A photograph of a person standing on a bridge or overpass, arms raised in celebration. The scene is set against a clear blue sky with a few wispy clouds. The bridge has metal railings and several orange and white traffic cones are placed along its edge. In the background, there are rolling hills and a few tall light poles. The entire image is framed by a white, hand-drawn style border. The text 'THANK YOU' is written in large, bold, white capital letters across the center of the image, with a white horizontal line underneath it.

**THANK YOU**
