

About Us

A MISSION-DRIVEN NONPROFIT

Headquartered in Nashville, TN, Dava Health is committed to delivering sustainable, high-quality healthcare solutions to underserved rural communities—ensuring access, dignity, and better outcomes where it's needed most.

Our Impact

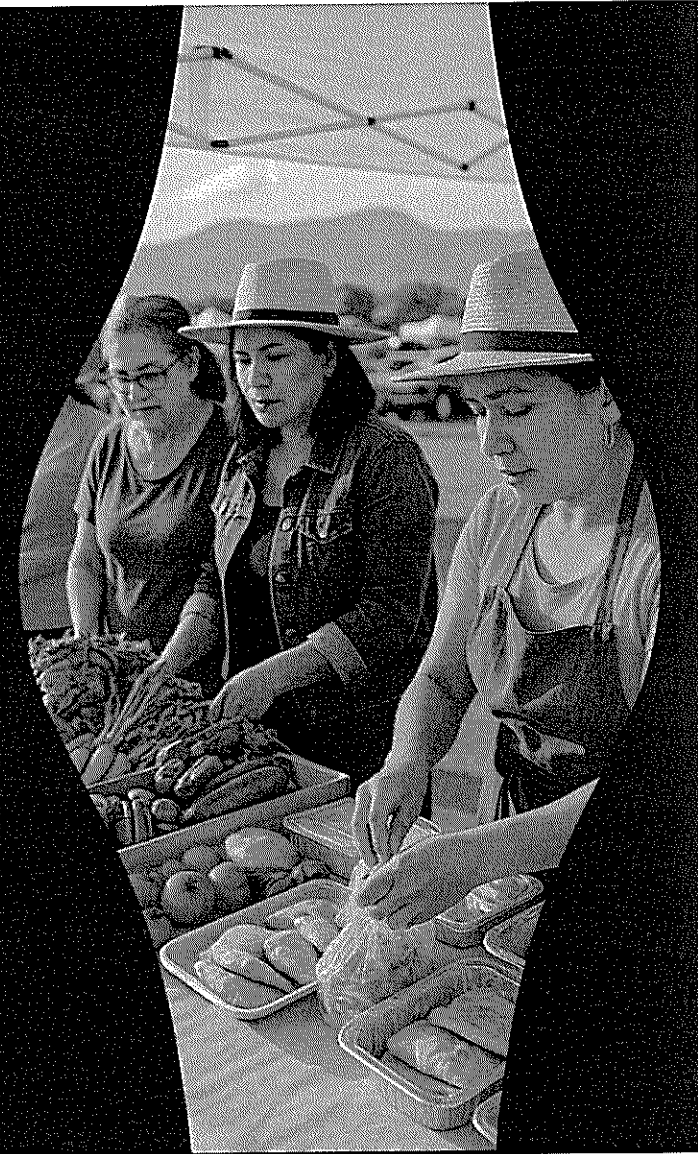

WE'RE STRIVING TO SAVE RURAL HEALTHCARE

We are dedicated to bridging healthcare disparities in remote and underserved areas—where timely emergency and preventive care can mean the difference between

life and death.

By keeping rural hospitals operational, we safeguard not only access to essential medical services, but also the local jobs and economic stability that rural communities rely on.

Why Java Medical Group?

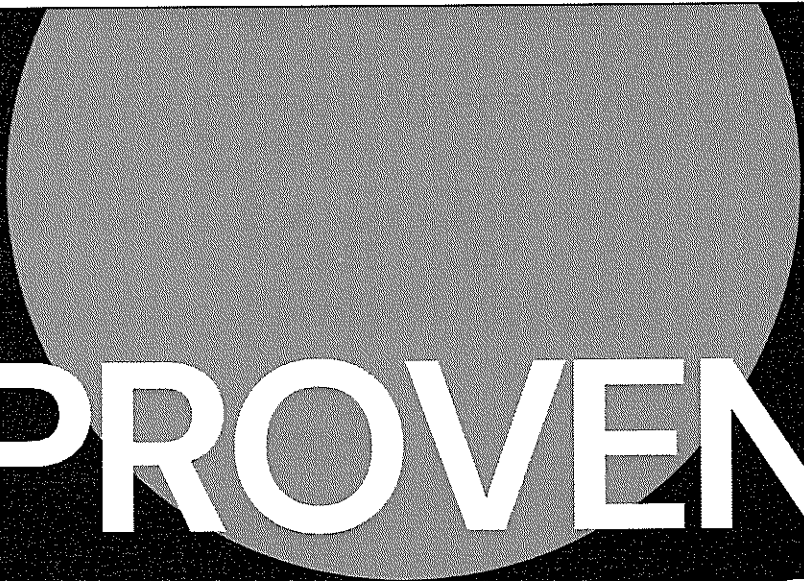

Comprehensive Support

Full-service hospital management—including financial, operational, clinical, compliance, and staffing solutions.

Proven Results

A strong track record of turning around struggling hospitals and restoring community trust.
