The Cost of Detention

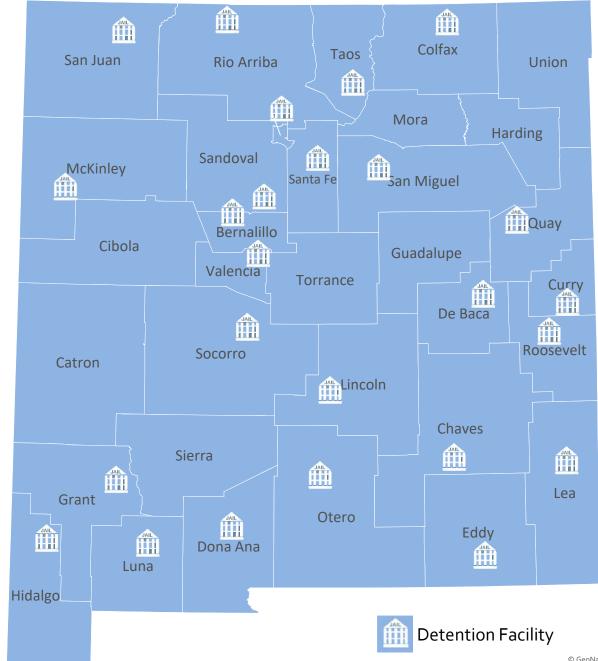

Fund Creation

- The County Detention Reimbursement Fund was created in 2007 with a \$5 million appropriation following litigation between the counties and state. It diminished to less than \$2.5 million over the next decade.
- The Legislature restored it to the 2007 amount of \$5 million in 2022 but the five-year average cost to house New Mexico Corrections Department inmates has been calculated by the New Mexico Sentencing Commission to be \$8.2 million.
- During the 2025 Legislative Session the legislature only appropriated 4.7M
