# The Center Plaza

*A Community of Learning and Professional Development*

## Social Justice Teach-Ins

Six annual statewide online events featuring national and community experts who address critical topics influencing social work practice in New Mexico. Recordings and supplemental resources are available on the Center Plaza online learning platform. This is a FREE resource for licensed social workers in New Mexico to satisfy their six required cultural CEUs for licensure renewal.

## Professional Development Workshops

The Center is committed to providing accessible and affordable ongoing learning opportunities for students, faculty, community, and practicing social workers. Trainings focus on a variety of topics that help enhance the skills and knowledge for effective practice with the populations of New Mexico. To allow for statewide participation workshops are regularly offered in a virtual format for a half or full day.
