Energy Transition Act
62-18-16 NMSA 1978

What is The Energy Transition Act?

Passed in the 2019 New Mexico Legislative Session, The Energy Transition Act (ETA) will help New Mexico transition from fossil fuels towards a more RENEWABLE and CLEAN ENERGY BASED ECONOMY.

Signed into law by Governor Lujan Grisham in March 2019, The Energy Transition Act (SB 489) sets statewide renewable energy standards for renewable resources that will make New Mexico a leader in renewable energy.

50% Renewable Energy by 2030
80% Renewable Energy by 2040
100% Renewable Energy by 2045
Funds Generated (SB 489)

- **$12 Million** to the Department of Workforce Solutions: Training for displaced workers.
- **$6 Million** to the Economic Development Department: Foster economic development in areas unrelated to fossil fuel use.
- **$1.805 Million** to the Indian Affairs Department: Address specific issues closing will have on Tribal land.

| Indian Affairs Department | $1.8 million | Expenditures from the fund shall be made after completion of the plan and as follows: (1) to an entity approved by the Indian affairs department to receive funds for any program established at the Indian affairs department; and (2) to tribal governments, public agencies or private persons to provide services and facilities in the affected community for promoting the welfare of Indian people. |
NMSA 1978, § 62-18—16(J)(1)

• One-half percent allocated to the Indian Affairs Department for deposit in the energy transition Indian Affairs fund

• Funds were appropriated during the 2023 Legislative Session.
