

The New Mexico Small Business Development Center program provides business assistance services across New Mexico through 18 SBDC service centers, 7 Procurement Technical Assistance Program service centers, and the International Business Accelerator in Santa Teresa.

The New Mexico SBDC is funded through the US Small Business Administration and the New Mexico Higher Education Department as a line item under Santa Fe Community College.

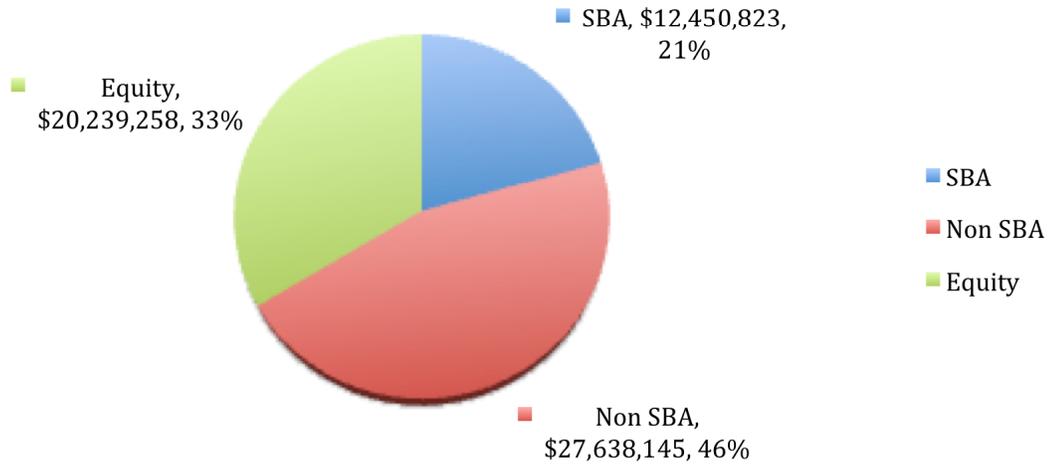

New Mexico SBDC Services

- The New Mexico SBDC develops skilled entrepreneurs and strong businesses through training and one on one business advising.
 - Direct hands on assistance is provided in:
 - Starting a new business
 - Growing an existing business
 - Saving a business
 - Obtaining financing
 - Pursuing government contract opportunities
 - Pursuing international trade opportunities
- The New Mexico SBDC is nationally accredited.
- The New Mexico SBDC economic impact is verified.

In 2016 the program assisted with the creation of 1019 new jobs and saved 576 jobs that would have been lost due to business closure.

Since 1992 the program has assisted clients with starting 9,020 new businesses, and obtaining \$804,247,915 in loans and equity.
