			Grant		
Entity	County	Category	Amount	Balance	Project Description
Anthony, City of	Dona Ana	Road & Flood Drainage	100,000	1,890	Fully funds plan/design phase.
A		Water	40.4.000	70.040	For design/construct to increase capacity and eventually tie into the Silver City Regional Water Project. Fully funds
Arenas Valley Water System	Grant	Water	434,000	72,843	design/construct.  For phase I construction to replace main water lines where
Brazito MDWCA	Dona Ana	Water	581,504	364,414	water remains stagnate increasing risk of water contamination. Also received USDA funds to help complete
J.az.io m.b.i. o, i	2011474114		301,001	331,111	For design of the North Waste Water Pond (Under EPA
Camino Real Regional Utility Auth.	Dona Ana	Waste Water	532,626	0	Order). BECC is co-funding project and will fully fund the construction for a total of \$8.2M once design is completed.
					For design/construct to complete phase of project. Village will replace failed and ruptured 70 yr old cast iron piping that
Capitan, Village of	Lincoln	Water	639,325	584,773	contains asbestos. Fully funds request.
Carrizozo, Town of	Lincoln	Water & Road	865,968	1,631	To fully fund the design/construct phases to complete road projects on multiple streets. (Other funding from NMDOT Road Fund.)
Outros Outros	0-1	Bood	770.000	700.005	To fund phase 3 construction of project to eliminate uncontrolled drainage issues, sedimentation, and ponding - a very unsafe road hazard. (Other funding from NMDOT Road
Catron County	Catron	Road	779,096	768,295	To design and replace the existing water tank that feeds the
Cloudcroft, Village of	Otero	Water	617,185	467,793	entire village. Fully funds and completes project.
Deming, City of	Luna	Waste Water	547,894	0	For design/construct to complete phase of project - city is replacing failed clay piping causing failures and backup of sewage in certain areas of the city. Fully funds request.
Desert Aire MDS/SWA	Dona Ana	Waste Water	242,000	27,394	To fully fund the design phase of the waste water system which will remove residents from failing septic tanks and cesspools, ground water protection and waste water services to multiple neighborhoods.
Desert Aire MDS/SWA	Dona Ana	Water	114,367	13,622	For design phase of the water system that supplies the residents of the Chaparral Colonia. Fully funds request.
Dona Ana County - Chaparral	Dona Ana	Road & Flood Drainage	34,173	0	For the design phase of roads/drainage construction on Desert Aire Drive within the boundaries of the Chaparral Colonia. Fully funds request.
Dona Ana County - Chaparral	Dona Ana	Road & Flood Drainage	37,782	37 782	For design phase of roads/drainage construction on Finely street within boundaries of the Chaparral Colonia. Fully funds request.
Dona Ana County Flood - Berino	Dona Ana	Flood	500,000		To mitigate flood dangers to the Berino residents - award completes phase 2 and final phase of construction to complete project - fully funds request.
Dona Ana County Rincon	Dona Ana	Road & Flood Drainage	228,531	226,499	For final construction phase to complete project on Derry, Harlan, and Baker streets within the Rincon Colonia. Fully funds request.
Dona Ana Flood - Chamberino	Dona Ana	Flood	50,000	50,000	Funding recommended for the Planning (PER) of a flood control plan for the Chamberino Colonia
Dona Ana Flood - Rincon	Dona Ana	Flood	50,000	17,522	·
Dona Ana Flood - Salem	Dona Ana	Flood	50,000	50,000	Funding recommended for the Planning (PER) of a flood control plan for the Salem Colonia
Dona Ana MDWCA - San Ysidro	Dona Ana	Water	357,064	0	Construct for final phase of line extension and additional capacity for an eventual regional project that includes 4 Colonias. Co-funded for full request by DFA Colonias program.
Hanover MDWCA	Grant	Water	50,000	14.817	Planning (PER) part of a larger regional project. Request was for \$70K - CIF Board awarded \$50K.
			·	·	Final construction (regional project) - award completes phase 2 and final phase of construction to complete project - fully
Hidalgo County	Hidalgo	Waste Water	560,095		funds request.  To fully fund design/construct phases to complete the project. Village water system continuously fails forcing the village to shut-off the system - pumps do not allow for
Hope, Village of	Eddy	Water	268,000	2,225	adequate water delivery and capacity.

## 2012 Colonias Infrastructure Allocations (5% Statutorily Earmarked STB) - June 2015

Lake Roberts WUA  Grant  Water  100,000  of fully fund the Design/construct  Construct final phase to complete waste water system  Upgrades and additional capacity.
