24/7 urgent care
+ ED locations

03

Ambulatory
surgery centers

MAKING NEW MEXICO A PLACE CLINICIANS CHOOSE

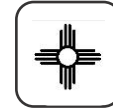

Practice

- Strong, growing medical group
- Clinical teams and technology
- Opportunities to build programs and specialties

Community

- New Mexico lifestyle and culture
- Opportunity to serve communities with significant needs
- Connections to colleagues and community

State Support

- Student loan repayment
- Universal childcare
- Free college tuition at New Mexico universities

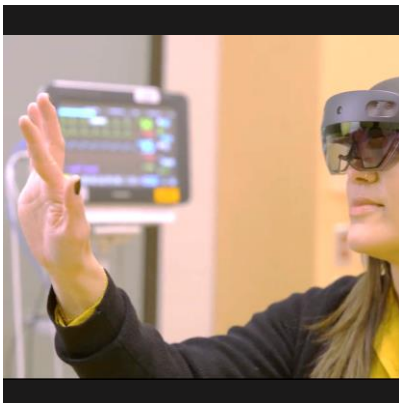

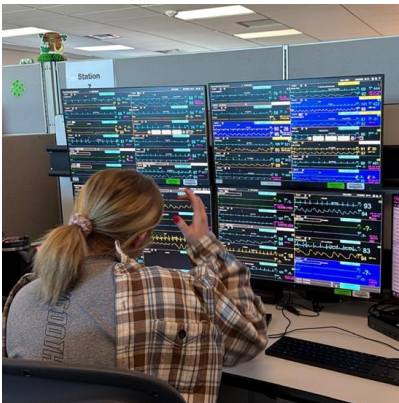

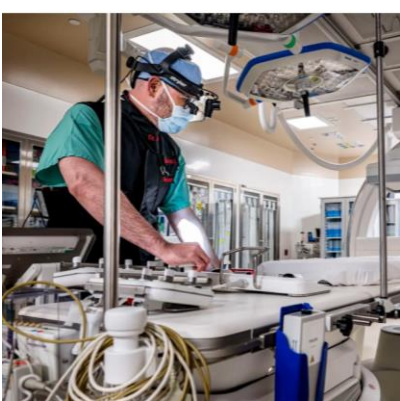

CLINICAL EXCELLENCE HELPS ATTRACT CLINICAL EXCELLENCE

Neuroscience Investments

- New neurosurgeons joining Presbyterian
- Hybrid operating room opened in October
- Neurology ICU expected February 2027
- Expanded capabilities for stroke, aneurysm and complex neurological care

BUILDING CAREERS, NOT JUST FILLING POSITIONS

02

EXPANDING ACCESS TO QUALITY CARE

EXPANDING ACCESS WHERE PATIENTS NEED IT

PMG at Montgomery

PMG Dermatology

TURNING A MOMENT OF CRISIS INTO A CONNECTION TO CARE

QUALITY IMPROVEMENT CREATES A STRONGER SYSTEM

03

INVESTING IN RURAL HEALTH

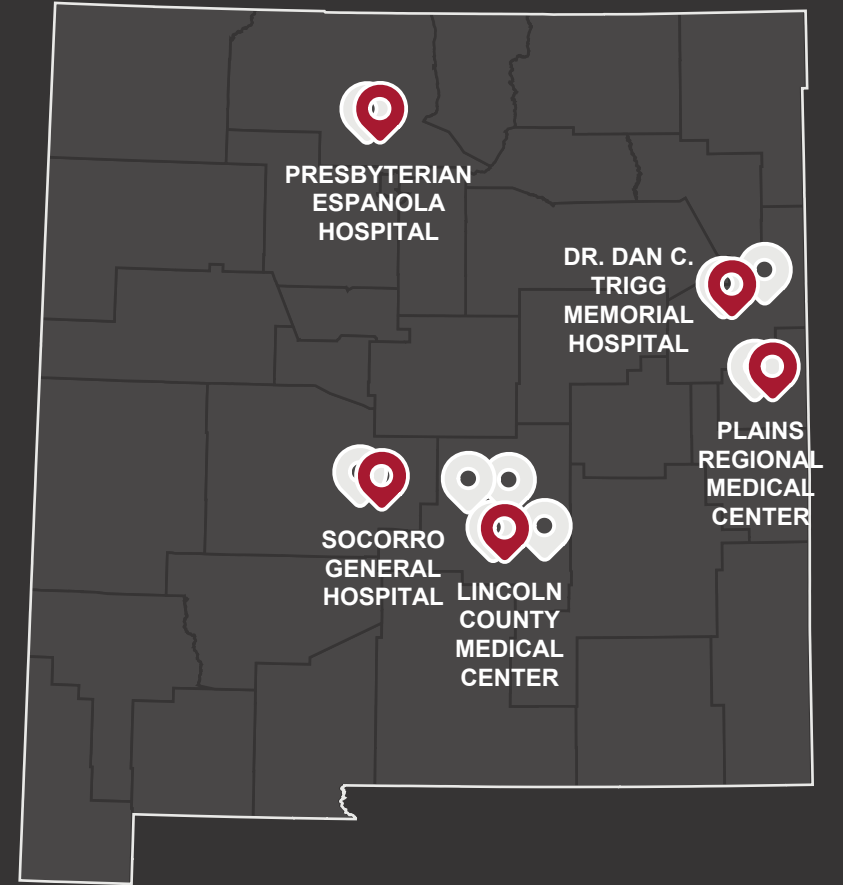

SERVING OUR RURAL AND FRONTIER COMMUNITIES
