

Change the First Five Years, Change Everything.

Community Partnership for Children (CPC) Goals

- ◆ Advocate for implementing quality standards that address the nutritional, social, emotional and educational well-being of young children and their families.
- ◆ Increase awareness within the community of the positive impact of quality, early learning on young children.
- ◆ Create additional options for connecting early care and education within the many programs and agencies serving young children and families in the community of Grant County.
- ◆ Encourage and support the professionals in agencies, programs and in the field of early childhood services who are working with young children and their families in the community of Grant County.

A not-for-profit organization that promotes excellence in the care and development of young children. We work toward the early investment in children to ensure that they will learn and thrive in school, the workforce and life to position Grant County's children and the entire community for success.
