On behalf of the Administrative Office of the District Attorneys and the New Mexico District Attorneys' Association, thank you for all the help and support you have given us in the past. As citizen Legislators and budget analysts, your sacrifice and service to New Mexico are greatly appreciated.

In light of the recent worldwide events and the economic challenges that we all face in the coming months, it is with great respect that we present for your consideration, our unified budget priorities for the FY 22 budget request.

The priority of the Administrative Office of the District Attorneys and all District Attorneys' Offices, is to obtain an overall budget that's consistent with our original FY 21 general fund operating budgets, and only including the one percent compensation amounts appropriated during the 2020 1st Special Session. Budgets at this level would allow us to most effectively carry out our missions of prosecuting crime and keeping the citizens of New Mexico as safe as possible. The amounts below are each agency's FY 21 general fund operating budget, as originally passed in Laws of 2020, Chapter 83, Section 4, plus one percent compensation, as appropriated in Laws of 2020, 1st Special Session, Chapter 5.

Business Unit	Business Unit Name	FY 21 GF Operating Budget	FY21 1% Comp for employees <50k	Total FY22 GF Priority Request

We feel that this budget priority, regarding the critical issue of public safety across our state, is worthy of your serious consideration.
