United States Department of Agriculture Rural Development

Main Street USA

Main Streets across rural America represent all that we stand for, the American spirit, American grit and determination.

With our financing programs, USDA Rural Development is at the forefront to ensure the people who live and work in rural areas have access to the same resources and services as people in urban and metropolitan areas.

We are the *only* federal agency that focuses solely on the needs of rural residents, businesses and communities.

This *Quick Program Reference Guide* was created to give you an overview of the financing programs USDA Rural Development administers for those living in rural America.
