

NMexus™ Center

Powered by Public-Private Partnership for Global Business Expansion

Why NMexus™?

Challenges Identified

- New Mexico is underrepresented in FDI
- Brain drain to states like Texas, Colorado, and California
- Misconceptions and lack of information regarding NM
- High cost of entry for foreign companies (SMEs)
- U.S. expansion model for SMEs: business development office first, then expand to manufacturing

LET'S BUILD THE FUTURE—RIGHT HERE IN NEW MEXICO.

What Is the NMexus™ Center?

Our Vision and Goals

- A purpose-built accelerator removing barriers and catalyzing job creation and innovation
- Retain NM investments in the State
- Help build generational wealth in New Mexico
- Attract \$400M+ in FDI over 5 years, creating 1,500+ jobs
- Job creation – primary selection criteria

LET'S BUILD THE FUTURE—RIGHT HERE IN NEW MEXICO.

Origin Story

Sparked by Gov. Michelle Lujan Grisham's India visit

- New Mexico Partnership – the guiding force (wind beneath our wings)
- Roundtable meetings in New Delhi, focused on Cybersecurity and Hydrogen Technologies
- Announcement: May 13th, 2025, at SelectUSA in Washington, D.C.
- Ribbon Cutting: May 19th, 2025, in Mesa del Sol, Albuquerque, NM
- Start Date: September 1st, 2025

LET'S BUILD THE FUTURE—RIGHT HERE IN NEW MEXICO.

LET'S BUILD THE FUTURE—RIGHT HERE IN NEW MEXICO.

Rural Impact

Economic Development Propagation

- Vendor and training ties: UNM, CNM, NMSU
- Rural pilot projects: Clean-tech, agri-tech, etc.
- Tribal & underserved plans underway
- Long term goals: 4 additional centers statewide planned with EB-5 investments

LET'S BUILD THE FUTURE—RIGHT HERE IN NEW MEXICO.

Closing Thoughts

How the Legislature Can Help

- Support rural expansions
- Connect to EDOs, educators, and other community stakeholders
- Back job-creation appropriations
- Shape policy: visa support, infrastructure, training grants, etc.

LET'S BUILD THE FUTURE—RIGHT HERE IN NEW MEXICO.
