

The New Mexico National Guard Department of Military Affairs

Beyond the Standard!

Our Constitutional Charter

Article XVIII Militia

The militia of this state shall consist of all able-bodied male citizens between the ages of eighteen and forty-five, except such as exempt by laws of the United States or of this state. The organized militia shall be call the ‘national guard of New Mexico,’ of which the governor shall be the commander in chief.

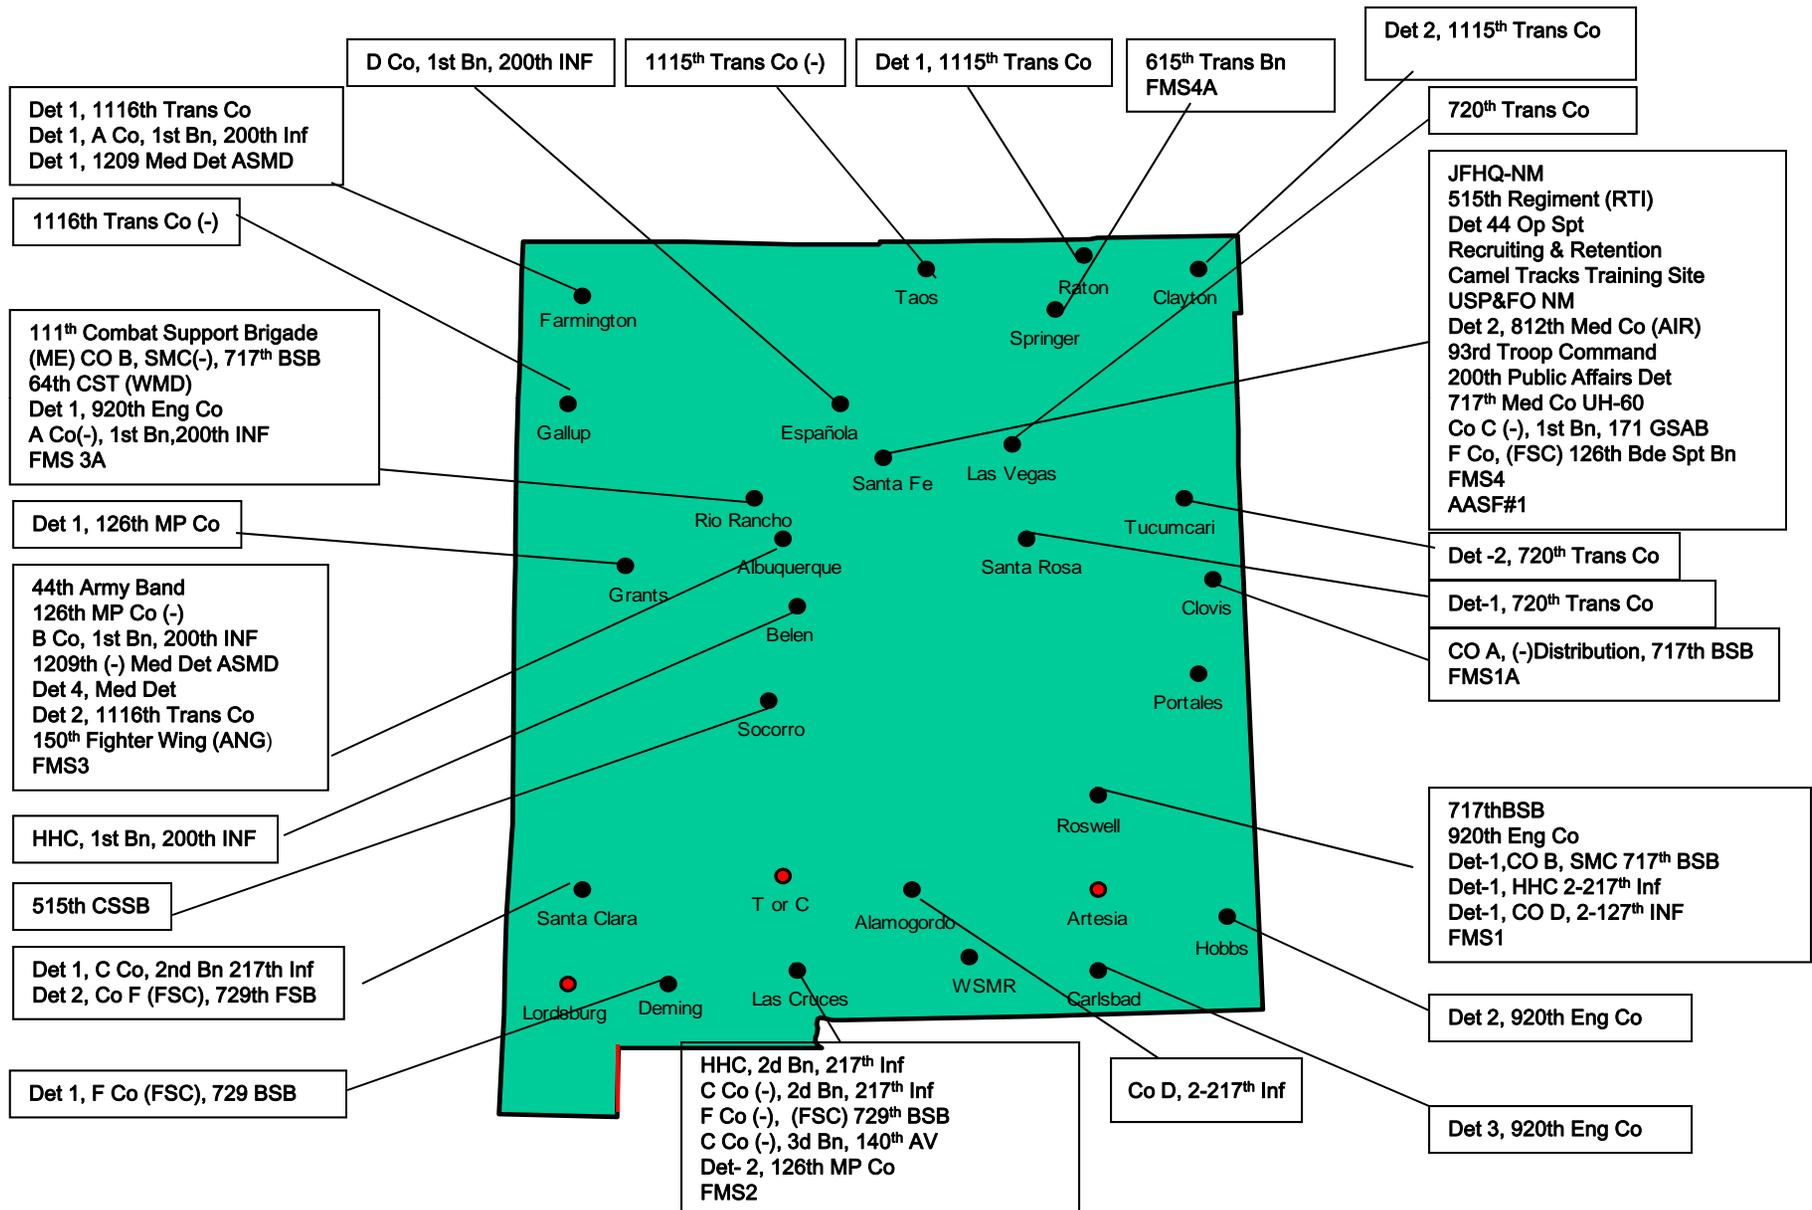

Mission Statement

Defend our Nation/Support our State

- **MISSION:** The New Mexico National Guard has two missions; one State and one Federal:
- **State:** The New Mexico National Guard provides a fully capable and ready force able to provide Military Support to Civil Authorities, for Emergency Preparedness, Homeland Defense, Homeland Security, Humanitarian Assistance, and Disaster Relief missions for the Federal and State Governments where and when required to protect and safeguard our citizens. In addition, be prepared to maintain order, preserve the peace, protect life and property, and ensure public safety in accordance with the orders and directives of the Governor of New Mexico and The Adjutant General.
- **Federal:** Provide command and control of all New Mexico National Guard units assigned to the State providing trained, equipped, and ready forces capable of mobilizing and deploying in support of their Federal mission and when required, deploy to any theater of operations and conduct missions in support of the National Command Authority.

New Mexico's Community-Based Defense Force

- Located in Northern and Southern AOR

NM Air National Guard Total Force Integration

SUMMARY

The NMANG is committed to supporting the initial agreement with the United States Air Force and National Guard Bureau. The desired end state has always been a Classic Association evolving into an Active Association with the follow on opportunity for future operational missions.

Furthermore, to fully support the TFI as agreed, NGB must realistically identify mission requirements and provide adequate funding.

Youth ChalleNGe

1587 graduates!

32 will graduate in June 18, 2011

... Intervene in and reclaim the lives of at-risk youth

... Produce graduates with the values, skills, education and self-discipline necessary to succeed as adults
