Colonias Infrastructure Act

- A rural community with a population of 25,000 or less located within 150 miles of the United States-Mexico border that:
 - Has been designated a Colonia by the municipality due to:
 - Lack of potable water;
 - Lack of adequate sewage systems;
 - lack of decent, safe and sanitary housing;
 - Has been in existence as a Colonia prior to November 1990;
 - Colonia communities must provide documentation to the Colonias Infrastructure Board that supports the designation by the municipality or county.
- There are 171 Colonias within NM's 12 southern-most counties
- The Act allows funding to be used for a variety of infrastructure projects:
 - Water
 - Wastewater
 - Solid Waste Disposal
 - Road
 - Housing
 - Flood Control

Broad Project Eligibility

- Eligible Project
 - “a capital outlay project selected by the board for financial assistance that is primarily to develop colonias infrastructure, and may include a water system, a wastewater system, solid waste disposal facilities, floor and drainage control, roads and housing infrastructure, but does not include general operation and maintenance, equipment, housing allowance payments or mortgage subsidies.”

- Eligible Applicant
 - “a county, municipality or other entity recognized as a political subdivision of the state.”

Board Operates with Rules and Policies

- Board policies and rules established through a transparent and public process
- Rules address
 - Application Process
 - Request of Reconsideration of Board action
 - Interaction with NM Finance Authority Board
- All other aspects of project prioritization and funding are set in policy
- Policies provide that awards be provided as 90% grant / 10% loan. Loans have a term of 20 years and are made at a 0% interest.

Funding

- Funding Timeline ensures efficient use of funds
 - Clients provided four months from approval of award to submit readiness to proceed items
 - Clients provided two years to draw funds
 - Loan repayments begin after project is complete
