

Jackie Kerby Moore

Short Bio for NM Legislature

October 2018

Jackie Kerby Moore is the Manager of Technology and Economic Development at Sandia National Laboratories. In this role she leverages the people, technologies, and facilities at Sandia to create jobs. Programs that Jackie leads for Sandia include the Sandia Science & Technology Park, New Mexico Small Business Assistance, and Entrepreneur Separation to Transfer Technology. Recently, she led the opening of Sandia's new office space in downtown Albuquerque, the Center for Collaboration and Commercialization (C3).

Jackie is active in economic development throughout New Mexico. She currently serves on the Board of Directors for Arrowhead Center at New Mexico State University as well as the Board of Directors for the Santa Fe Business Incubator.

Nationally, Jackie is active on the Board of Directors for the Federal Laboratory Consortium and the Past President's Advisory Council for the Association of University Research Parks.
