

## **Behavioral Health Parity**

Senator Martin Hickey, M.D.

Robert Schwartz, Professor Emeritus, University of New Mexico School of Law

- The societal cost of inadequate behavioral health/substance use policy
- Revisiting behavioral health, chemical dependency and gambling addiction exclusions in New Mexico State ACA Parity Law (2019 House Bill 436, page 45)
- Making sense of the patchwork of federal mental health parity laws and New Mexico's obligations for enforcement
- Medicare, Medicaid and self-insured and fully insured plan obligations to assure parity; and competitive licensed professional provider payments at all levels
- Building the New Mexico Quilt
- Questions and discussion
