#### SUMMARY

##### Synopsis of Bill

Senate Bill 599 allows a person who is a New Mexico resident to be issued an identification card even if they also have a New Mexico driver's license.

##### Significant Issues

If an individual is willing to pay for the issuance of an identification card, even if he has a driver's license, he should be permitted to have the identification card.

### ADMINISTRATIVE IMPLICATIONS

There will be some minor change in forms. However, staff will not have to check whether an individual applying for an identification card already has a driver's license.
