lease, one or more projects, which shall be located within this state and shall be located within the county outside the boundaries of any incorporated municipality; provided, ~~[the]~~ however, that:

(1) a class A county with a population of more than three hundred thousand may acquire projects located anywhere in the county; and

(2) a county shall not acquire any electricity generation facility project unless the acquisition is approved by the local school board of the school district in which a project is located and the board of county commissioners, the local school board and the person proposing the project negotiate and determine the amount of an annual in-lieu tax payment to be made to the school district by the person proposing the project, for the period that the county owns and leases the project, and provided such approval shall not be unreasonably withheld;

B. to sell or lease or otherwise dispose of any or all of its projects upon such terms and conditions as the commission may deem advisable and as shall not conflict with the provisions of the County Industrial Revenue Bond Act; and

C. to issue revenue bonds for the purpose of defraying the cost of acquiring, by construction and purchase or either, any project and to secure the payment of such bonds, all as provided in the County Industrial Revenue Bond Act. No county shall have the power to operate any project as a business or in any manner except as lessor thereof. "".

4. Renumber the succeeding section accordingly.
