ABLE Loan Bank – Provide short term loans of Assistive Technology for individuals with disabilities who would like to try out a device prior to purchase.

NM SeedLoans Program – A loan program for persons with disabilities who are looking for equipment loans to help them with a home-based business or self-employment. The program provides loan guarantees and interest rate subsidies to help people with disabilities work independently. The program is also known as Teleworks.

Access Loan New Mexico – A low interest loan program that allows a New Mexico resident with a disability to purchase assistive technology or make home modifications so that he or she can live more independently or productively

Back In Use – A computer donation program and durable medical equipment donation program that places “gently used” systems and devices in the homes and offices of New Mexicans with disabilities.

NMTAP also provides device demonstrations, information and assistance, transition assistance and assistive technology training.
