

# Impact Aid Appropriations Update

Public School Capital Outlay Oversight Task Force

July 9, 2021

*Presenters:*

**Jonathan Chamblin, Director**

**New Mexico Public School Facilities Authority**

Partnering with New Mexico's communities to provide quality, sustainable school facilities for our students and educators.

# Agenda

- Impact Aid (HB2 2020)
- Outside of Adequacy (SB280 2019)
- Teacher Housing (SB280 -2019)
- Questions

# House Bill 2 (2020)- Impact Aid

House Bill 2 appropriation for Impact Aid, may be used in the following way;

For maintenance, repairs and other infrastructure expenditures in school districts and state-chartered charter schools that receive federal impact payments for students residing on Indian lands.

# House Bill 2 - Impact Aid

- \$18,867M in state funds for 21 eligible school districts and 2 state chartered school.
- Eligible districts/schools can request up to 3 capital expenditure projects, to the limit of the state funding available for each district/school. Additionally, district/school may choose to supplement their award with district funds.
- Funds awarded are not considered direct appropriations and will not be added to a district/school offset balance.

# Expenditures and Uses Impact Aid

- Use of these funds may include planning, procurement of services, design and construction of infrastructure, facilities, and capital expenditures.
- Unexpended funds from any district will revert to the Public School Capital Outlay Fund at the end of fiscal year 2021.
