

New Mexico Coalition of Sexual Assault Programs, Inc.

www.nmcsap.org

The road forward for sexual assault survivors in New Mexico in the coming fiscal year:

- Develop services for sexual assault survivors from underserved populations by providing training, technical assistance, and services development.
\$500,000 in funds in the next fiscal year
- Develop additional sexual assault services for Native American sexual assault survivors provided by and for Native Americans (request made in collaboration with and with permission from the Coalition to Stop Violence Against Native Women & Children).
\$500,000 in funds in the next fiscal year
- Mandate increased training for physicians and other health care professionals on child sexual abuse, to improve the recognition of and response to child sexual abuse, to protect our children in New Mexico.
