

1. **Budget Parameters** – Does the LCS have an established budget range for this engagement, or should Offerors propose hourly rates and total estimates independently?

HOURLY RATE

2. **Event Responsibilities** – For media and community events, should vendors assume responsibility for logistics (venue, AV, catering) or focus solely on communications, scheduling, and coverage?

FULL RESPONSIBILITY

3. **Multimedia Deliverables** – The scope references capturing and editing footage across multiple platforms. Does the LCS expect vendors to provide full production capabilities (broadcast-quality video, graphics packages), or will basic editing and distribution suffice?

FULL PRODUCTION

4. **Confidentiality Protocols** – Given the sensitive nature of Committee work, are there specific security clearances or confidentiality agreements vendors must comply with beyond standard NDAs?

NDA ONLY

5. **Evaluation Priorities** – The evaluation criteria weight ability/capacity at 45%. Are there particular capabilities (e.g., crisis communications, legislative experience, national press relationships) that will be emphasized during scoring?

GENERAL EXPERIENCE

6. **Contract Term & Renewal** – The RFP notes compensation will be negotiated post-selection. Does the LCS anticipate a fixed-term contract for the Committee's duration, or could this engagement extend to broader legislative communications beyond the Committee?

DURATION LIMITED TO TERM OF COMMITTEE
