Tribal-State Compact?”**

# Other Gaming Activities

## Internet Gaming

In the event that internet gaming is authorized within the State, the State and the Tribe agree that they will reopen good faith negotiations to evaluate the impact, if any, of internet gaming and consider adjustments to the Compact. The Compact states that the parties understand and agree that it is not possible to determine at this time what, if any, adjustments to the Compact would be necessary.

## Electronic Pull-Tabs

The Compact allows for limited fundraising activities by non-profit tax-exempt organizations. Pull-tab dispensers are considered games of chance and allowed under the New Mexico Bingo and Raffle Act. While similar in likeness to gaming machines, electronic pull-tab dispensing machines utilize video reels as entertainment and are required to dispense predetermined pull-tab games from such machines.

## Sports Betting

Sports betting is only limited to on-site wagering only at tribal casinos chosen to open sportsbooks. Otherwise, New Mexico law has not legalized either retail or online wagering elsewhere. Currently there are only five casinos that offer sports betting. In-state college teams are excluded from being wagered on, meaning that colleges located in New Mexico cannot be bet on.

# Tribal-State Compact Annual Meeting

Tentative date of May 8, 2025

At least annually, appropriate representatives of the Tribe and one or more representatives of the Office of the Governor appointed by the Governor, one or more members of the House of Representatives appointed by the Speaker of the New Mexico House of Representatives, and one or more members of the Senate appointed by the President Pro Tempore of the New Mexico Senate, shall meet to discuss matters of mutual interest arising under the terms of this Compact and concerning Indian gaming in New Mexico. Such meeting shall be coordinated so as to involve the representatives of as many New Mexico gaming tribes as possible and shall be conducted in the context of the government-to-government relationship between the State and the Tribe.

# Our Mission

Our mission is to uphold the integrity, transparency, and fairness of gaming activities throughout the state through a combination of legal frameworks, regulations, monitoring, and enforcement measures.
