

School Transformation Los Padillas Elementary

César Hernández
Principal
Los Padillas Elementary
ALBUQUERQUE, NEW MEXICO
NOVEMBER 22nd 2019

La Noticia

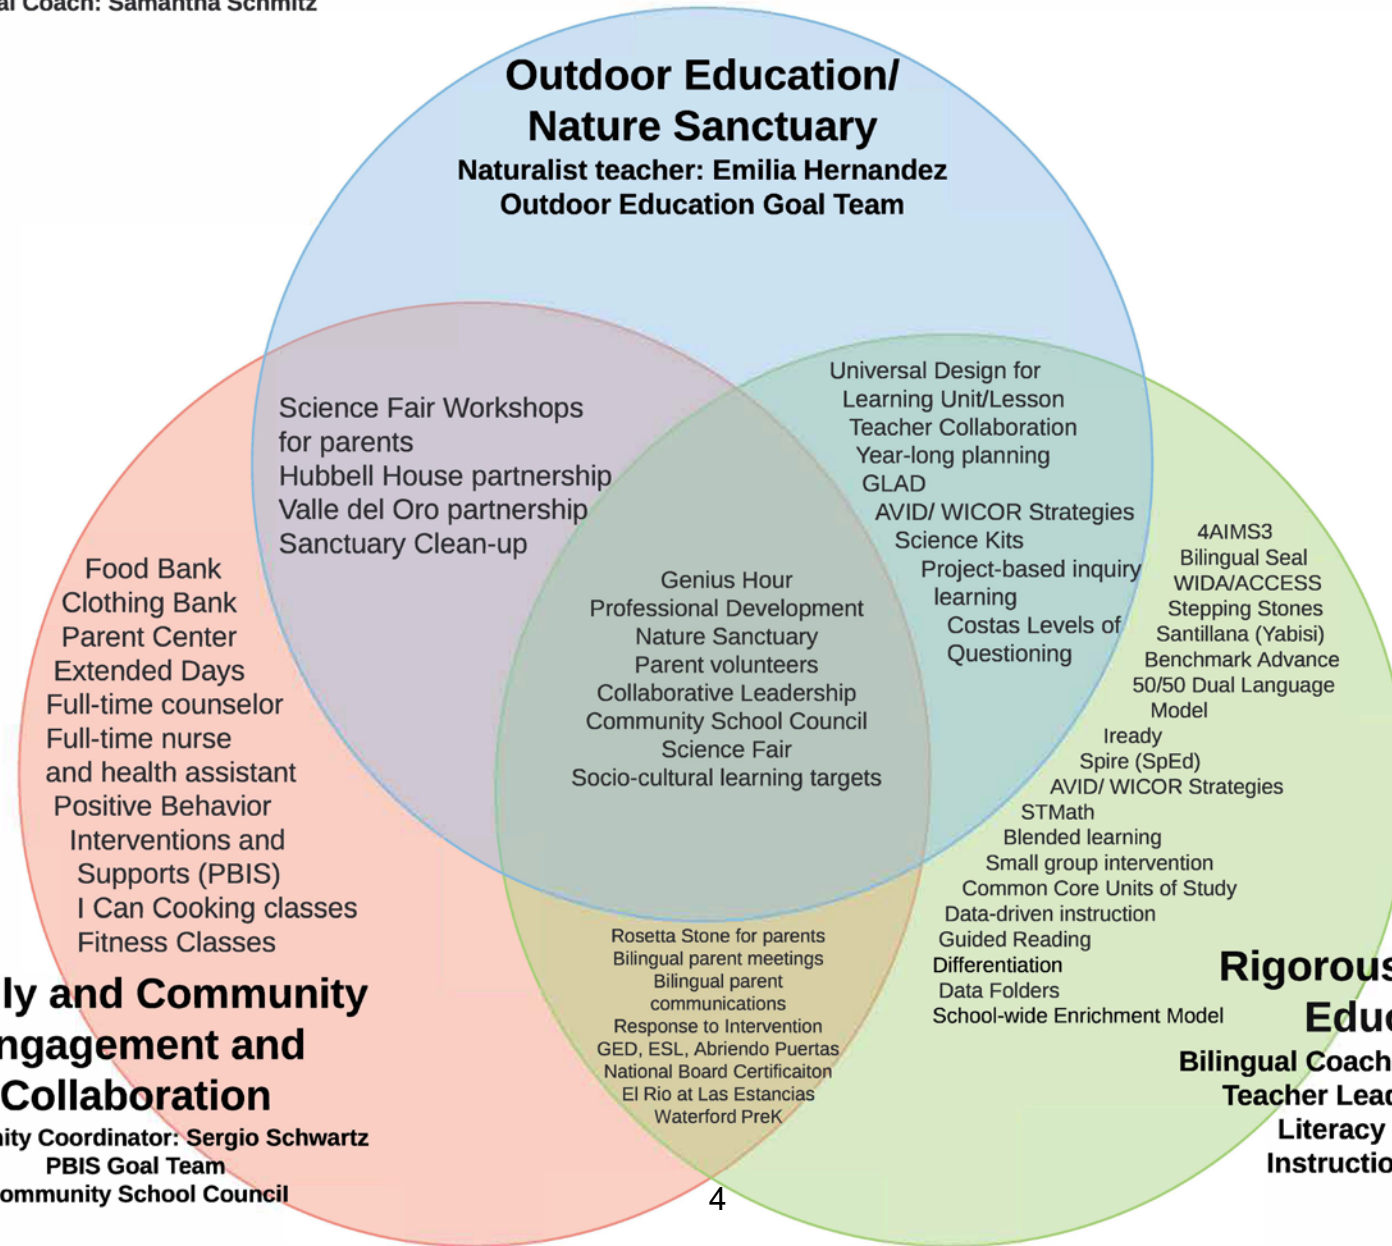

- ▶ [APS] oversees one of the two schools that have earned five straight "F" grades: Los Padillas Elementary School (-Los Padillas"). It is the responsibility of NMPED to intervene in APS so that this does not continue for our students and families.
- ▶ Thus, as stated in the NMPED's letter dated April 27, 2018, if Los Padillas earns two more consecutive "F" grades in the 2017-18 and 2018-19 school years, then the federal grant allocation(s) for 2019-20 and 2020-21 will be withheld and repurposed for School Closure during the 2019-20 school year.
- ▶ If the school earns a combination of "D" and "F" ratings over the next three years, the school shall close at the end the 2021-22 school year.
- ▶ Los Padillas must earn at least three "C" grades or better during the next four school grading periods, which could include 2017-2018 if the district so chooses, in order to exit MR~~F~~ status.

La Noticia

- ▶ ...Such action may include, but is not limited to, suspending the Board of Finance (NMSBA Sections 22-8-39 and 22-2-1) for the district, redirecting Title I funds, suspension of funding, and/or revocation of the conditional approval of the plan which will result in the imminent closure of the school.

Principal: Cesar Hernandez
Assistant Principal: Mayra Moncada
Transformational Coach: Samantha Schmitz

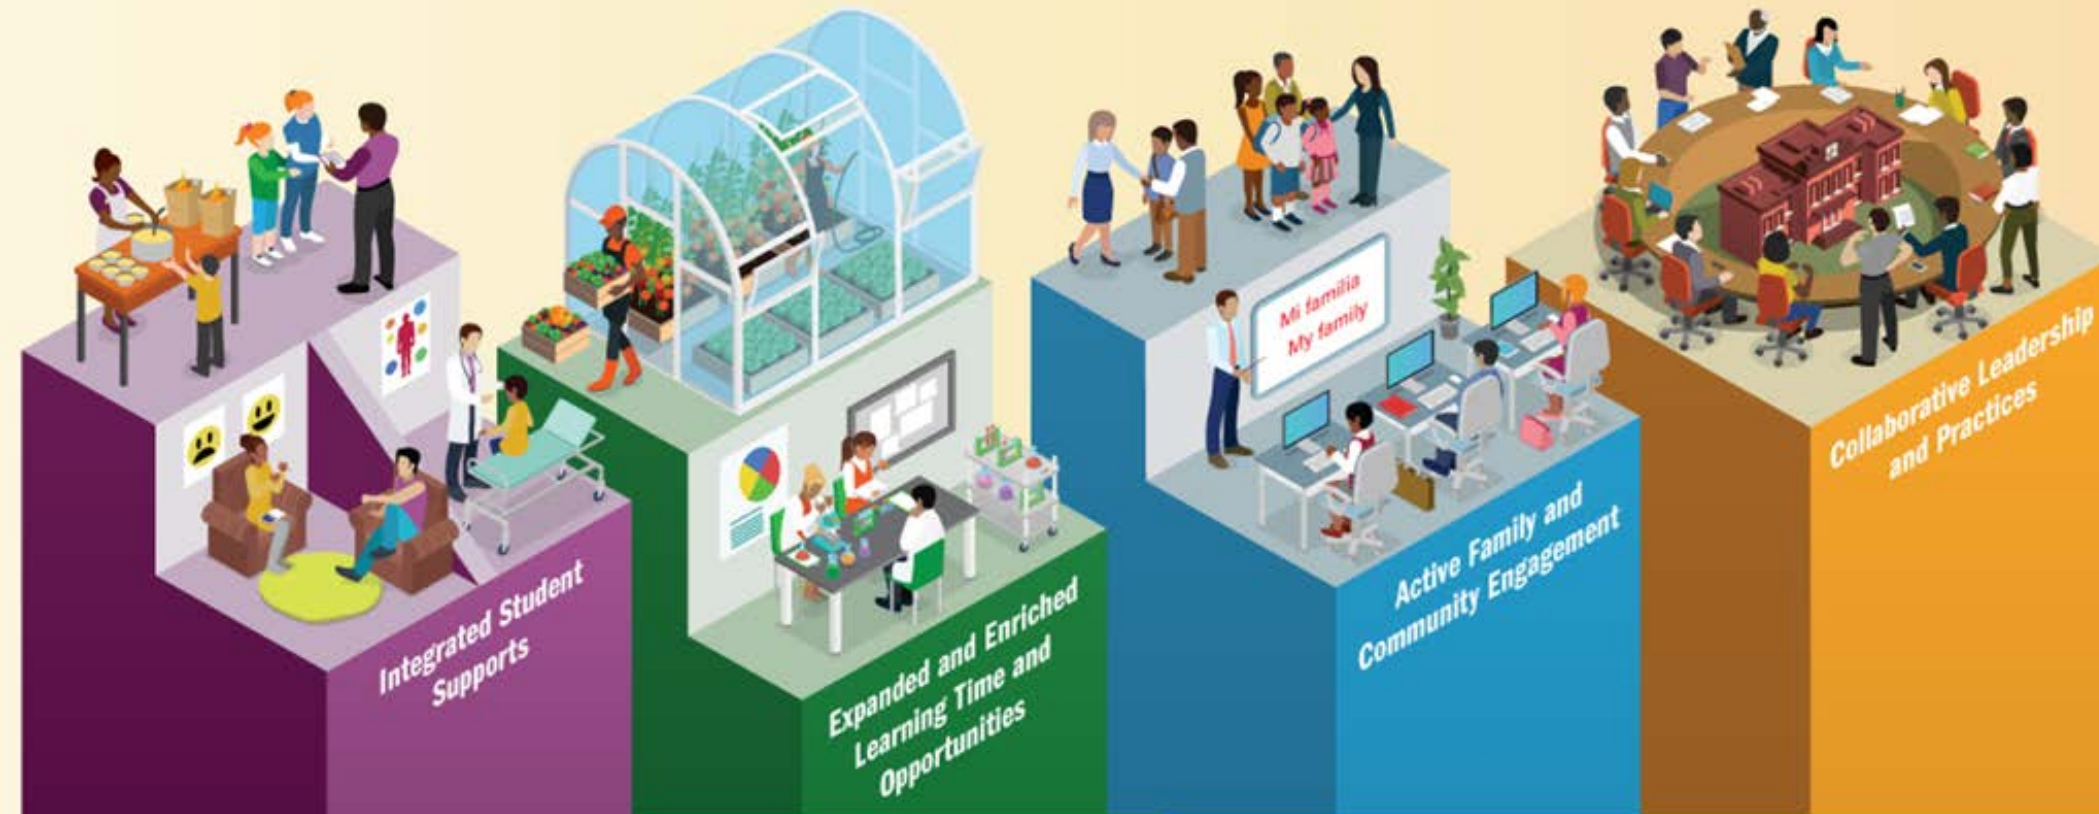

UPSTART Waterford

- ▶ Students know their letters as they arrive to kinder
- ▶ Computer proficiency is superior to classmates
- ▶ They show better gains in IReady compared to classmates
- ▶ Parents receive a welcoming environment as they arrive to school (computer, software and internet access for student).
- ▶ More parents become closely engaged with school
