEMENT.--

5 A. The executive, legislative and judicial branches
6 of state government in each member state shall enforce the
7 compact and take all actions necessary and appropriate to
8 effectuate the compact's purposes and intent. The provisions
9 of the compact and the rules promulgated hereunder shall have
10 standing as statutory law.

11 B. All courts shall take judicial notice of the
12 compact and the rules in any judicial or administrative
13 proceeding in a member state pertaining to the subject matter
14 of the compact which may affect the powers, responsibilities or
15 actions of the commission. The commission shall be entitled to
16 receive service of process in any judicial or administrative
17 proceeding and shall have standing to intervene in such a
18 proceeding for all purposes. Failure to provide service of
19 process to the commission shall render a judgment or order void
20 as to the commission, the compact or promulgated rules.

21 C. If the commission determines that a member state
22 has defaulted in the performance of its obligations or
23 responsibilities under the compact or the promulgated rules,
24 the commission shall:

25 (1) provide written notice to the defaulting

1 state and other member states of the nature of the default, the
2 proposed means of curing the default or any other action to be
3 taken by the commission; and

4 (2) provide remedial training and specific
5 technical assistance regarding the default.

6 D. If a state in default fails to cure the default,
7 the defaulting state may be terminated from the compact upon an
8 affirmative vote of a majority of the member states, and all
9 rights, privileges and benefits conferred by the compact may be
10 terminated on the effective date of termination. A cure of the
11 default does not relieve the offending state of obligations or
12 liabilities incurred during the period of default.

13 E. Termination of membership in the compact shall
14 be imposed only after all other means of securing compliance
15 have been exhausted. Notice of intent to suspend or terminate
16 shall be given by the commission to the governor, the majority
17 and minority leaders of the defaulting state's legislature and
18 each of the member states.

19 F. A state that has been terminated is responsible
20 for all assessments, obligations and liabilities incurred
21 through the effective date of termination, including
22 obligations that extend beyond the effective date of
23 termination.

24 G. The commission shall not bear any costs related
25 to a state that is found to be in default or that has been

1 terminated from the compact, unless agreed upon in writing
2 between the commission and the defaulting state.

3 H. The defaulting state may appeal the action of
4 the commission by petitioning the United States district court
5 for the District of Columbia or the federal district where the
6 commission has its principal offices. The prevailing member
7 shall be awarded all costs of such litigation, including
8 reasonable attorney fees.

9 I. Upon request by a member state, the commission
10 shall attempt to resolve disputes related to the compact that
11 arise among member states and between member and nonmember
12 states.

13 J. The commission shall promulgate a rule providing
14 for both mediation and binding dispute resolution for disputes
15 as appropriate.

16 K. The commission, in the reasonable exercise of
17 its discretion, shall enforce the provisions and rules of the
18 compact.

19 L. By majority vote, the commission may initiate
20 legal action in the United States district court for the
21 District of Columbia or the federal district where the
22 commission has its principal offices against a member state in
23 default to enforce compliance with the provisions of the
24 compact and its promulgated rules and bylaws. The relief
25 sought may include both injunctive relief and damages. In the

.232736.1

1 event judicial enforcement is necessary, the prevailing member
2 shall be awarded all costs of such litigation, including
3 reasonable attorney fees.

4 M. The remedies provided in the compact shall not
5 be the exclusive remedies of the commission. The commission
6 may pursue any other remedies available under federal or state
7 law.

8 SECTION 14. [NEW MATERIAL] DATE OF IMPLEMENTATION OF THE
9 OCCUPATIONAL THERAPY LICENSURE COMPACT AND ASSOCIATED RULES,
10 WITHDRAWAL AND AMENDMENT.--

11 A. The compact shall come into effect on the date
12 on which the compact statute is enacted into law in the tenth
13 member state. The provisions, which become effective at that
14 time, shall be limited to the powers granted to the commission
15 relating to assembly and the promulgation of rules.

16 Thereafter, the commission shall meet and exercise rulemaking
17 powers necessary to the implementation and administration of
18 the compact.

19 B. Any state that joins the compact subsequent to
20 the commission's initial adoption of the rules shall be subject
21 to the rules as they exist on the date on which the compact
22 becomes law in that state. Any rule that has been previously
23 adopted by the commission shall have the full force and effect
24 of law on the day the compact becomes law in that state.

25 C. Any member state may withdraw from the compact

.232736.1

1 by enacting a statute repealing the same.

2 D. A member state's withdrawal shall not take
3 effect until six months after enactment of the repealing
4 statute.

5 E. Withdrawal shall not affect the continuing
6 requirement of the withdrawing state's occupational therapy
7 licensing board to comply with the investigative and adverse
8 action reporting requirements of the compact prior to the
9 effective date of withdrawal.

10 F. Nothing contained in the compact shall be
11 construed to invalidate or prevent any occupational therapy
12 licensure agreement or other cooperative arrangement between a
13 member state and a nonmember state that does not conflict with
14 the provisions of the compact.

15 G. The compact may be amended by the member states.
16 No amendment to the compact shall become effective and binding
17 upon any member state until it is enacted into the laws of all
18 member states.

19 SECTION 15. [NEW MATERIAL] CONSTRUCTION AND
20 SEVERABILITY.--The compact shall be liberally construed so as
21 to effectuate the purposes of the compact. The provisions of
22 the compact shall be severable and if any phrase, clause,
23 sentence or provision of the compact is declared to be contrary
24 to the constitution of any member state or of the United States
25 or the applicability thereof to any government, agency, person

.232736.1

1 or circumstance is held invalid, the validity of the remainder
2 of the compact and the applicability thereof to any government,
3 agency, person or circumstance shall not be affected thereby.
4 If the compact shall be held contrary to the constitution of
5 any member state, the compact shall remain in full force and
6 effect as to the remaining member states and in full force and
7 effect as to the member state affected as to all severable
8 matters.

9 SECTION 16. [NEW MATERIAL] BINDING EFFECT OF COMPACT AND
10 OTHER LAWS.--

11 A. A licensee providing occupational therapy in a
12 remote state under the compact privilege shall function within
13 the laws and regulations of the remote state.

14 B. Nothing in the compact prevents the enforcement
15 of any other law of a member state that is not inconsistent
16 with the compact.

17 C. Any laws in a member state in conflict with the
18 compact are superseded to the extent of the conflict.

19 D. Any lawful actions of the commission, including
20 all rules and bylaws promulgated by the commission, are binding
21 upon the member states.

22 E. All agreements between the commission and the
23 member states are binding in accordance with their terms.

24 F. In the event any provision of the compact
25 exceeds the constitutional limits imposed on the legislature of

1 any member state, the provision shall be ineffective to the
2 extent of the conflict with the constitutional provision in
3 question in that member state.

4 SECTION 17. Section 61-12A-9 NMSA 1978 (being Laws 1996,
5 Chapter 55, Section 9, as amended) is amended to read:

6 "61-12A-9. BOARD--POWERS AND DUTIES.--

7 A. The board shall:

8 (1) promulgate rules in accordance with the
9 State Rules Act to carry out the provisions of the Occupational

11 (11) require an applicant, as a condition of
12 eligibility for initial licensure, to submit a full set of
13 fingerprints to the department of public safety to obtain state

16 are confidential and not public records. The board shall not

18 lines.

19 B. The board may:

20 (1) issue investigative subpoenas for the
21 purpose of investigating complaints against licensees prior to
