Thank You for Investing in Teacher Residency

- **Sustained Legislative Support:** Years of investment have helped establish and expand teacher residency across New Mexico.
- **Continued Investment:** Grateful for the LESC's $25 million budget recommendation for educator clinical practice in FY28.
- **Long-Term Commitment:** Moving toward recurring funding to sustain New Mexico's residency system.

NM ALLIANCE FOR TEACHER RESIDENCIES

Broad Impact of Teacher Residency

District Partnerships: Stronger connections between educator preparation programs and schools

Statewide EPP Collaboration: Regular coordination, shared learning, and problem-solving

Improved Teacher Preparation: Comprehensive practice and preparation standards

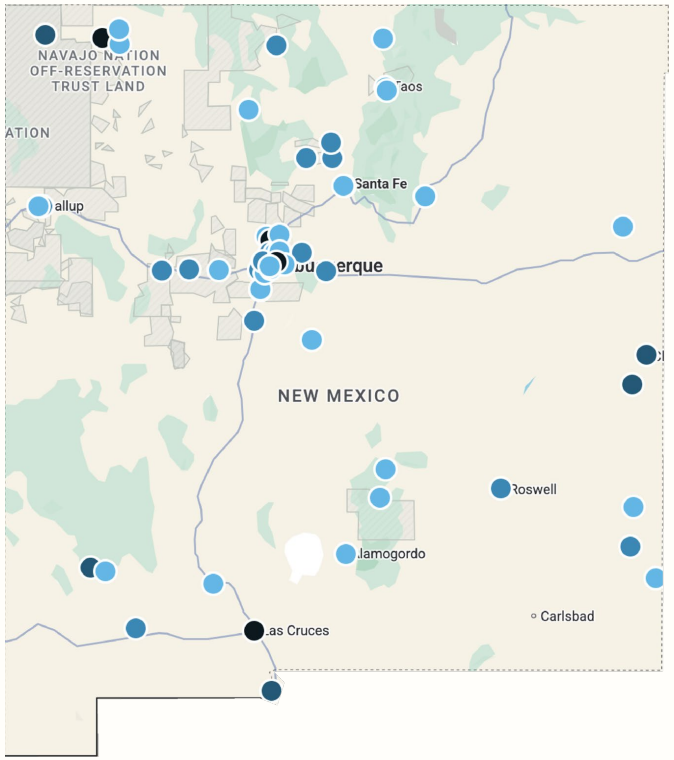

NM ALLIANCE FOR TEACHER RESIDENCIES

Putting NM on the Map

Nationally Recognized Research and Publication

- Federal EIR Grant and RCT Study
- Edited volume on residency in NM
- PED GRO Evaluation

Strengthening the Work

- **Sustain Access:** Maintain paid, yearlong residency opportunities for aspiring teachers
- **Support Program Implementation:** Invest in clinical supervision, program coordination, and mentor development
- **Strengthen Quality:** Build on partnerships and statewide collaboration
