LFC Files State Department of Education (SDE)

SUMMARY

Synopsis of Bill

HB 35 would allow all school districts to apply for the four-day school week calendar. Currently only those districts with less than 1000 membership (MEM) can apply. The bill also clarifies that the department is the department of education and changes "classroom" to "school" instructor.

ADMINISTRATIVE IMPLICATIONS

If enacted, this bill would add to school district superintendent duties. It would also increase programmatic responsibilities for SDE staff for approval of four-day school week calendars.
