

New Mexico Environment Department

2023 Water Data Initiative (WDI) Plan
John Rhoderick, Director-Water Protection Division
October 3, 2023

New Mexico Environment Department

Our mission is to protect and restore the environment and to foster a healthy and prosperous New Mexico for present and future generations. We implement our mission guided by four tenets:

Science

Innovation

Collaboration

Compliance

Water Data Act Goals - Update

- ❑ Maintain agency internal and external communications about water data.
- ❑ Implement a plan for engaging in the Water Data Act.
- ❑ Build digital data availability and integration using modern web services and documentation.

NMED Specific Goals

- ❑ 1. Acquire and implement new databases.
- ❑ 2. Complete process to upload SDWIS and Drinking Water Watch information.
- ❑ 3. Continue work on water data features to share via API.
- ❑ 4. Include new data features on current web mapping services.

Where are we headed now?

- ❑ 1. Acquire and implement new databases.
- ❑ 2. Complete process to upload SDWIS and Drinking Water Watch information.
- ❑ 3. Continue work on water data features to share via API.
- ❑ 4. Include new data features on current web mapping services.
