

Tribal Infrastructure Fund

NMFA Oversight Committee

November 30, 2020

Eligibility

- Federally recognized Indian nation, tribe or pueblo located wholly or partially in New Mexico or any of its governmental entities or subdivisions is eligible to apply for funding

Tribal Infrastructure Fund Requirements

- Submit a Tribal Infrastructure Fund Application through the TIF Portal
- Must have a state Infrastructure Capital Improvement Plan (ICIP) number in order to apply for TIF funding
- You can upload supporting documents with application in TIF Portal

Qualified Projects

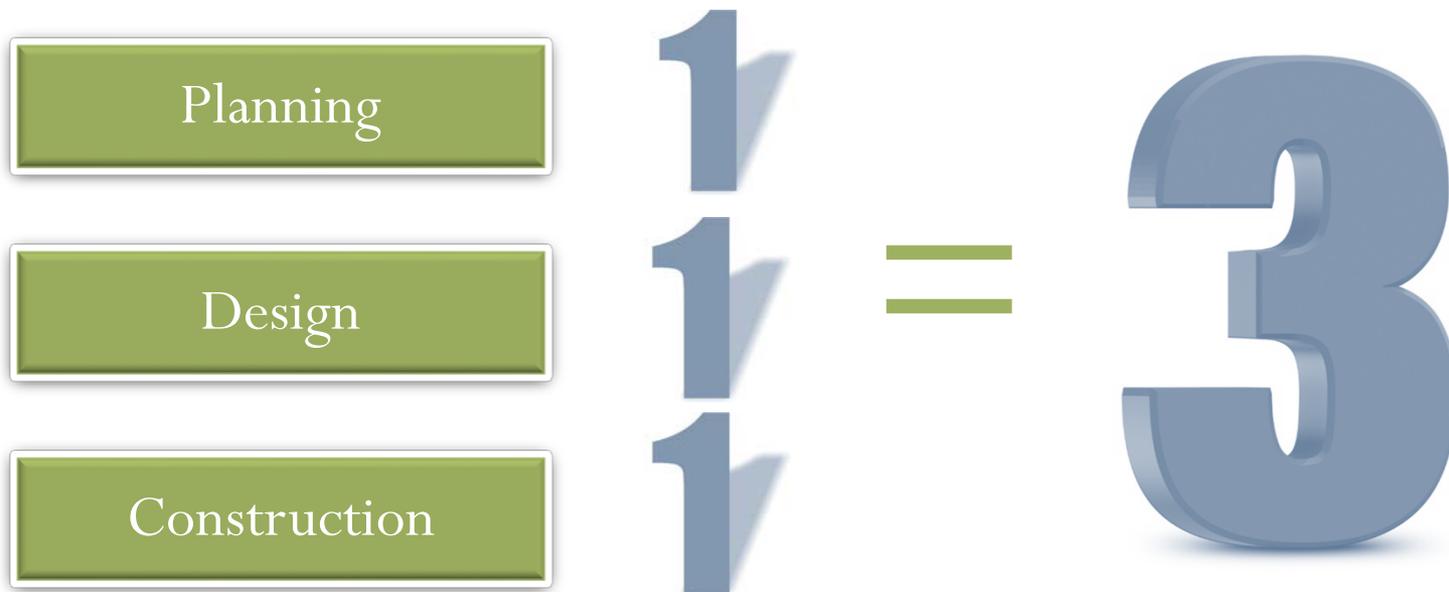

- *Planning, designing, constructing, improving, expanding or equipping:*
 - *Water/wastewater facilities*
 - *Major water systems*
 - *Electrical power lines*
 - *Communications*
 - *Roads*
 - *Health infrastructure*
 - *Emergency response*
 - *Infrastructure needed to encourage economic growth*

Project Prioritization

- Emphasis is on addressing specific health, safety, welfare or economic development needs
- Projects are ready to proceed (shovel ready) within the time allotted for the grant
- Demonstrated past timely expenditure and compliance with requirements for grant funding
- Supported by a high percentage of funds or in-kind contribution in relation to the amount of the TIF Funding

One Project Per Category

- Each eligible entity is limited to applying for one project within each project category in a funding cycle

Funding Caps

Project Category	Amount
Planning	No Cap
Design	No Cap
Construction	15% of the total TIF allocation available

Example: If total TIF allocation is \$10 million, construction request cannot exceed 15%
(\$10 million x 15% = \$1,500,000)

Performance Period

- **Planning** projects must be completed within **24 months** from the date of the **execution** of the Intergovernmental Agreement (IGA)
- **Design and Construction** projects must be completed within **36 months** from the date of the **execution** of the Intergovernmental Agreement (IGA)
- **Extension Request** must be made 60 days before date of expiration to the TIF Board in writing

Declaration

TIF APPLICATION PORTAL

Declaration	Tribe & Project Info	Critical Need	Project Readiness	Capacity	Leveraging	Supporting Documents, Submit
-------------	----------------------	---------------	-------------------	----------	------------	------------------------------

I declare that we are federally recognized Indian nation, tribe, pueblo, or in the case of the Navajo Nation, a chapter. Check box if applicable.

I declare that the proposed project we are seeking funding for is fully endorsed and supported by the tribal leadership as a current critical infrastructure need and is included in the 2020-2024 ICIP. Check box if applicable.

I declare that we are able to receive and administer TIF grant funds should the project be funded. Check box if applicable.

I, the undersigned, declare that I am authorized to represent the tribe for which the funding application is being submitted. Check box if applicable.

There are a total of 30 points available for this section.

Describe in detail all of the components of the project that you have already completed. This may include (but is not limited to) the following (as applicable):

Select all components of the project that have already been completed.

- Planning
- Land approval
- Surveys, studies, and clearances
- Engineering design

Planning: Community input, coordination and collaboration, feasibility studies, preliminary engineering reports, conceptual designs, financial and business feasibility studies

Land Approval: Boundary surveys of required land (for easements, rights of way, or new facilities), documented tribal approval for the land use, documented approval from government agencies for the land use OR state that the project renovates or rehabilitates an existing facility

Surveys, Studies, and Clearances: Topographic surveys, geotechnical studies and reports, environmental studies/reports/clearances, cultural resources studies/reports/ clearances, Clean Water Act and other permits, utility assessments (for new buildings), other necessary permits and licenses

Engineering design: State the percentage of completeness

Construction: Describe any aspects or phases of construction which are already complete

Project Readiness (cont'd)

Detailed budget showing project costs: (Note that expected sources of revenue are described in the budget provided for the "leveraging" question, and should not be included here):

a. Provide a detailed budget that reflects all of the components described in question 2, as well as associated costs such as construction management and project management:

Please enter each project component separately. After entering project component and dollar amount, click the "Add to Budget Table" button below.

i. Enter a project component (e.g. environmental study, archaeological study, land surveying, land acquisition, etc.):

ii. Enter the budget amount:

Add to Budget Table

Project Component	Budget	Delete
		
Total Budget:	\$0.00	

b. State who developed the detailed budget:

c. Briefly describe the qualifications of the person or entity that developed the detailed budget:

Capacity

TIF APPLICATION PORTAL

Declaration	Tribe & Project Info	Critical Need	Project Readiness	Capacity	Leveraging	Supporting Documents/ Submit
-------------	----------------------	---------------	-------------------	----------	------------	--

There are a total of 25 points available for this section.
The applicant has demonstrated timely expenditure and compliance with requirements for grant funding.
Please upload, as supporting documentation, the latest CPMS reports for your active TIF projects.

No file chosen 20MB limit

Check box if the tribe does not have any active TIF projects.

Additional expenditure and compliance documentation will be provided to the Project Review Committee by IAD.

For cash match:

a. State each:

i. Sources of the cash match (250 characters): 250 remaining

Please enter each funding source separately. After selecting a funding source from the dropdown, enter the date, and a dollar amount. Then click the "Add to Funding Table" button.

ii. Select a funding source from the dropdown below.

▼

iii. The date the funds were or will be secured:

iv. The dollar amount:

Add to Funding Table

Fund Source	Fund Amount	Date Secured	Delete
NMFA LGPF	\$50,000	1/24/2018	
Total Amount:		\$50,000	

b. Enter the total of all sources of cash match:

50000.00

c. Percentage of cash match compared to the overall cost of the project (total cash match / overall project cost):

52.65%

Leveraging

For in-kind support:

a. Describe each:

i. Source of in-kind support in detail (e.g., staff time for project management, staff time for grant administration, land):

afdasdf

ii. The detailed method by which the dollar amount of this in-kind support was calculated (e.g., 40 hours at \$15/hr = \$600):

sgfsdg

b. Enter the total value of all sources of in-kind support:

23444.00

c. Percentage of in-kind support compared to the overall cost of the project (total in-kind support / overall project cost):

68.48%

Percentage cash match plus the percentage in-kind support:

136.93%
