SUMMARY

Synopsis of Bill

Senate Bill 365 appropriates \$100.0 from the general fund to the Labor Department to fund a job training program for the physically and mentally challenged at Eastern New Mexico University at Roswell.

Significant Issues

The department indicates that the bill would allow those with physical or mental challenges in the Southeast region of the state to participate in job training in their local area. The program would train individuals toward independence and sustainability, allowing them to participate in the workforce.

FISCAL IMPLICATIONS

The appropriation of \$100.0 contained in this bill is a recurring expense to the general fund. Any unexpended or unencumbered balance remaining at the end of fiscal year 2003 shall revert to the general fund.
