

**2012 Colonias Infrastructure Allocations (5% Statutorily Earmarked STB) - September 2013**

Entity	County	Category	Grant Amount	Balance	Project Description
Anthony, City of	Dona Ana	Road & Flood Drainage	100,000	100,000	Fully funds plan/design phase.
Arenas Valley Water System	Grant	Water	434,000	434,000	For design/construct to increase capacity and eventually tie into the Silver City Regional Water Project. Fully funds design/construct.
Brazito MDWCA	Dona Ana	Water	581,504	581,504	For phase I construction to replace main water lines where water remains stagnate increasing risk of water contamination. Also received USDA funds to help complete project.
Camino Real Regional Utility Auth.	Dona Ana	Waste Water	532,626	406,129	For design of the North Waste Water Pond (Under EPA Order). BECC is co-funding project and will fully fund the construction for a total of \$8.2M once design is completed.
Capitan, Village of	Lincoln	Water	639,325	639,325	For design/construct to complete phase of project. Village will replace failed and ruptured 70 yr old cast iron piping that contains asbestos. Fully funds request.
Carrizozo, Town of	Lincoln	Water & Road	865,968	865,968	To fully fund the design/construct phases to complete road projects on multiple streets. (Other funding from NMDOT Road Fund.)
Catron County	Catron	Road	779,096	779,096	To fund phase 3 construction of project to eliminate uncontrolled drainage issues, sedimentation, and ponding - a very unsafe road hazard. (Other funding from NMDOT Road Fund)
Cloudcroft, Village of	Otero	Water	617,185	601,115	To design and replace the existing water tank that feeds the entire village. Fully funds and completes project.
Deming, City of	Luna	Waste Water	547,894	542,339	For design/construct to complete phase of project - city is replacing failed clay piping causing failures and backup of sewage in certain areas of the city. Fully funds request.
Desert Aire MDS/SWA	Dona Ana	Waste Water	242,000	189,025	
Desert Aire MDS/SWA	Dona Ana	Water	114,367	84,797	For design phase of the water system that supplies the residents of the Chaparral Colonia. Fully funds request.
Dona Ana City Flood Commission	Dona Ana	Flood	500,000	500,000	To mitigate flood dangers to the Berino residents - award completes phase 2 and final phase of construction to complete project - fully funds request.
Dona Ana City Flood Commission	Dona Ana	Flood	50,000	50,000	Funding recommended for the Planning (PER) of a flood control plan for the Salem Colonia
Dona Ana City Flood Commission	Dona Ana	Flood	50,000	50,000	Funding recommended for the Planning (PER) of a flood control plan for the Rincon Colonia
Dona Ana City Flood Commission	Dona Ana	Flood	50,000	50,000	Funding recommended for the Planning (PER) of a flood control plan for the Chamberino Colonia
Dona Ana County	Dona Ana	Road & Flood Drainage	37,782	37,782	For design phase of roads/drainage construction on Finely street within boundaries of the Chaparral Colonia. Fully funds request.
Dona Ana County	Dona Ana	Road & Flood Drainage	228,531	228,531	For final construction phase to complete project on Derry, Harlan, and Baker streets within the Rincon Colonia. Fully funds request.
Dona Ana County	Dona Ana	Road & Flood Drainage	34,173	34,173	For the design phase of roads/drainage construction on Desert Aire Drive within the boundaries of the Chaparral Colonia. Fully funds request.
Dona Ana County	Dona Ana	Road & Flood Drainage	287,000	287,000	To fully fund design (\$80K) and partially fund construction (\$207K) as part of a larger infrastructure water, waste water, and roads/drainage project for the Berino Colonia funded thru multiple state/federal agencies.
Dona Ana MDWCA	Dona Ana	Water	357,064	0	Construct for final phase of line extension and additional capacity for an eventual regional project that includes 4 Colonias. Co-funded for full request by DFA Colonias program.
Hanover MDWCA	Grant	Water	50,000	37,500	Planning (PER) part of a larger regional project. Request was for \$70K - CIF Board awarded \$50K.

**2012 Colonias Infrastructure Allocations (5% Statutorily Earmarked STB) - September 2013**

Entity	County	Category	Grant Amount	Balance	Project Description
Hidalgo County	Hidalgo	Waste Water	560,095	560,095	Final construction (regional project) - award completes phase 2 and final phase of construction to complete project - fully funds request.
Hope, Village of	Eddy	Water	268,000	260,877	To fully fund design/construct phases to complete the project. Village water system continuously fails forcing the village to shut-off the system - pumps do not allow for adequate water delivery and capacity.
Hurley, Town of	Grant	Waste Water	74,489	74,489	Planning for a waste water project - town will replace clay piping and manholes that continuously fail and back-up into private residences creating a health hazard and liability.
Lake Arthur, Town of	Chaves	Water	481,878	481,878	For design/construct to complete phase of project. System is under NMED/EPA Order and project will bring town into compliance. Fully funds request.
Loving, Village of	Eddy	Water	660,685	660,685	For design/construct to complete phase of project - Village under NMED/EPA order for their discharge. Fully funds request.
Lower Rio Grande Reg. Water Auth.	Dona Ana	Waste Water	1,670,257	889,303	Removes septic systems /wetlands facility and ties into county WW System -fully funds design/construct request.
Luna County	Luna	Roads	173,000	173,000	Fully funds design (\$73,000) and partially funds construction (\$100,000) for Keeler Farm Road which is repairing drainage and chip seal.
Morningside Water Users Coop.	Eddy	Water	406,000	406,000	For the design/construct of phase 2 and final phase for the water system improvements.
Reserve, Village of	Catron	Waste Water & Flood	113,400	113,400	For plan and design phase of critical project. Under NMED/EPA Order treatment plant must be repaired to meet required standards and provide adequate services. Fully funds plan/design request.
Ruidoso Downs, City of	Lincoln	Water	159,400	159,400	For design phase - fully funds design request.
San Pablo MDWCA	Dona Ana	Water	35,000	35,000	For Planning (PER) - CIF Board felt \$35K was sufficient for the PER to study the current water system and possibly becoming self-sufficient instead of relying on another water system.
Santa Clara, Village of	Grant	Water	70,000	70,000	For the design phase (\$30,000) and installation of Hydrants (\$40,000).
Silver City, Town of	Grant	Water	128,099	128,099	Planning (PER) for large regional water project. This is part of a multiple towns and villages regional water project.
Timberon Water & Sanitation	Otero	Water	100,000	9,533	For plan and design phases for replacement of the Associations water tank - tank has multiple leaks and is a major concern for failure all together.
Trout Valley Property Owners Assoc	Grant	Water	75,758	75,758	Construction of a new potable water well. Current system only pumps 4 gallons per minute for more than 25 households. Basically out of water. Fully funds request.
Tularosa, Village of	Otero	Water	350,863	350,863	To fully fund design (\$159,000) and partially fund construction (\$191,863) for multiple needs for Village water system to increase supply and repair failed pumps, etc...
Virден, Village of	Hidalgo	Water	114,526	114,526	Fully funds the design phase for the extension of the water system to residences without adequate water supply due to aged system.
Western Regional Housing Auth.	Grant	Housing Infrastructure	578,000	578,000	For the final phase of the infrastructure construction leading to this housing project. Fully funds request for infrastructure only.
Williamsburg, Village of	Sierra	Waste Water	90,000	90,000	For design of phase I whereby the village will replace old failing clay piping in a designated area of the village. Will ready the project for construction and application to USDA for construction funding. Fully funds design request.
