HOUSE MEMORIAL 17

57TH LEGISLATURE - STATE OF NEW MEXICO - SECOND SESSION, 2026

INTRODUCED BY

Pamelya Herndon and John Block and Cynthia Borrego

A MEMORIAL

REQUESTING THE REGULATION AND LICENSING DEPARTMENT TO CONVENE A TASK FORCE TO STUDY AND RECOMMEND A REGULATORY FRAMEWORK FOR ACTIVITIES OR SERVICES OFFERED OR RENDERED BY PERSONS OPERATING IN NEW MEXICO'S MOTION PICTURE, TELEVISION AND PERFORMING ARTS INDUSTRIES.

WHEREAS, the motion picture, television and performing arts industries are important components of New Mexico's economy and workforce; and

WHEREAS, artists and performers rely on professional services to obtain employment, develop careers, manage public presence and negotiate compensation; and

WHEREAS, the term "talent management" is commonly used to describe activities or professional services provided in exchange for monetary compensation that include procuring or

1 attempting to procure for monetary compensation: employment,
2 career counseling or consulting, branding, publicity, social
3 media and digital presence management, contract-related
4 advising, referral services or casting-related services; and

5 WHEREAS, persons commonly known as "talent agents" engage
6 in procuring, offering, promising or attempting to procure
7 employment or engagements for artists or performers, whether or
8 not those persons are franchised by a labor organization; and

9 WHEREAS, persons commonly known as "talent managers", in
10 exchange for monetary compensation, but without regulatory
11 standards, provide career guidance or representation and, in
12 some cases, engage directly or indirectly in the procurement of
13 employment; and

14 WHEREAS, certain casting entities, including background
15 casting companies and independent casting services not
16 affiliated with recognized professional associations, may
17 exercise discretion without uniform oversight over performer
18 selection or placement; and

19 WHEREAS, some additional services related to talent
20 management, including public relations, publicity, social media
21 management or digital brand representation, may overlap with
22 employment procurement or contractual arrangements; and

23 WHEREAS, the lack of regulatory standards and oversight
24 has led to an unclear understanding of industry terms, creates
25 uncertainty for artists or performers, service providers and

1 producers and may expose those in the industry to unfair
2 practices or exorbitant fees; and

3 WHEREAS, other states have enacted statutory frameworks
4 defining the titles and roles of talent agents, managers and
5 related services providers and providing oversight regarding
6 talent employment procurement; and

7 WHEREAS, New Mexico does not have a statutory framework to
8 define, delineate and, as needed, regulate industry practices,
9 but the state's motion picture, television and performing arts
10 industries could benefit from such a framework; and

11 WHEREAS, a task force convened by the regulation and
12 licensing department could study and evaluate existing gaps,
13 review industry best practices and make recommendations
14 tailored to New Mexico's motion picture, television and
15 performing arts industries;

16 NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF
17 REPRESENTATIVES OF THE STATE OF NEW MEXICO that the regulation
18 and licensing department be requested to convene a task force
19 by July 15, 2026 to:
