

# SEXUAL ASSAULT VICTIM ADVOCACY PROGRAM

SUPPORTING VICTIMS OF SEXUAL ASSAULT WITH  
INTELLECTUAL/DEVELOPMENTAL DISABILITIES

## **Victim Advocacy Services**

Accompaniment to medical forensic examinations and follow-up appointments, along with referrals to mental health and behavioral health specialists. Help filing police reports, accompaniment to law enforcement interviews and courtroom proceedings. Aid securing Orders of Protection. Assistance accessing crime victim compensation.

Longer-term support to victims and their support networks. Help family members, inter-disciplinary team members, medical and mental health professionals understand how trauma might impact disability care support and how disability might impact trauma related medical and mental health care.

Statewide referrals for services particular to victims with intellectual/developmental disabilities.
