

2012 Colonias Infrastructure Allocations (5% Statutorily Earmarked STB) - December 2012

| Entity | County | Category | Grant Amount | Balance | Project Description |
|------------------------------------|----------|-----------------------|--------------|---------|---|
| Anthony, City of | Dona Ana | Road & Flood Drainage | 100,000 | 100,000 | Fully funds plan/design phase. |
| Arenas Valley Water System | Grant | Water | 434,000 | 434,000 | For design/construct to increase capacity and eventually tie into the Silver City Regional Water Project. Fully funds design/construct. |
| Brazito MDWCA | Dona Ana | Water | 581,504 | 581,504 | For phase I construction to replace main water lines where water remains stagnate increasing risk of water contamination. Also received USDA funds to help complete project. |
| Camino Real Regional Utility Auth. | Dona Ana | Waste Water | 532,626 | 532,626 | For design of the North Waste Water Pond (Under EPA Order). BECC is co-funding project and will fully fund the construction for a total of \$8.2M once design is completed. |
| Capitan, Village of | Lincoln | Water | 639,325 | 639,325 | For design/construct to complete phase of project. Village will replace failed and ruptured 70 yr old cast iron piping that contains asbestos. Fully funds request. |
| Carrizozo, Town of | Lincoln | Water & Road | 865,968 | 865,968 | To fully fund the design/construct phases to complete road projects on multiple streets. (Other funding from NMDOT Road Fund.) |
| Catron County | Catron | Road | 779,096 | 779,096 | To fund phase 3 construction of project to eliminate uncontrolled drainage issues, sedimentation, and ponding - a very unsafe road hazard. (Other funding from NMDOT Road Fund) |
| Cloudcroft, Village of | Otero | Water | 617,185 | 617,185 | To design and replace the existing water tank that feeds the entire village. Fully funds and completes project. |
| Deming, City of | Luna | Waste Water | 547,894 | 547,894 | For design/construct to complete phase of project - city is replacing failed clay piping causing failures and backup of sewage in certain areas of the city. Fully funds request. |
| Desert Aire MDS/SWA | Dona Ana | Waste Water | 242,000 | 242,000 | |
| Desert Aire MDS/SWA | Dona Ana | Water | 114,367 | 114,367 | For design phase of the water system that supplies the residents of the Chaparral Colonia. Fully funds request. |
| Dona Ana City Flood Commission | Dona Ana | Flood | 500,000 | 500,000 | To mitigate flood dangers to the Berino residents - award completes phase 2 and final phase of construction to complete project - fully funds request. |
| Dona Ana City Flood Commission | Dona Ana | Flood | 50,000 | 50,000 | Funding recommended for the Planning (PER) of a flood control plan for the Salem Colonia |
| Dona Ana City Flood Commission | Dona Ana | Flood | 50,000 | 50,000 | Funding recommended for the Planning (PER) of a flood control plan for the Rincon Colonia |
| Dona Ana City Flood Commission | Dona Ana | Flood | 50,000 | 50,000 | Funding recommended for the Planning (PER) of a flood control plan for the Chamberino Colonia |
| Dona Ana County | Dona Ana | Road & Flood Drainage | 37,782 | 37,782 | For design phase of roads/drainage construction on Finely street within boundaries of the Chaparral Colonia. Fully funds request. |
| Dona Ana County | Dona Ana | Road & Flood Drainage | 228,531 | 228,531 | For final construction phase to complete project on Derry, Harlan, and Baker streets within the Rincon Colonia. Fully funds request. |
| Dona Ana County | Dona Ana | Road & Flood Drainage | 34,173 | 34,173 | For the design phase of roads/drainage construction on Desert Aire Drive within the boundaries of the Chaparral Colonia. Fully funds request. |
| Dona Ana County | Dona Ana | Road & Flood Drainage | 287,000 | 287,000 | To fully fund design (\$80K) and partially fund construction (\$207K) as part of a larger infrastructure water, waste water, and roads/drainage project for the Berino Colonia funded thru multiple state/federal agencies. |
| Dona Ana MDWCA | Dona Ana | Water | 357,064 | 357,064 | Construct for final phase of line extension and additional capacity for an eventual regional project that includes 4 Colonias. Co-funded for full request by DFA Colonias program. |
| Hanover MDWCA | Grant | Water | 50,000 | 50,000 | Planning (PER) part of a larger regional project. Request was for \$70K - CIF Board awarded \$50K. |

2012 Colonias Infrastructure Allocations (5% Statutorily Earmarked STB) - December 2012

| Entity | County | Category | Grant Amount | Balance | Project Description |
|------------------------------------|----------|------------------------|-------------------|-------------------|---|
| Hidalgo County | Hidalgo | Waste Water | 560,095 | 560,095 | Final construction (regional project) - award completes phase 2 and final phase of construction to complete project - fully funds request. |
| Hope, Village of | Eddy | Water | 268,000 | 268,000 | To fully fund design/construct phases to complete the project. Village water system continuously fails forcing the village to shut-off the system - pumps do not allow for adequate water delivery and capacity. |
| Hurley, Town of | Grant | Waste Water | 74,489 | 74,489 | Planning for a waste water project - town will replace clay piping and manholes that continuously fail and back-up into private residences creating a health hazard and liability. |
| Lake Arthur, Town of | Chaves | Water | 481,878 | 481,878 | For design/construct to complete phase of project. System is under NMED/EPA Order and project will bring town into compliance. Fully funds request. |
| Loving, Village of | Eddy | Water | 660,685 | 660,685 | For design/construct to complete phase of project - Village under NMED/EPA order for their discharge. Fully funds request. |
| Lower Rio Grande Reg. Water Auth. | Dona Ana | Waste Water | 1,670,257 | 1,670,257 | Removes septic systems /wetlands facility and ties into county WW System -fully funds design/construct request. |
| Luna County | Luna | Roads | 173,000 | 173,000 | Fully funds design (\$73,000) and partially funds construction (\$100,000) for Keeler Farm Road which is repairing drainage and chip seal. |
| Morningside Water Users Coop. | Eddy | Water | 406,000 | 406,000 | For the design/construct of phase 2 and final phase for the water system improvements. |
| Reserve, Village of | Catron | Waste Water & Flood | 113,400 | 113,400 | For plan and design phase of critical project. Under NMED/EPA Order treatment plant must be repaired to meet required standards and provide adequate services. Fully funds plan/design request. |
| Ruidoso Downs, City of | Lincoln | Water | 159,400 | 159,400 | For design phase - fully funds design request. |
| San Pablo MDWCA | Dona Ana | Water | 35,000 | 35,000 | For Planning (PER) - CIF Board felt \$35K was sufficient for the PER to study the current water system and possibly becoming self-sufficient instead of relying on another water system. |
| Santa Clara, Village of | Grant | Water | 70,000 | 70,000 | For the design phase (\$30,000) and installation of Hydrants (\$40,000). |
| Silver City, Town of | Grant | Water | 128,099 | 128,099 | Planning (PER) for large regional water project. This is part of a multiple towns and villages regional water project. |
| Timberon Water & Sanitation | Otero | Water | 100,000 | 100,000 | For plan and design phases for replacement of the Associations water tank - tank has multiple leaks and is a major concern for failure all together. |
| Trout Valley Property Owners Assoc | Grant | Water | 75,758 | 75,758 | Construction of a new potable water well. Current system only pumps 4 gallons per minute for more than 25 households. Basically out of water. Fully funds request. |
| Tularosa, Village of | Otero | Water | 350,863 | 350,863 | To fully fund design (\$159,000) and partially fund construction (\$191,863) for multiple needs for Village water system to increase supply and repair failed pumps, etc... |
| Virden, Village of | Hidalgo | Water | 114,526 | 114,526 | Fully funds the design phase for the extension of the water system to residences without adequate water supply due to aged system. |
| Western Regional Housing Auth. | Grant | Housing Infrastructure | 578,000 | 578,000 | For the final phase of the infrastructure construction leading to this housing project. Fully funds request for infrastructure only. |
| Williamsburg, Village of | Sierra | Waste Water | 90,000 | 90,000 | For design of phase I whereby the village will replace old failing clay piping in a designated area of the village. Will ready the project for construction and application to USDA for construction funding. Fully funds design request. |
| 2012 Outstanding Balance | | | 13,207,965 | 13,207,965 | |
