Please Give A Brief Narrative About The Encounter With The Subject

Any time an APD officer encounters an individual that appears to be experiencing a behavioral health crisis, a CIT Contact Sheet should be completed. This could be ANY call type, not just calls coded as behavioral health.

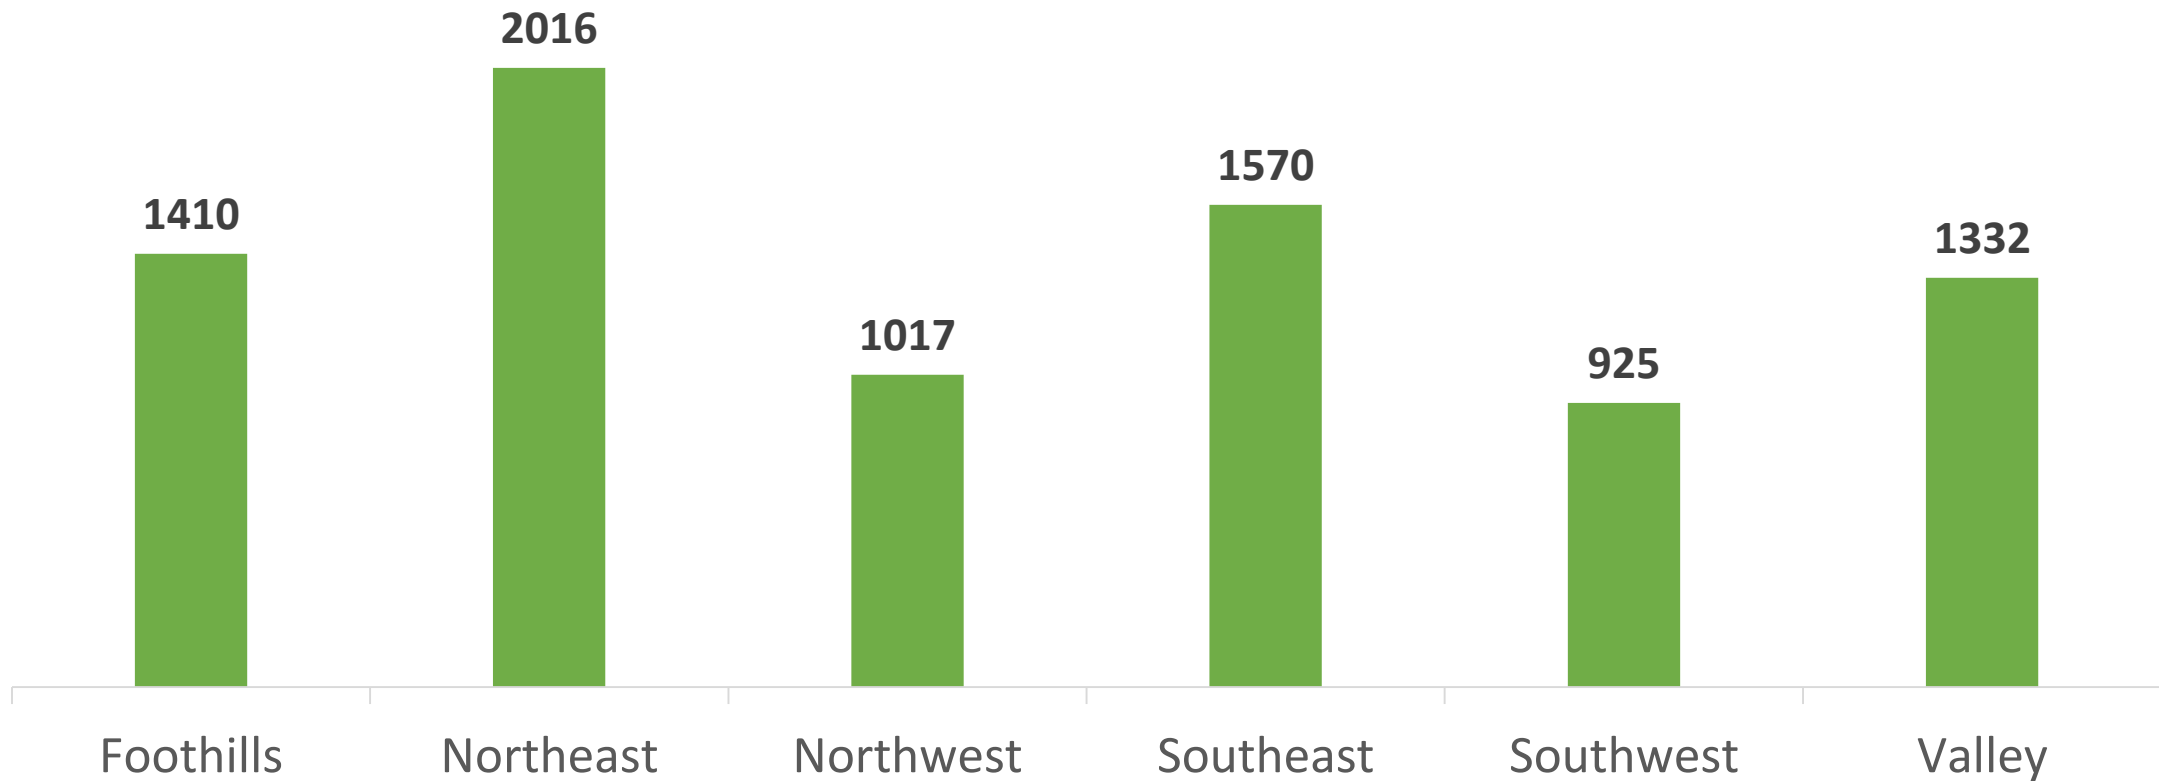

CIT Contact Sheets 2017-2019

Source: CIT Contact Sheets 2017-2019. In late 2017 automated emails to officers on BH calls were instituted to remind them to complete CIT contact sheets if it had not been completed within a day of the call taking place.

2019 CIT Contact Sheets by Area Command

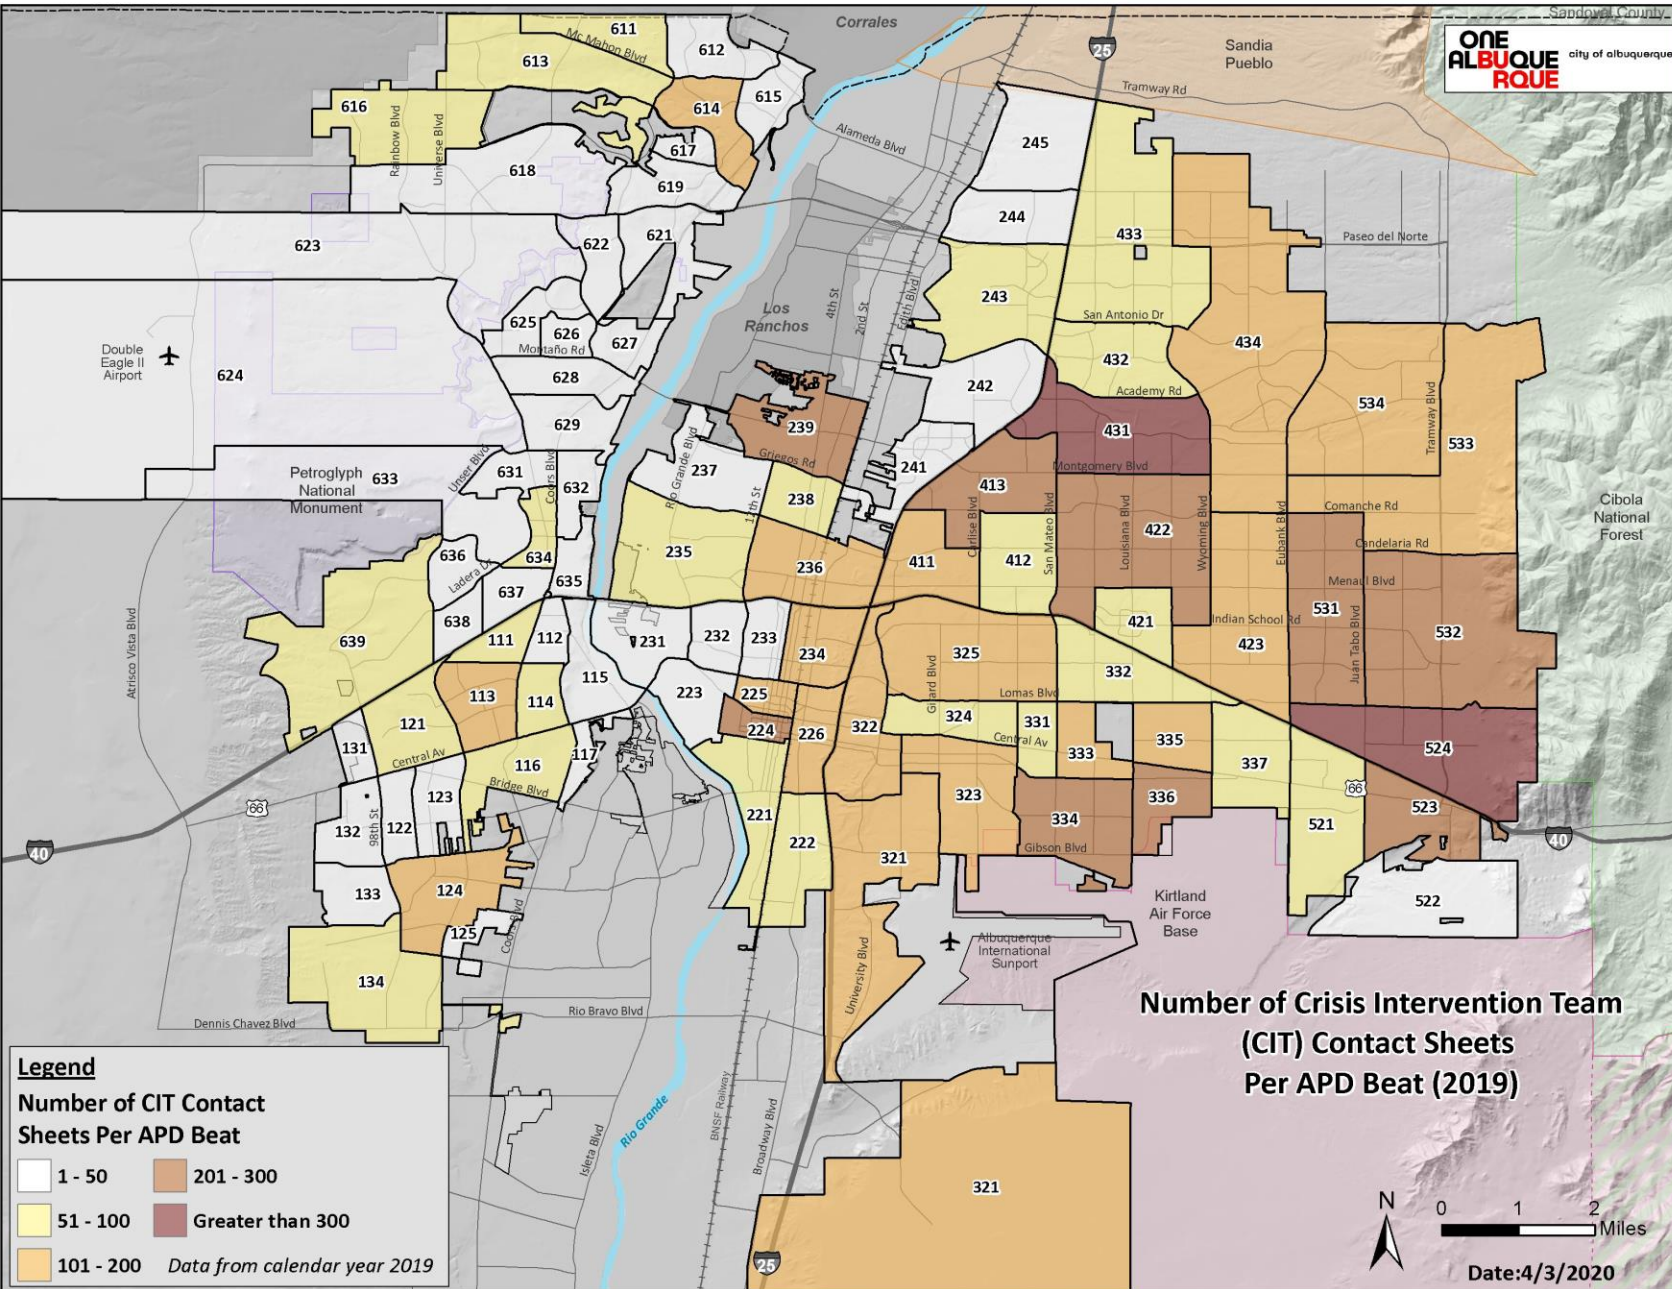

APD CIT Contact Sheets 2019, Area Command Contact Sheets Only,
CIU Removed

Uniformed Response to Behavioral Health Calls

- **100%** of uniformed officers (P1/C rank) are Crisis Intervention Team (CIT) certified
 - This is a 40 hour class with scenarios and professional actors, which is largely community provider taught.
 - In most police departments this class is the only behavioral health training officers can receive, but not at APD...

Uniformed Response to Behavioral Health Calls

- **49%** of Field Service Bureau (FSB) are Enhanced Crisis Intervention Team (ECIT) certified
 - This is a voluntary 8 hour class teaching advanced topics in behavioral health response such as certificates for evaluation and individuals threatening suicide from elevated locations.
- **4** APD Full Time Mobile Crisis Teams (MCT)
 - Consist of an APD ECIT officer and an independently licensed clinician responding to behavioral health calls as a team.

ECIT Response to Behavioral Health Calls

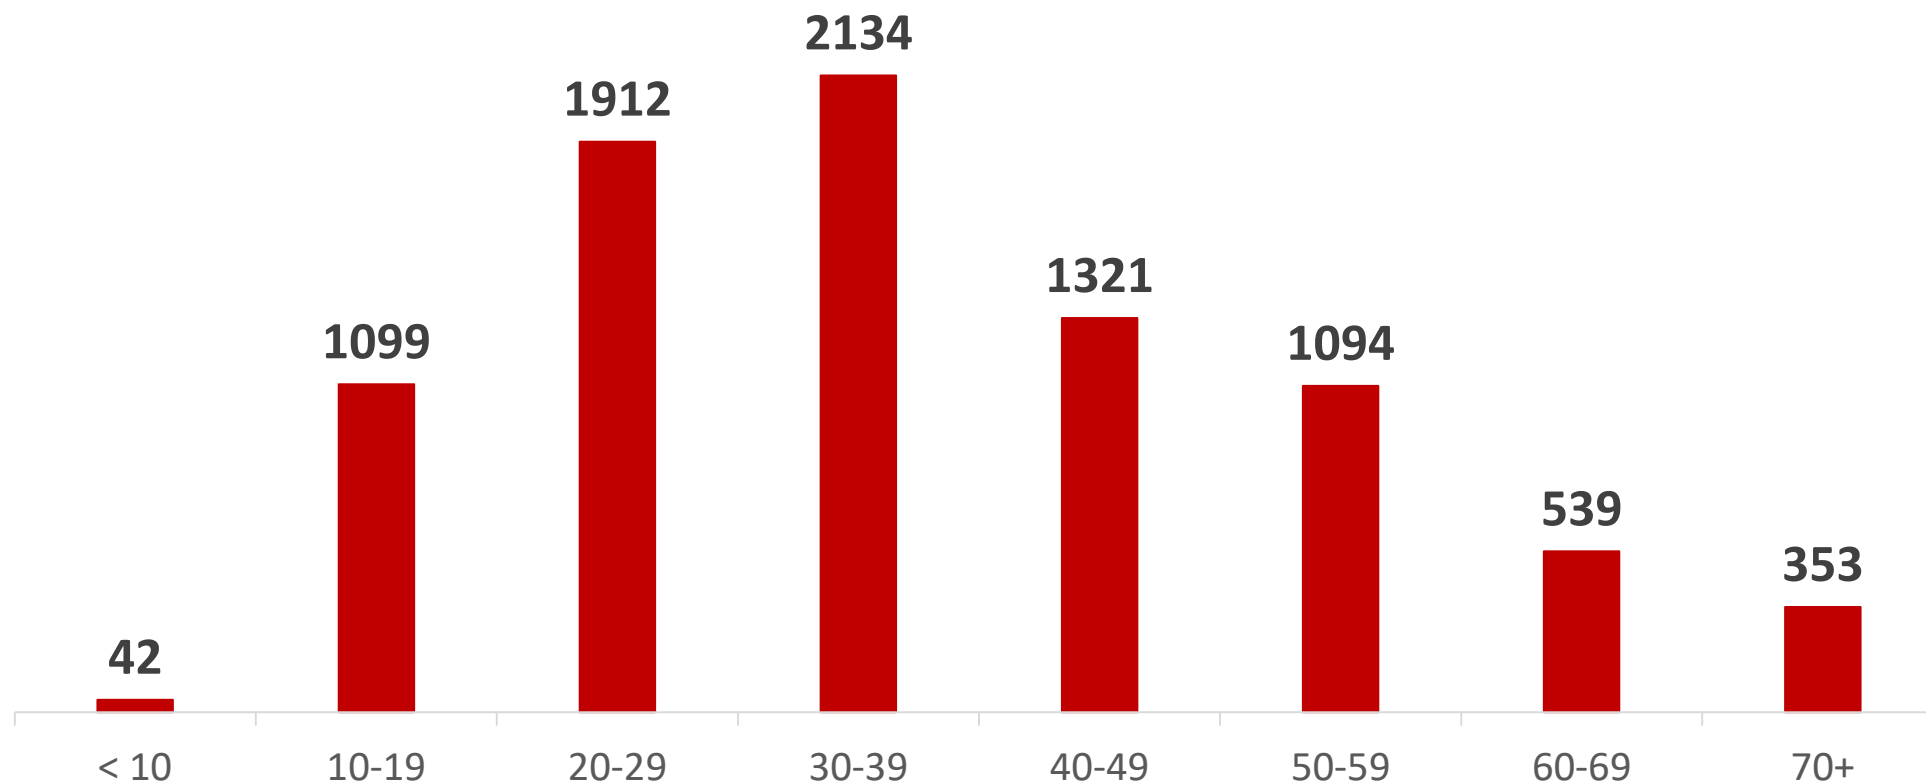

Area Command	BHD CADs	ECIT Officer Responded	Percent W/ ECIT
All Areas	5380	3866	72%
Foothills	972	675	69%
Northeast	1044	768	74%
Northwest	734	536	73%
Southeast	1192	863	72%
BCSO	1	1	100%
Out of area	1	0	0%
Southwest	609	438	72%
Valley	827	585	71%

ALL APD BH CADS with uniformed response, compared to APD's ECIT Certification List, 2019, percentages rounded to nearest whole number. Includes MCT response but CIU is removed.

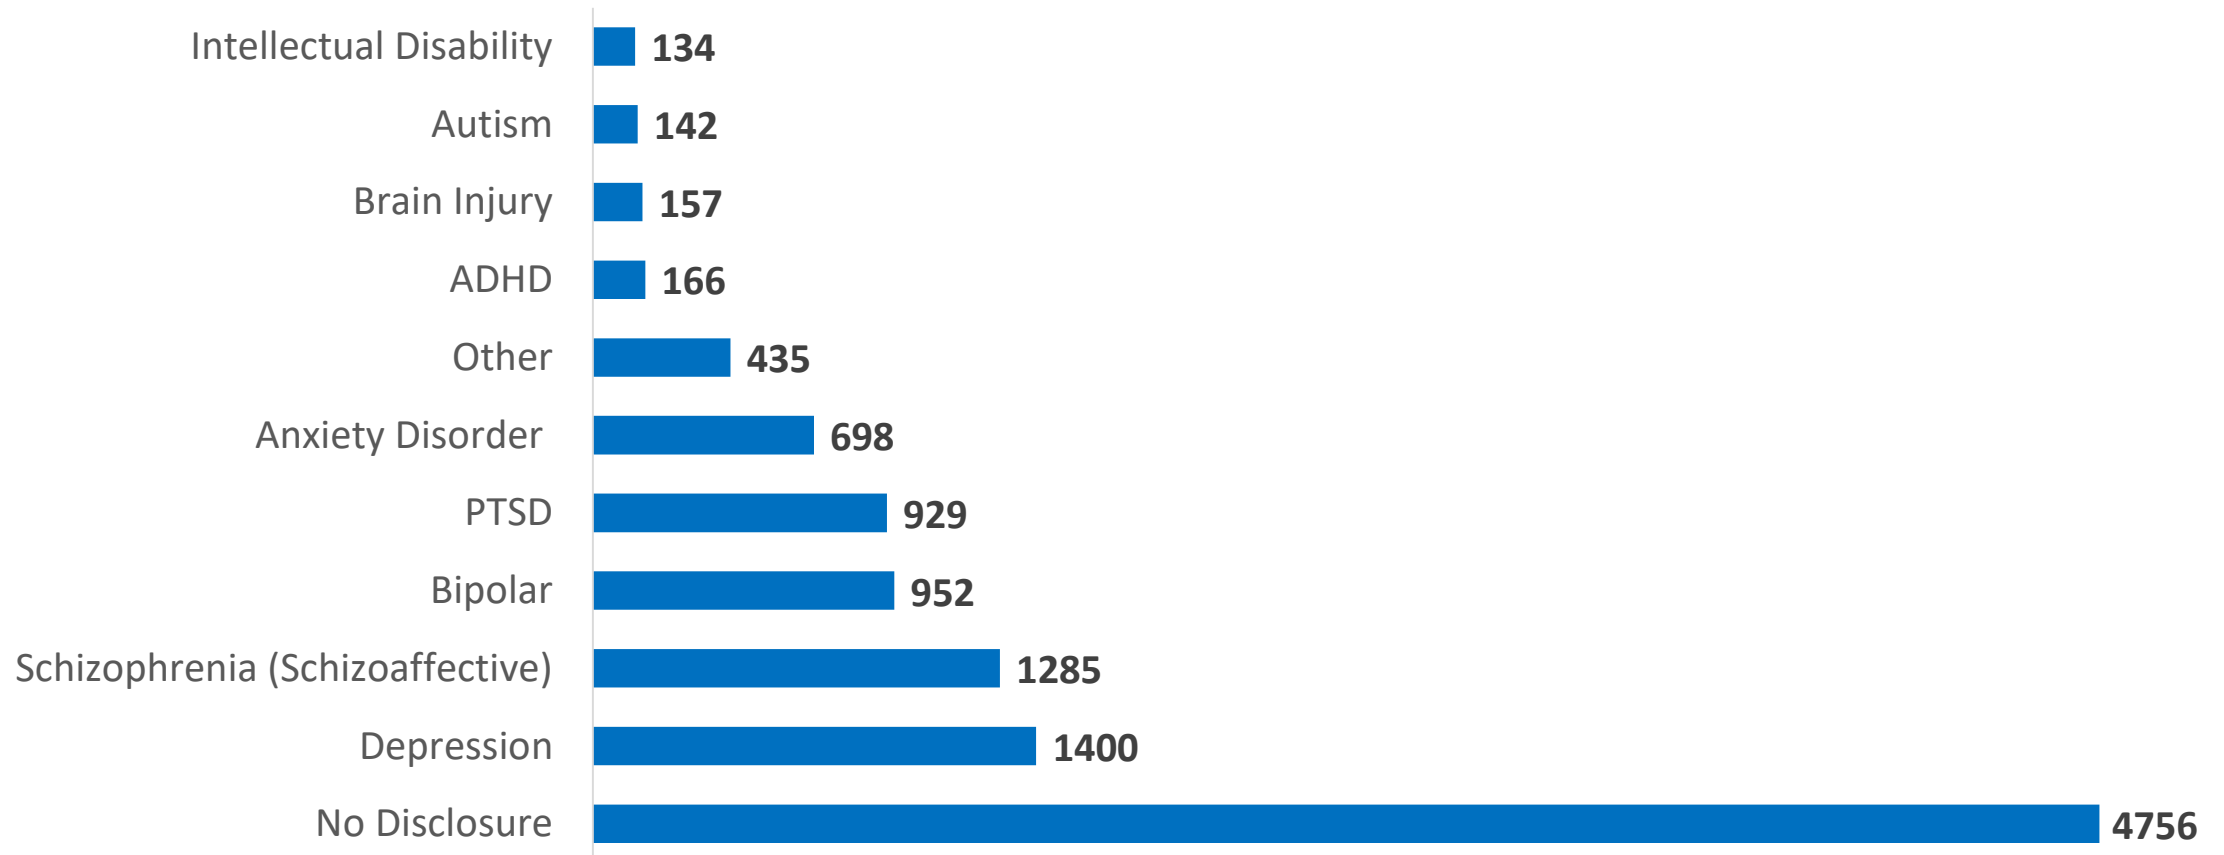

2019 Contact Sheets by Age

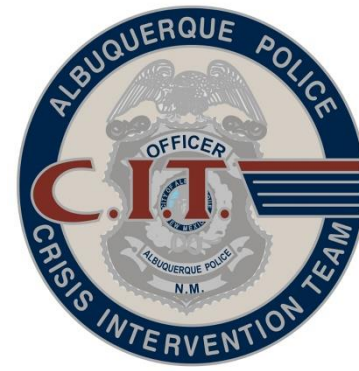

Source: CIT Contact Sheets with age information 2019, Range 5 to 98 years old, 21 missing data removed n=8515

Self Disclosure of a Diagnosis during a CIT Encounter

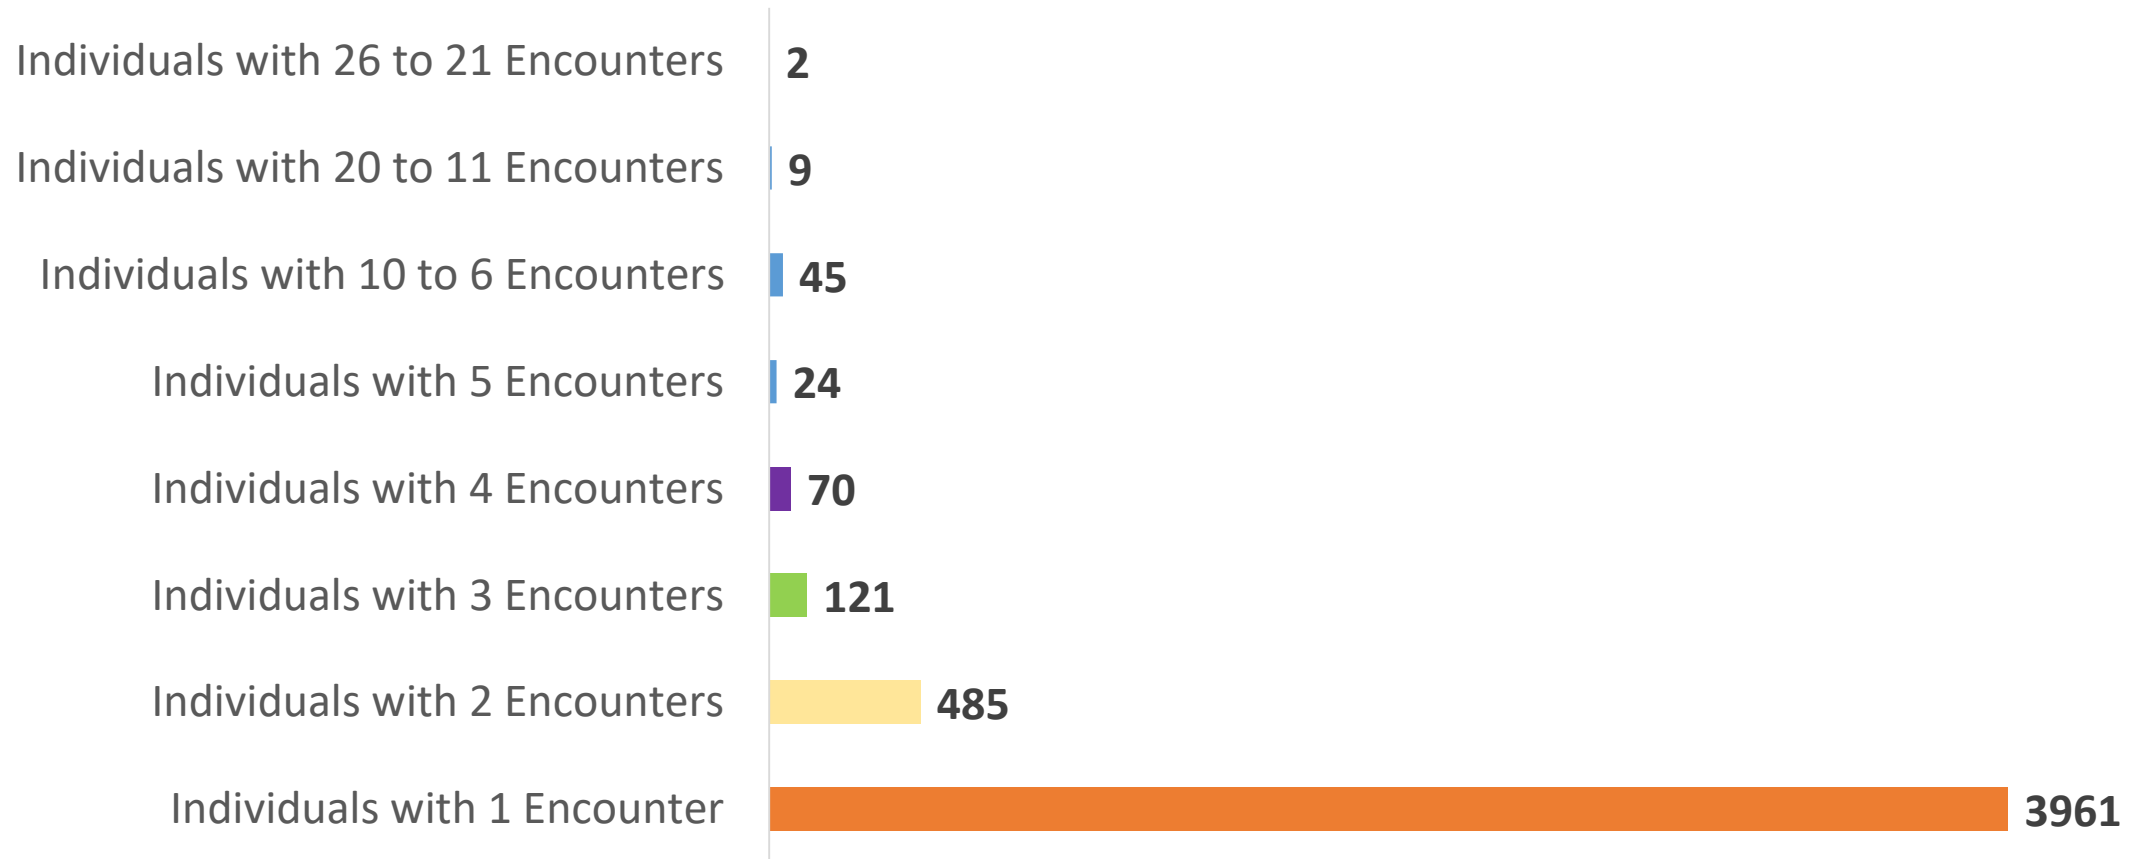

Contact Sheets 2019, An individual could disclose multiple diagnosis in a single encounter, 8515 contacts

Veteran status of Individuals during CIT Contacts in 2019

CIT Contact Sheets with veteran status, 2019, 25 blank answers excluded = 8515

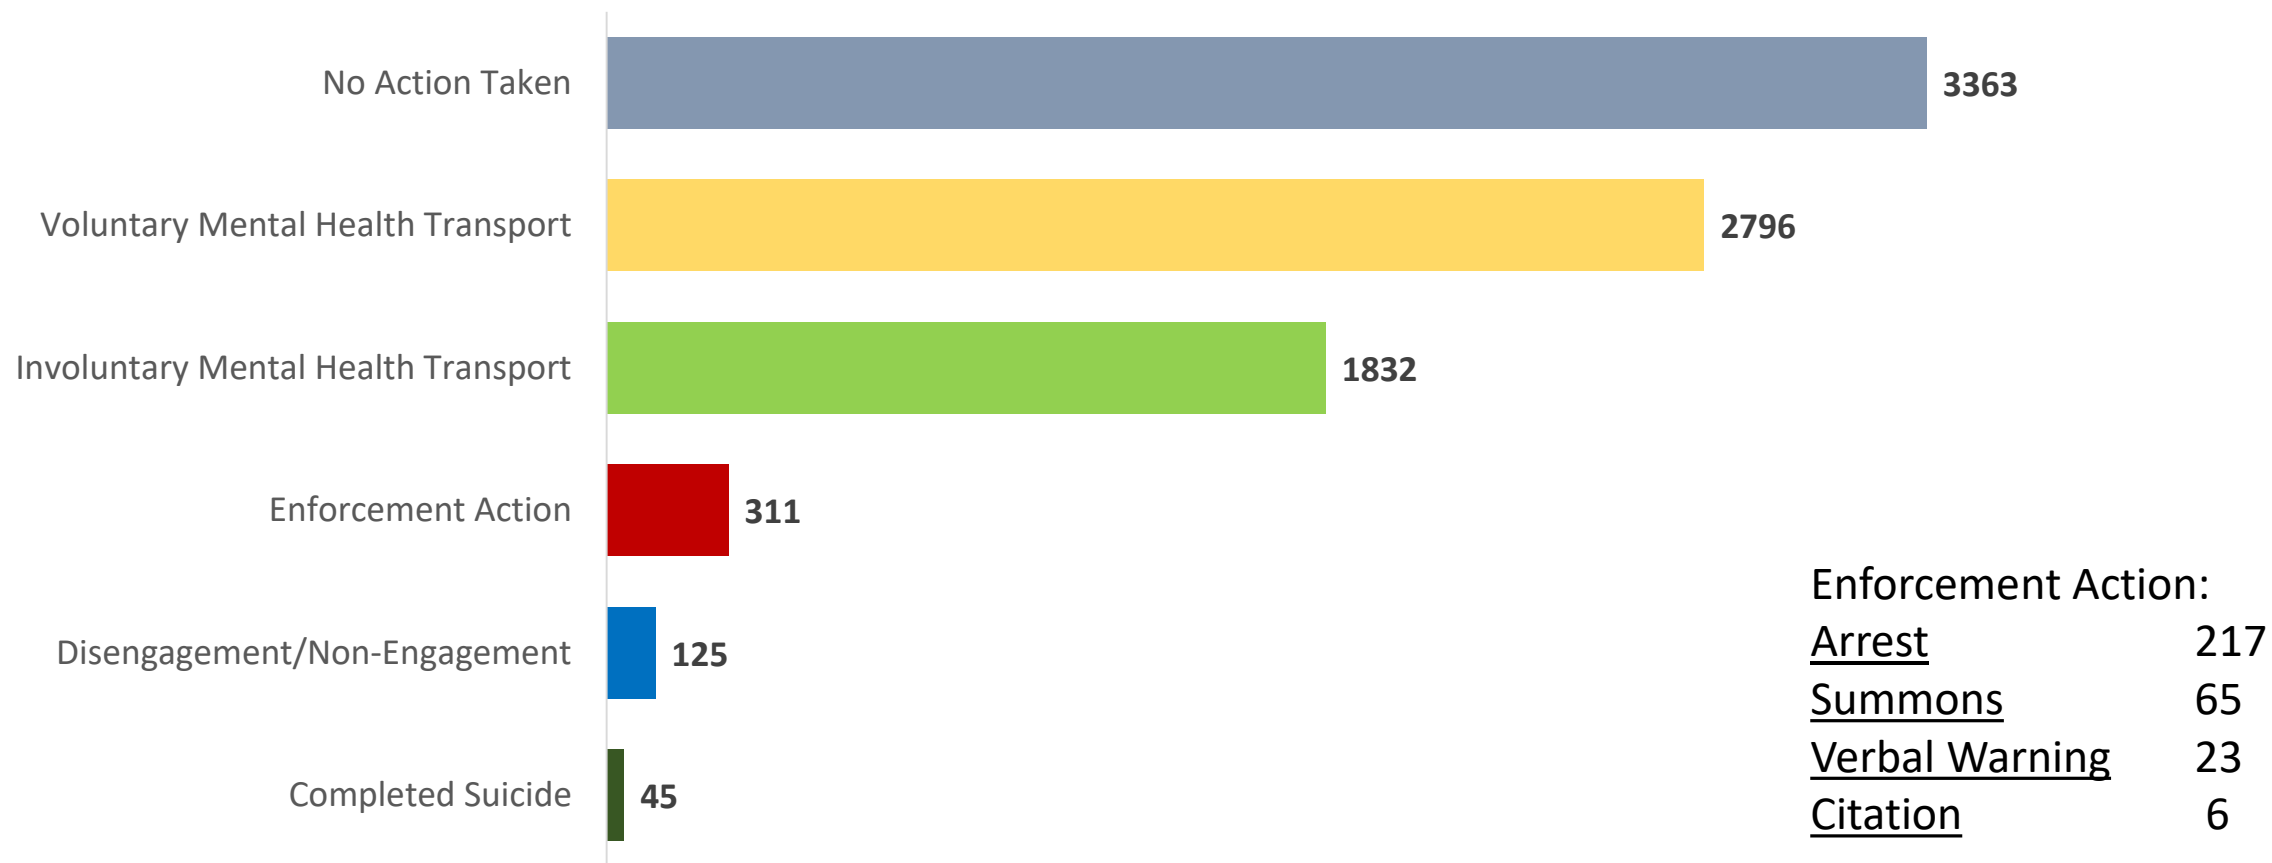

Individuals with repeated CIT Encounters with APD Field Services Officers

CIT Contact Sheets 2019 FSB only, Range: 26 encounters to 1 encounter

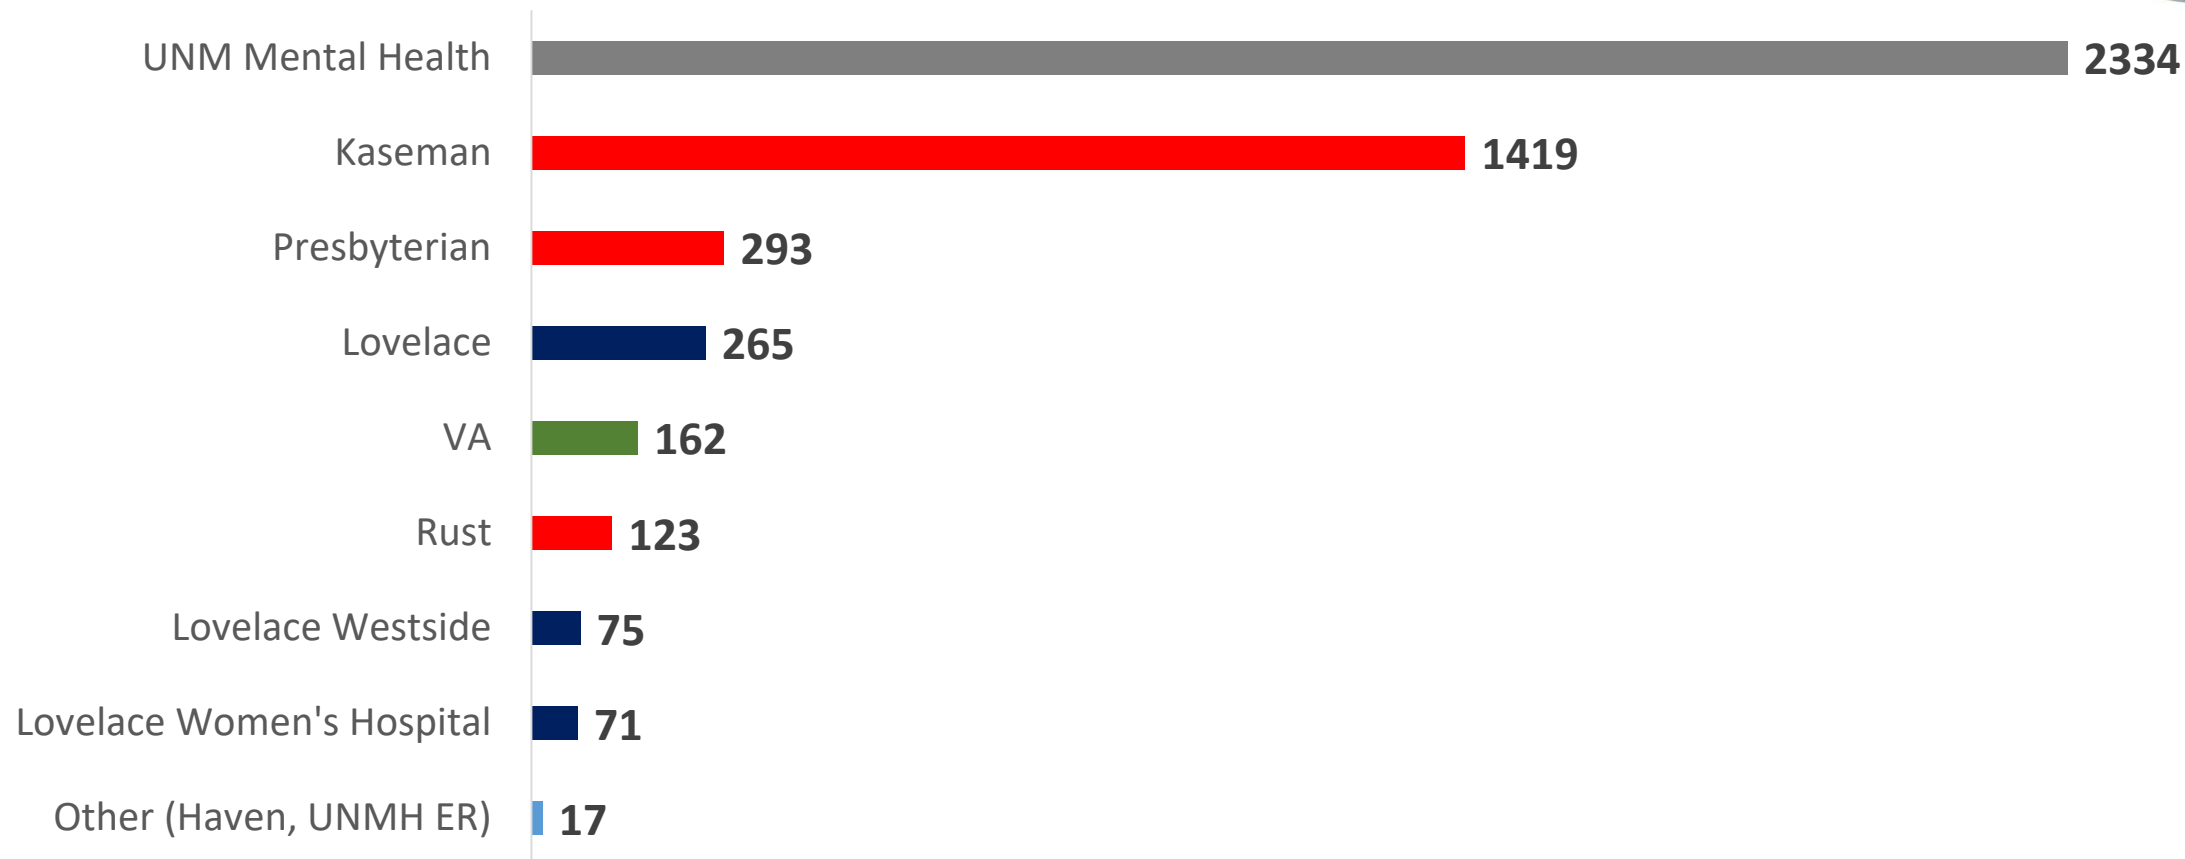

Outcomes for CIT Encounters

CIT Contact Sheets, 2019, n=8472, all sheets with outcome data provided

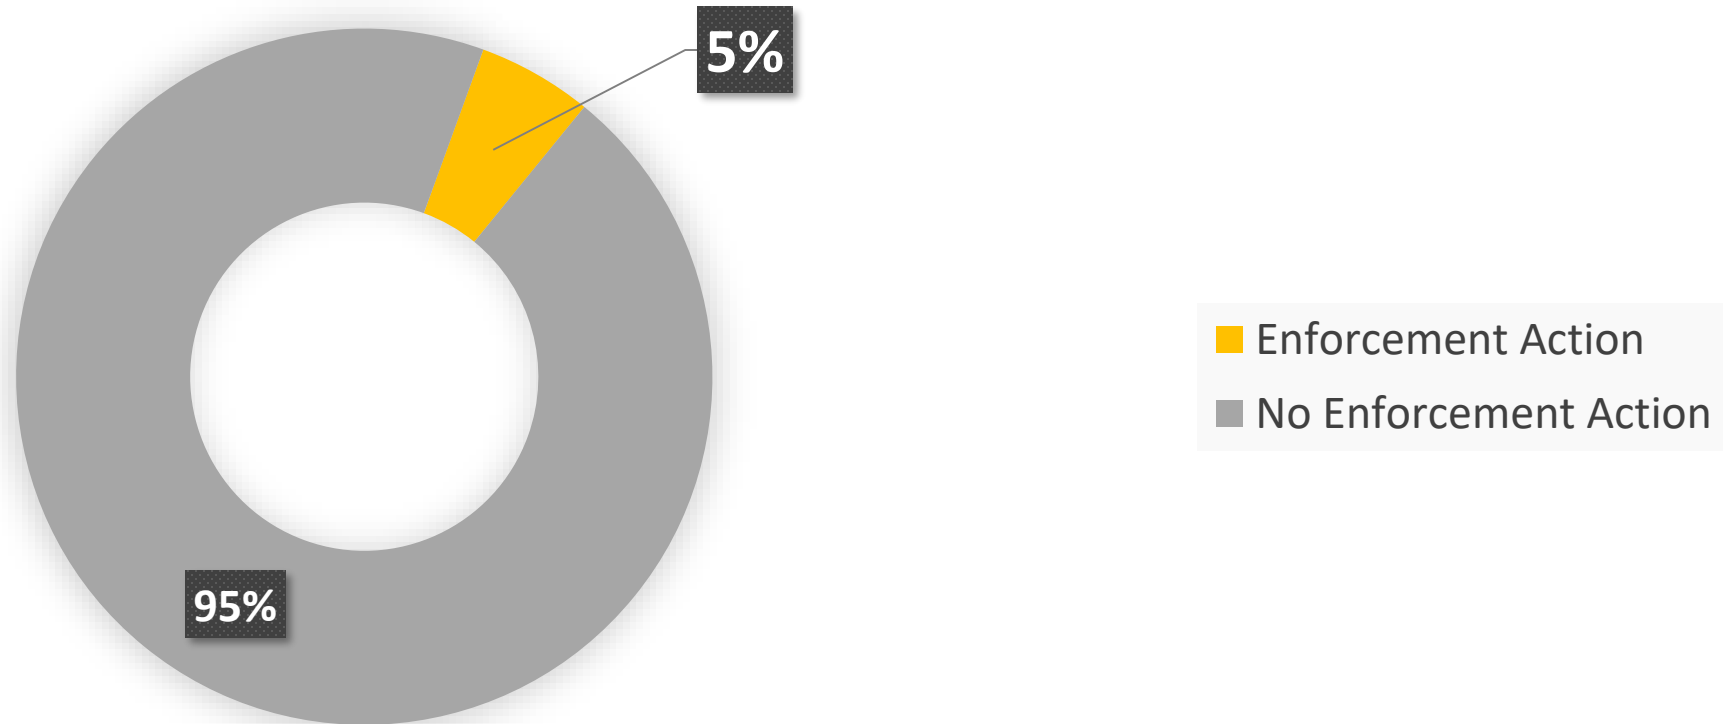

Mental Health Transport Destinations

**CIT Contact Sheets 2019, Yes answer to CIT Contact Sheet question:
Mental Health Transport?, Red = Presbyterian Network,
Blue = Lovelace Network**

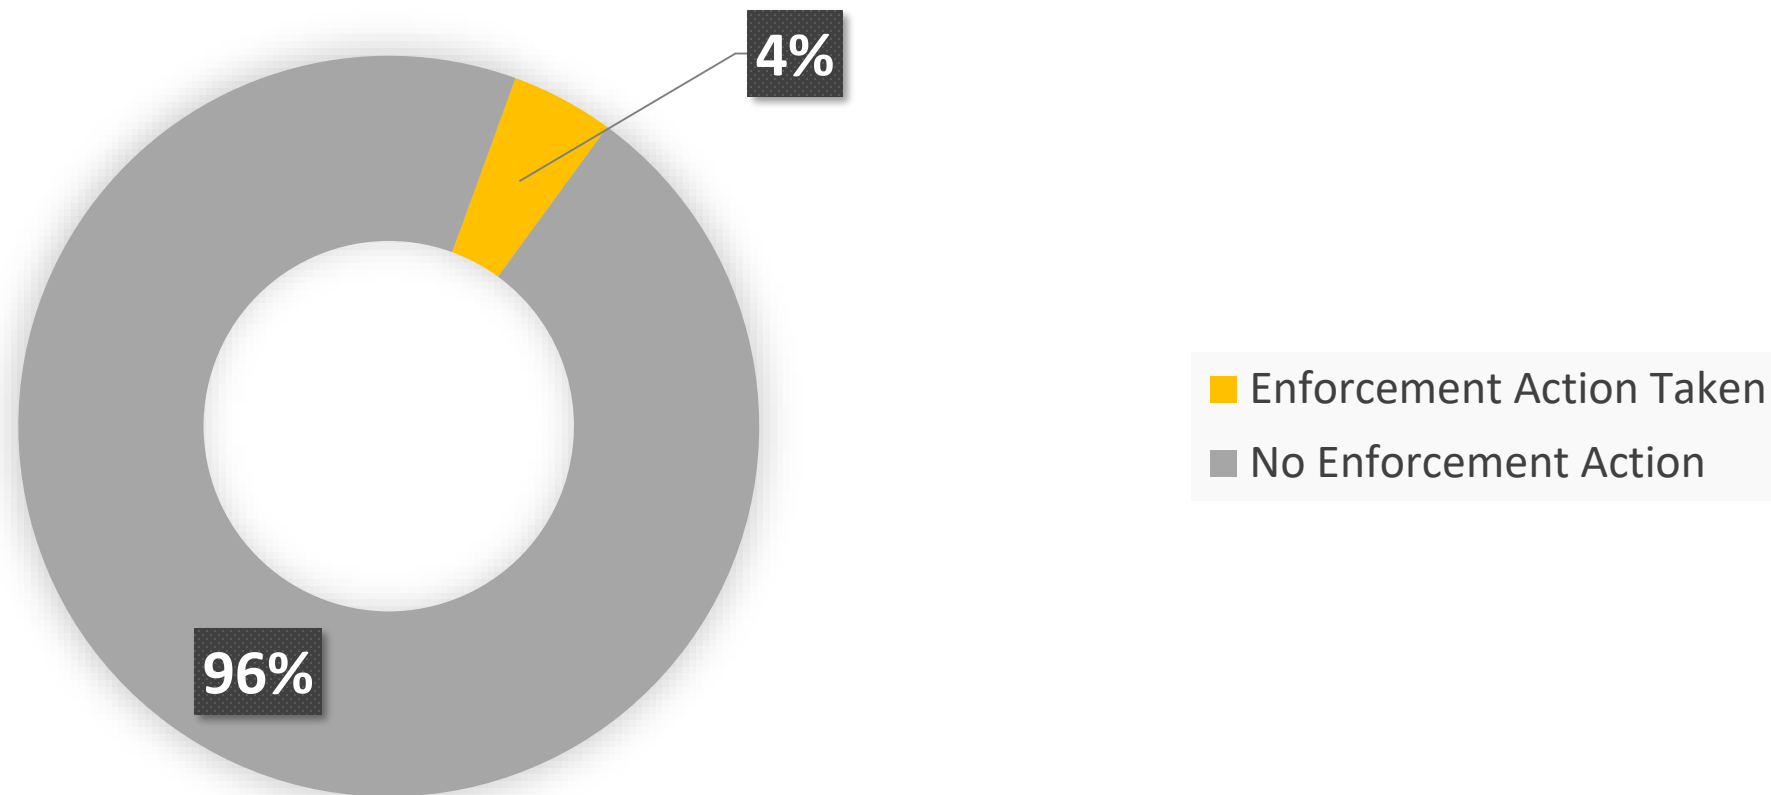

95% of CIT Encounters with Individuals Experiencing Homelessness do not lead to Enforcement Action

CIT Contact Sheets with individuals experiencing homelessness and enforcement action 2019 n= 1649
Enforcement Action = Arrest, Citation, Summons or Warning

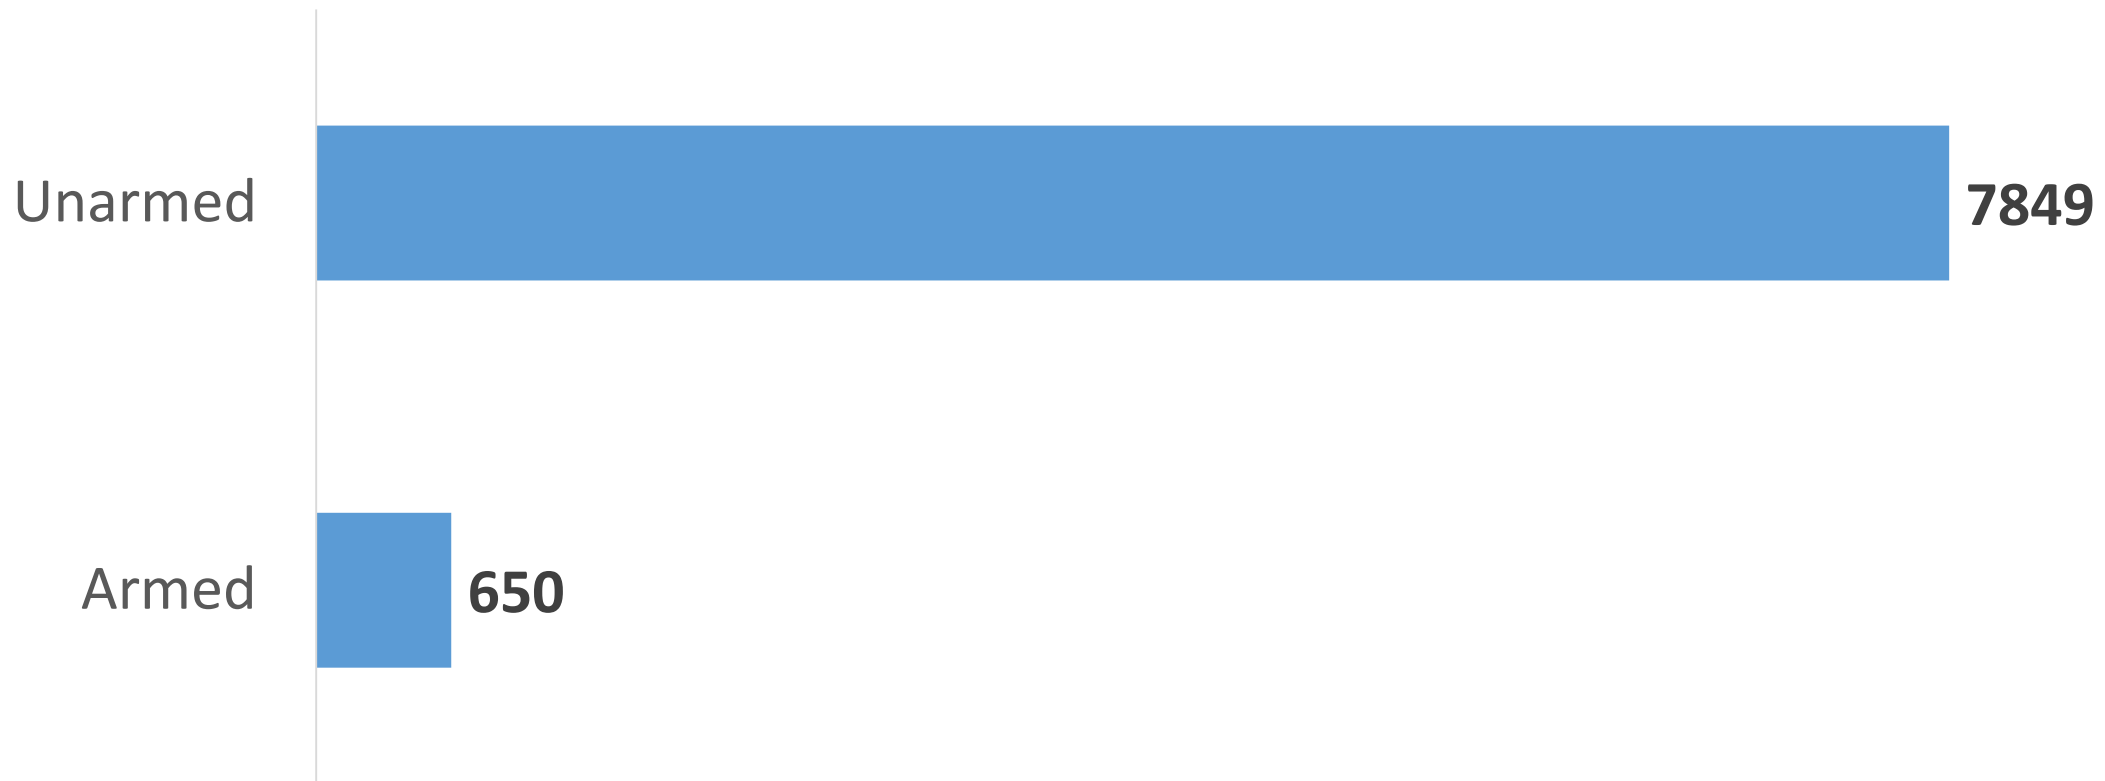

Enforcement Action, All CIT Contacts

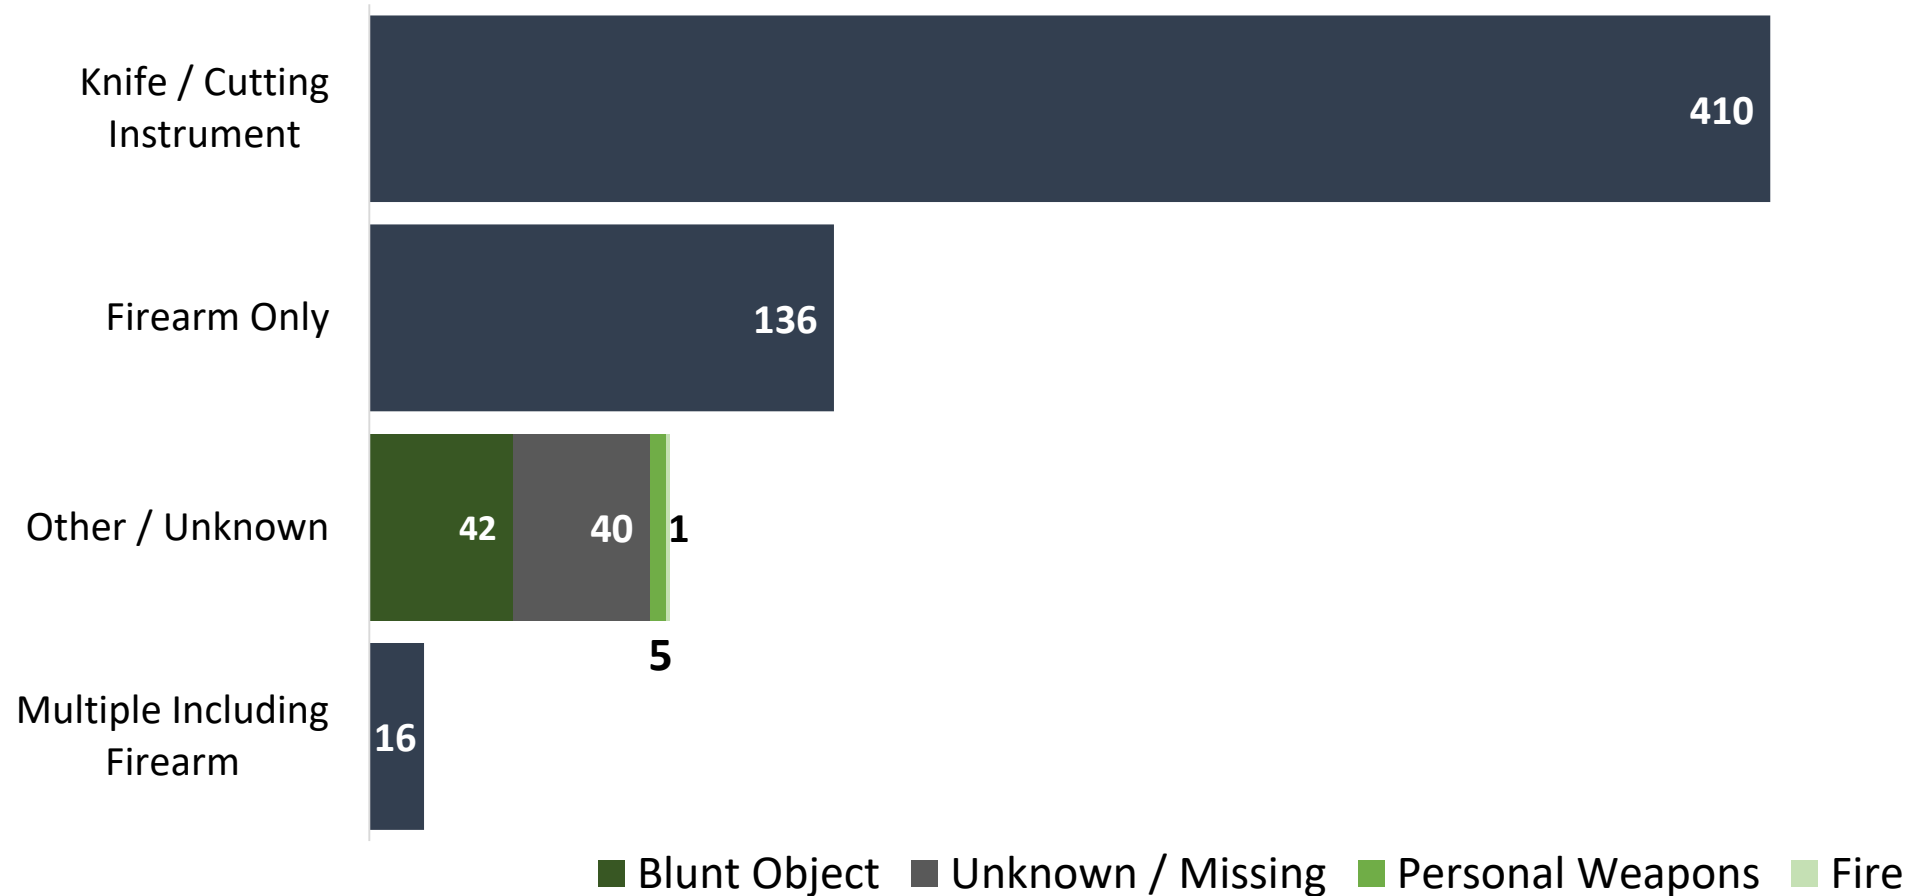

All CIT Contact Sheets with enforcement information, 2019
n = 8493

8% of Individuals were armed during CIT Encounters in 2019

CIT Contact Sheets 2019, "Was individual armed?" 16 missing data entries excluded
n=8499

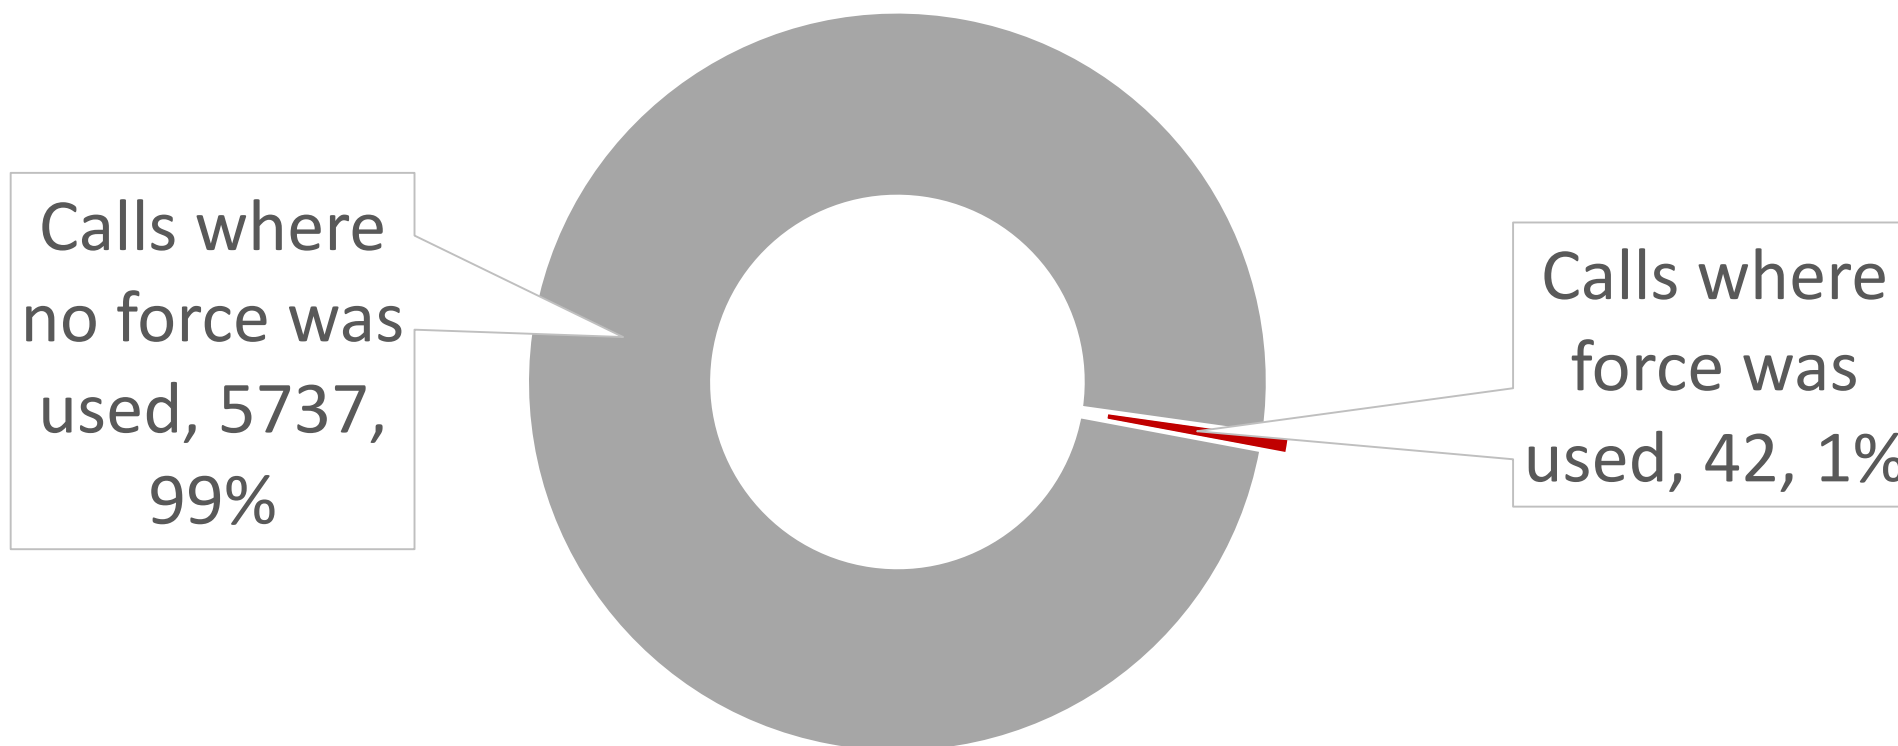

63% of individuals who were armed had a knife or cutting instrument

CIT Contact Sheets, 2019 "What was the individual armed with?" n=650

1% of Behavioral Health Calls resulted in Force Use

APD Use of Force Data, Behavioral Health CADs where an officer physically arrived. N=5779

When force was used, an ECIT officer was on scene 81% of the time

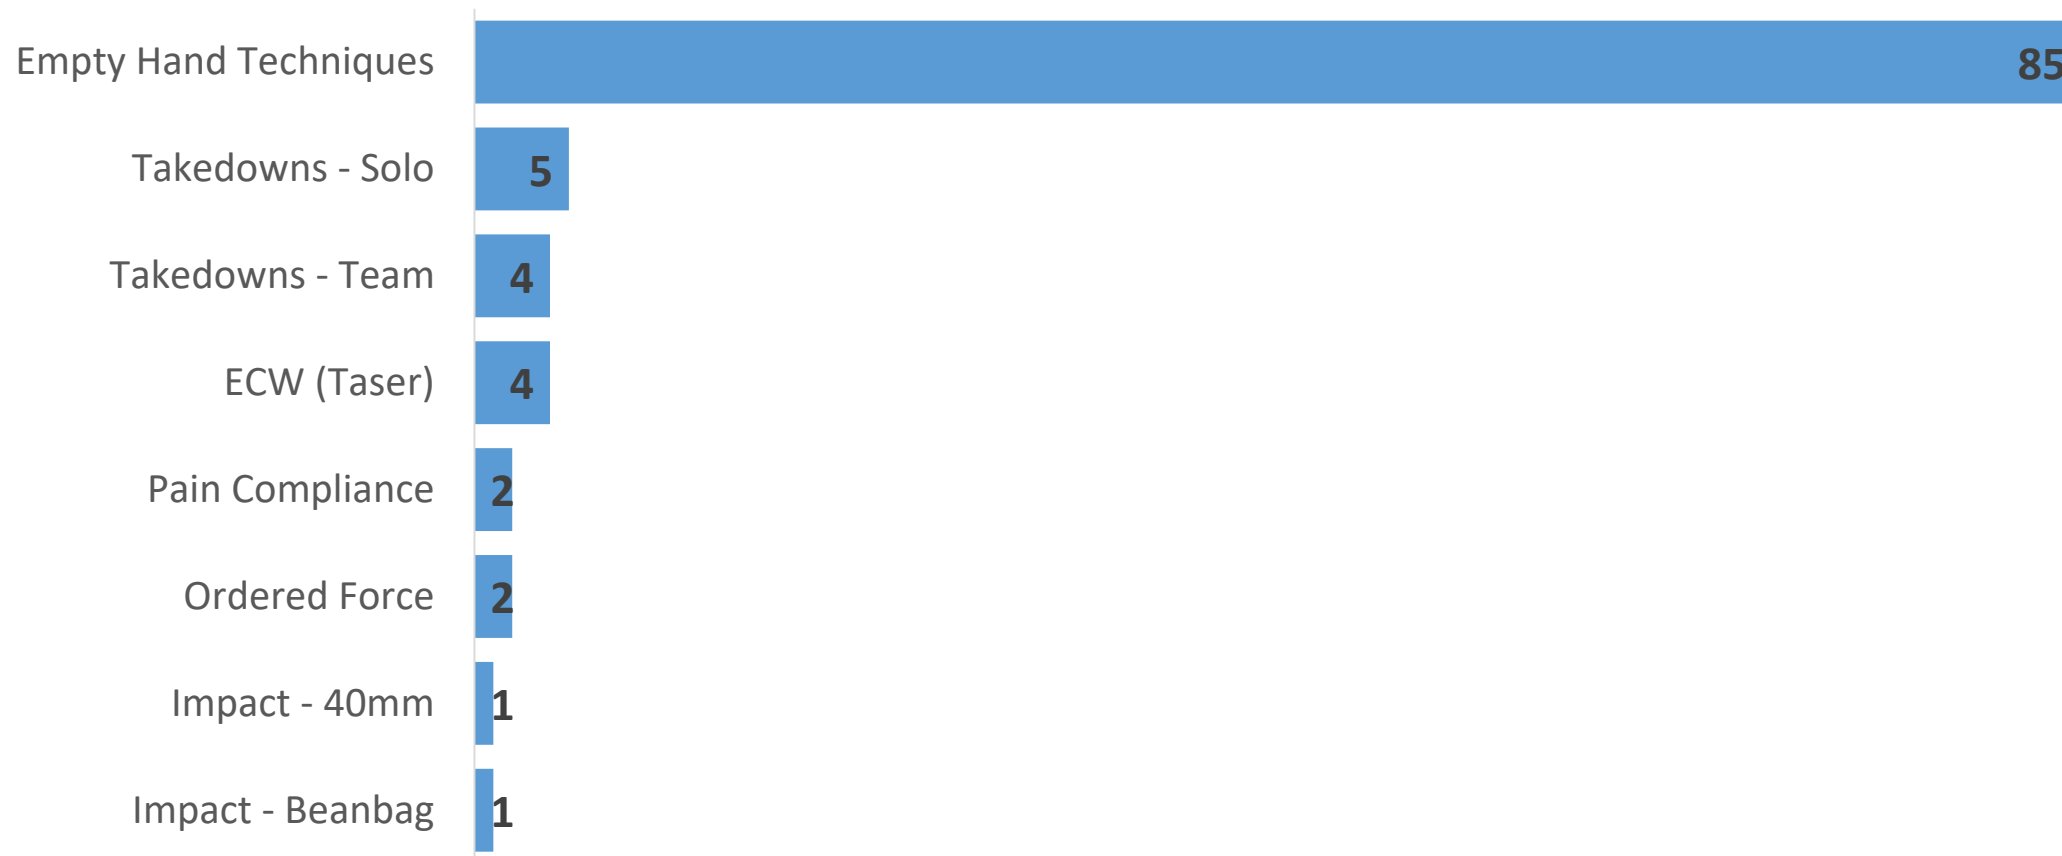

Yes, 34

No, 8

APD Use of Force Data, 42 force events on BH calls where officers physically arrived on scene, compared to certified ECIT list with date of certification

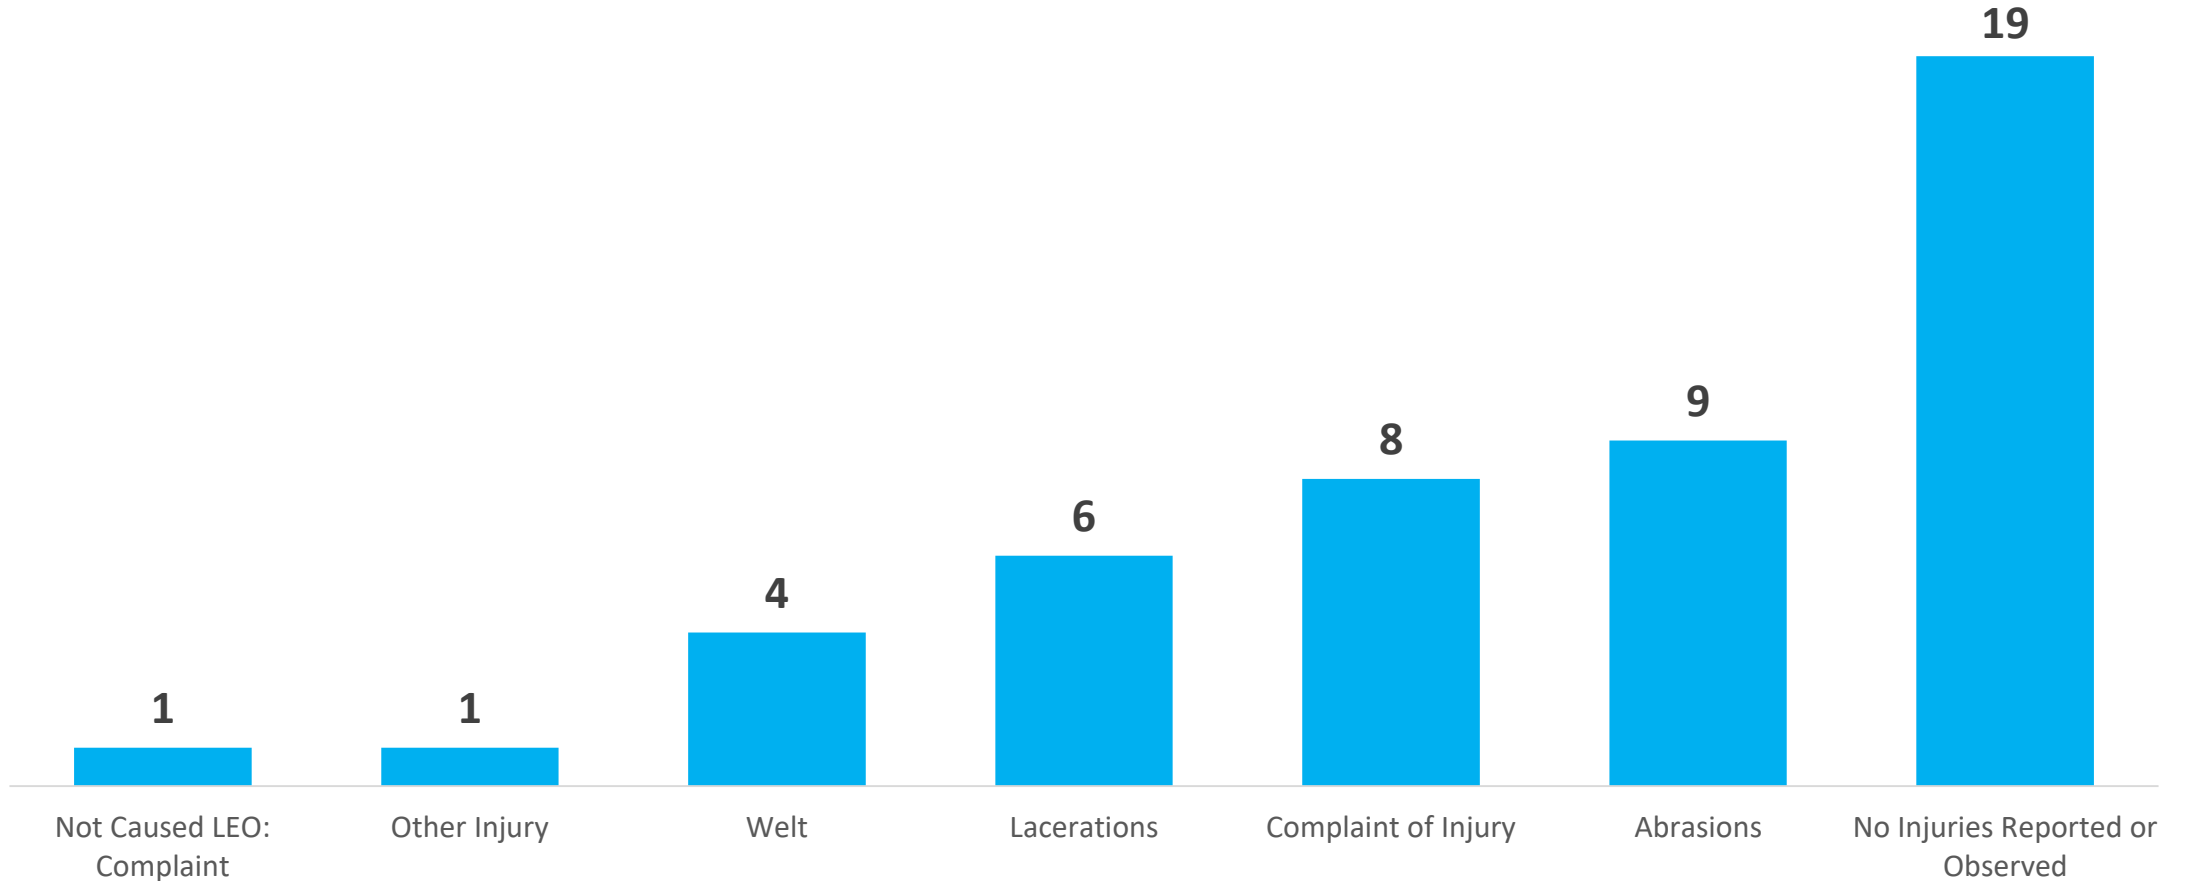

Force Types used on BH Calls

APD Use of force Data, a force event could have multiple force types used by multiple officers upon an individual or multiple individuals

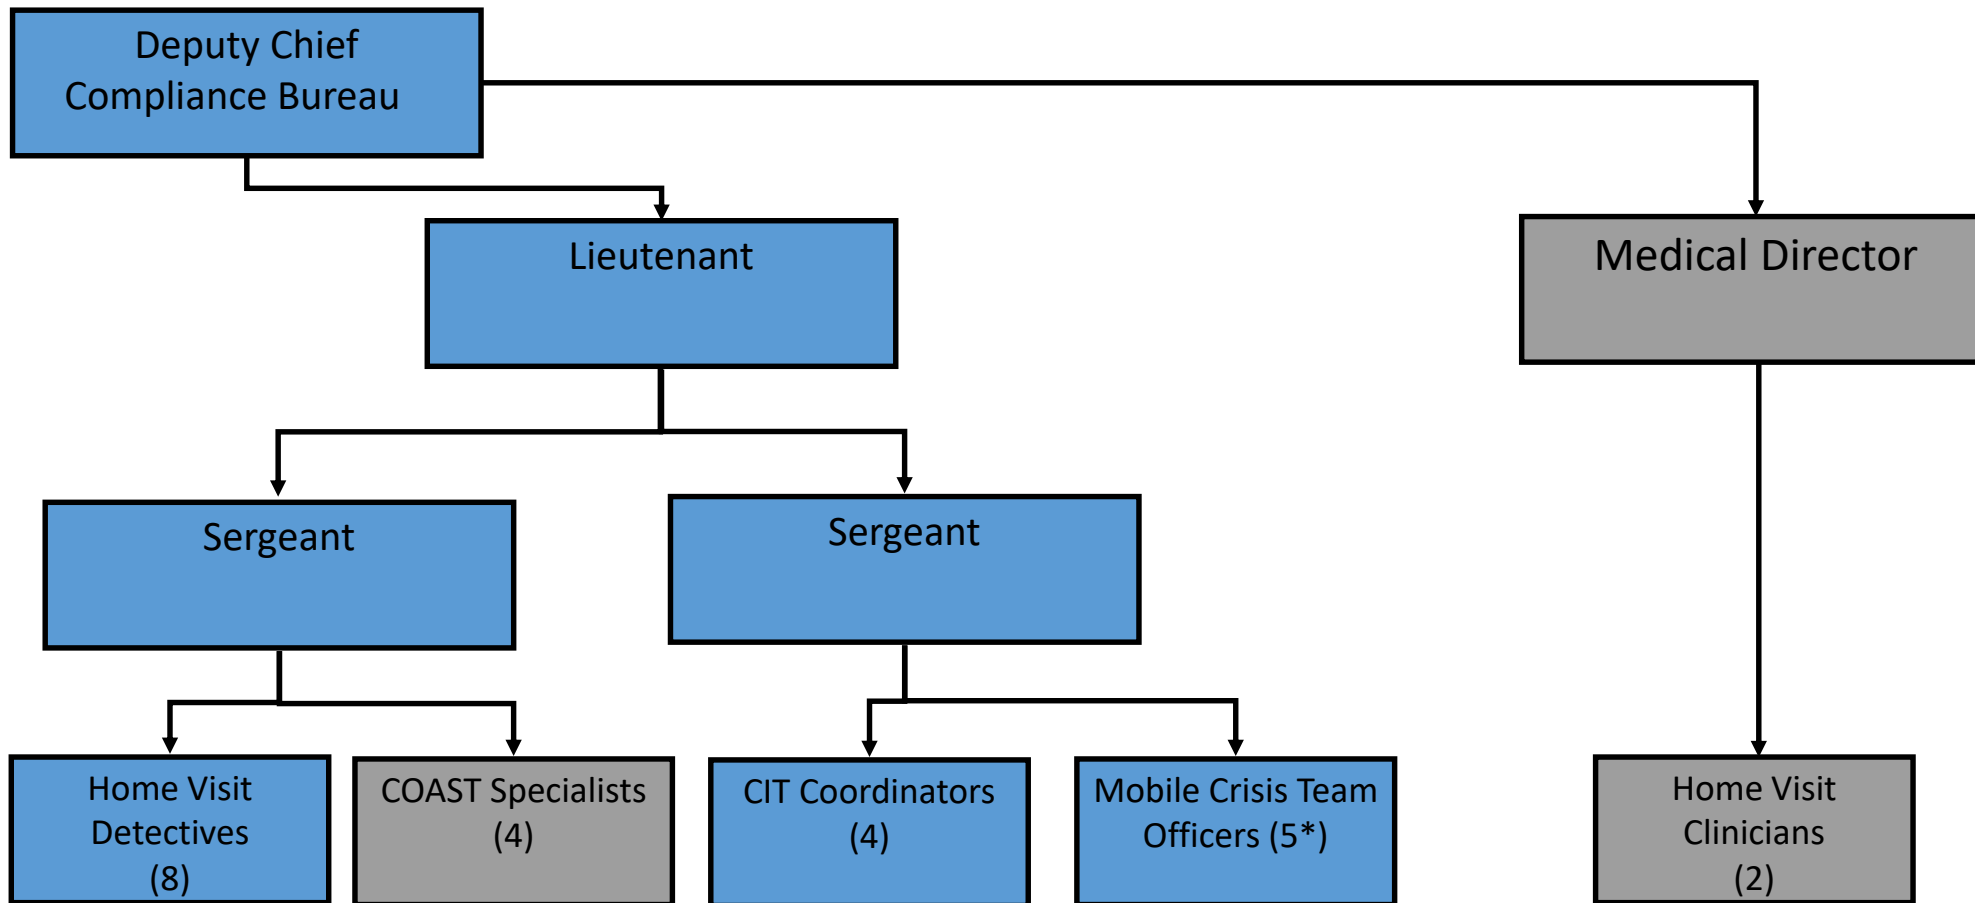

Injuries as a result of force used on Behavioral Health Calls

APD Use of Force Data, Injuries to individuals from force on behavioral health calls (42), multiple injuries could occur during a single force event, other injury = complaint of injury

Crisis Intervention Section

*Includes one MCT detective alternate, who assists with MCT coverage, training and home visits. APD has 4 full time mobile crisis teams

2019 in the Crisis Intervention Unit

- **1561** hours of instruction provided by CIT Coordinators
- **36** CIT ECHO sessions held
 - **142** officers attended from **32** agencies
- **555** cases assigned to detectives for follow up
- **937** home visits made by clinicians and detectives
- **1811** individuals assisted by COAST
- **2124** referrals from COAST to community services
