INTRODUCED BY

Daniel R. Foley

AN ACT

RELATING TO SPACE ALIENS; DESIGNATING EVERY SECOND THURSDAY IN
FEBRUARY AS "EXTRATERRESTRIAL CULTURE DAY".

Section 1. EXTRATERRESTRIAL CULTURE DAY. -- The second
Thursday of February each year shall be designated
"Extraterrestrial Culture Day" in recognition of the many
visitations, sightings, unexplained mysteries, attributed
technological advances, experimentations, expeditions,
explorations, intrigues, provision of story lines for Hollywood
epics and other accomplishments of alien beings from throughout
the universe that have contributed to New Mexico's worldwide
recognition as a unique and dynamic mosaic of cultural
anomalies. The day should be observed to celebrate and honor
all past, present and future extraterrestrial visitors in ways
to enhance relationships among all the citizens of the cosmos,
