1 for a period of one year after approval of the initial

3 cause shown grants disability retirement for a longer period of
4 time. ~~[After approval]~~ Payment shall be effective commencing
5 the first of the month following ~~[submission]~~ approval of the
6 initial application and termination of employment.

7 E. At the end of the first year that a disability
8 retirement pension is paid, the disability retired member's
9 condition shall be reevaluated to determine eligibility for
10 continuation of payment of a disability retirement pension. If
11 the disability retired member has applied for disability
12 benefits under the federal social security program, the member
13 shall submit copies of the member's application. The
14 association shall continue payment of the state disability
15 retirement pension if the disability retired member presents a

18 based on the same conditions as presented in the application
19 for a state disability retirement pension, for federal
20 disability benefits.

21 F. If the disability retired member applied for
22 federal disability benefits within thirty days of receiving

1 that the disability retired member has received a state

6 disability review committee finds that the disability retired
7 member is capable of any gainful employment.

8 G. The disability retired member shall notify the
9 association of the federal social security administration's
10 final determination within fifteen working days of the date of
11 issuance of the final written determination. If the federal
12 social security administration denies federal disability
13 benefits, the state disability retirement pension shall be
14 discontinued effective the first of the month following the
15 month in which the written final determination of the federal
16 social security administration was issued. If the federal
17 social security administration grants federal disability
18 benefits, the state disability retirement pension shall be
19 continued so long as the disability retired member provides
20 annually, on or before the anniversary date of commencement of
21 payment of the state disability retirement pension, written
22 evidence of continuation of payment of federal disability
23 benefits. If the disability review committee has denied
24 continuation of payment of a state disability retirement
25 pension and the disability retired member is later granted

.232419.1

underscoring material = new
~~[bracketed material] = delete~~

1 federal disability benefits, the state disability retirement
2 pension shall be reinstated effective the first of the month
3 following the month in which the state disability retirement
4 pension was discontinued.

5 H. If, at the time of reevaluation under Subsection
6 E of this section, the disability retired member has applied
7 for and has qualified for federal disability benefits, but for
8 a different condition than was reviewed by the disability
9 review committee, the disability review committee shall review
10 the disability retired member's condition as described by the
11 application for federal disability benefits. The process set
12 forth in Subsection I of this section shall be followed to
13 determine whether payment of a state disability retirement
14 pension should be continued.

15 I. If the disability retired member is not eligible
16 to apply for federal disability benefits or is not a member of
17 the federal social security program, the disability review
18 committee annually shall determine eligibility for continuation
19 of payment of a state disability retirement pension. To make
20 its determination of continued entitlement, the disability
21 review committee shall use the guidelines established by the
22 federal social security administration for determination of
23 eligibility for federal disability benefits. The determination
24 shall be based on:

25 (1) the medical and all other information

.232419.1

underscored material = new
[bracketed material] = delete

1 provided by the disability retired member;

2 (2) at least one independent medical or other
3 examination performed at the association's expense if required
4 by the disability review committee; and

5 (3) any medical, vocational or other
6 information related to the disability compiled during the
7 period of disability by any medical or other practitioner
8 consulted by the disability retired member regarding the
9 disability [~~which~~] that was not paid for by the association.

10 J. Each disability retired member annually shall
11 submit to the association, prior to July 1, a statement of
12 earnings from gainful employment during the preceding calendar
13 year. The statement of earnings shall be in the form
14 prescribed by the association. Payment of the state disability
15 retirement pension shall be discontinued if the amount of
16 earnings from gainful employment is one hundred percent or more
17 of the amount that causes a decrease or suspension of an old
18 age benefit under the federal social security program [~~or~~
19 ~~fifteen thousand dollars (\$15,000), whichever is less~~].

20 Payment of the state disability retirement pension shall be
21 discontinued starting with the month of July if the statement
22 of earnings is not received by the association prior to July 1.

23 K. Upon prior approval by the association, a
24 disability retired member may return to employment with an
25 affiliated public employer or other employer for a trial period

.232419.1

underscoring material = new
~~[bracketed material] = delete~~

1 not to exceed one hundred twenty calendar days without becoming
2 a member or causing suspension or discontinuation of payment of
3 a state disability retirement pension. If the trial period of
4 employment is successfully completed, payment of the disability
5 retirement pension shall be discontinued beginning the first of
6 the month following the one hundred twentieth day of the trial
7 period of employment. Trial periods of employment shall be
8 limited to two in any five-year period following disability
9 retirement.

10 L. If the disability retired member meets the
11 minimum age and service credit requirements for normal
12 retirement while receiving a disability retirement pension, the
13 disability retirement pension shall be reclassified by the
14 association as a normal retirement pension, and no further
15 determinations of eligibility for continuation of payment of
16 the disability retirement pension shall be made. Upon
17 reclassification as a normal retirement pension, all the
18 provisions of the Public Employees Retirement Act regarding
19 normal retirement shall be applicable.

20 M. If the disability review committee found the
21 disability to be the natural and proximate result of causes
22 arising solely and exclusively out of and in the course of the
23 member's employment with an affiliated public employer, service
24 credit shall continue to accrue during the disability
25 retirement period as though the disability retired member was

.232419.1

underscored material = new
~~[bracketed material] = delete~~

1 actively employed.

2 N. The amount of a disability retirement pension
3 shall be calculated according to the provisions of the coverage
4 plan applicable to the member at the time of application,
5 except that the service credit requirement shall be waived and
6 the actual amount of service credit shall be used instead. If
7 the disability is the natural and proximate result of causes
8 arising solely and exclusively out of and in the course of the
9 member's performance of duty for an affiliated public employer,
10 the amount of disability retirement pension shall be calculated
11 according to the provisions of the coverage plan applicable to
12 the member, imputing the amount of service credit necessary to
13 meet the minimum service credit requirements for normal
14 retirement.

15 O. For the purposes of this section, the following
16 definitions apply:

17 (1) "continued employment with the affiliated
18 public employer" means the ability of the member to fulfill the
19 required duties of the position in which the member was last
20 employed by an affiliated public employer;

21 (2) "gainful employment" means remunerative
