SECTION 1. Section 7-19D-9 NMSA 1978 (being Laws 1978,
Chapter 151, Section 1, as amended) is amended to read:

"7-19D-9. MUNICIPAL GROSS RECEIPTS TAX--AUTHORITY TO IMPOSE
RATE. --

A. The majority of the members of the governing body
of any municipality may impose by ordinance an excise tax on the
gross receipts of any person engaging in business in the
municipality for the privilege of engaging in business in the
municipality. A tax imposed pursuant to this section shall be
imposed by the enactment of one or more ordinances and, on or
after July 1, 2020, may be imposed in increments of one-hundredth

1 percent or multiples thereof; provided that, if at the time of
2 enacting the increment the total municipal gross receipts tax rate
3 is not an even multiple of one-hundredth percent, the municipality
4 may impose an increment in an amount sufficient to bring the total
5 rate to an even multiple of one-hundredth percent. The governing
6 body of a municipality may, at the time of enacting the ordinance,
7 dedicate the revenue for any municipal purpose. If the governing
8 body proposes to dedicate such revenue, the ordinance and, if any
9 election is held, the ballot shall clearly state the purpose to
10 which the revenue will be dedicated, and any revenue so dedicated
11 shall be used by the municipality for that purpose unless a
12 subsequent ordinance is adopted to change the purpose to which
13 dedicated or to place the revenue in the general fund of the
14 municipality.

15 B. The tax imposed pursuant to Subsection A of this
16 section may be referred to as the "municipal gross receipts tax".

17 C. The maximum rate of the municipal gross receipts
18 tax on the gross receipts of any person engaging in business in
19 the municipality shall not exceed two and one-half percent. Of
20 that two and one-half percent:

21 (1) a governing body may choose to require an
22 election to impose increments [~~that~~] up to a total of two and
23 five-hundredths percent; [~~and~~] but

24 (2) the remaining increments, [~~totaling~~] up to a
25 total of forty-five hundredths percent, shall not go into effect

1 until after an election is held and a majority of the voters in
2 the municipality voting in the election votes in favor of the tax.
3 Increments approved by voters prior to [~~the effective date of this~~
4 ~~2019 act~~] July 1, 2019 shall be included in the increments
5 approved by the voters, as provided in this paragraph.

6 D. An election shall be called on the questions of
7 disapproval or approval of any ordinance enacted pursuant to
8 Subsection C of this section or any ordinance amending such
9 ordinance:

10 (1) if the governing body chooses to provide in
11 the ordinance that it shall not be effective until the ordinance
12 is approved by the majority of the registered voters voting on the
13 question at an election to be held pursuant to the provisions of
14 the Local Election Act; or

15 (2) if the ordinance does not contain a mandatory
16 election provision as provided in Paragraph (1) of this
17 subsection, upon the filing of a petition requesting such an
18 election if the petition is filed:

19 (a) pursuant to the requirements of a
20 referendum provision contained in a municipal home-rule charter
21 and signed by the number of registered voters in the municipality
22 equal to the number of registered voters required in its charter
23 to seek a referendum; or

24 (b) in all other municipalities, with the
25 municipal clerk within thirty days after the adoption of such

1 ordinance and the petition has been signed by a number of
2 registered voters in the municipality equal to at least five
3 percent of the number of the voters in the municipality who were
4 registered to vote in the most recent regular municipal election.

5 E. The signatures on the petition filed in accordance
6 with Subsection D of this section shall be verified by the
7 municipal clerk. If the petition is verified by the municipal
8 clerk as containing the required number of signatures of
9 registered voters, the governing body shall adopt an election
10 resolution calling for the holding of a special election on the
11 question of approving or disapproving the ordinance unless the
12 ordinance is repealed before the adoption of the election
13 resolution. An election held pursuant to Subparagraph (a) or (b)
14 of Paragraph (2) of Subsection D of this section shall be called,
15 conducted and canvassed as provided in the Local Election Act, and
16 the election shall be held within seventy-five days after the date
17 the petition is verified by the municipal clerk or it may be held
18 in conjunction with a regular local election if such election
19 occurs within seventy-five days after the date of verification by
20 the municipal clerk.

21 F. If at an election called pursuant to Subsection D
22 of this section a majority of the registered voters voting on the
23 question approves the ordinance imposing the tax, the ordinance
24 shall become effective in accordance with the provisions of the
25 Municipal Local Option Gross Receipts Taxes Act. If at such an

1 election a majority of the registered voters voting on the
2 question disapproves the ordinance, the ordinance imposing the tax
3 shall be deemed repealed and the question of imposing any
4 increment of the municipal gross receipts tax authorized in this
5 section shall not be considered again by the governing body for a
6 period of one year from the date of the election.

7 G. Any law that imposes or authorizes the imposition
8 of a municipal gross receipts tax or that affects the municipal
9 gross receipts tax, or any law supplemental thereto or otherwise
10 appertaining thereto, shall not be repealed or amended or
11 otherwise directly or indirectly modified in such a manner as to
12 impair adversely any outstanding revenue bonds that may be secured
13 by a pledge of such municipal gross receipts tax unless such
14 outstanding revenue bonds have been discharged in full or
15 provision has been fully made therefor.

16 H. Rates imposed under, and having met the
17 requirements of, Sections 7-19D-10, 7-19D-11, 7-19D-12 or 7-19D-18
18 NMSA 1978 in effect on June 30, 2019 and which were consolidated
19 with the municipal gross receipts tax by Laws 2019, Chapter 274,
20 effective July 1, 2019, are deemed to be increments of the
21 municipal gross receipts tax as of July 1, 2019 and continue in
22 force until the rate expires under the terms of the ordinance
23 which imposed the rate or the rate is repealed by the
24 municipality. Any dedication of the tax revenue in effect on the
25 effective date of this act remains in effect until changed by the

1 governing body provided that, if the dedication were approved by
2 the electorate, any change to the dedication must also be approved
3 by the electorate."
