AN ACT

RELATING TO EXPENDITURES OF PUBLIC MONEY; PROVIDING FOR CAPITAL EXPENDITURES; AUTHORIZING THE ISSUANCE OF SEVERANCE TAX BONDS AND SUPPLEMENTAL SEVERANCE TAX BONDS; REAUTHORIZING BALANCES; CHANGING THE PURPOSE OF SEVERANCE TAX BOND APPROPRIATIONS; CLARIFYING CONDITIONS FOR THE ISSUANCE OF BONDS; ESTABLISHING CONDITIONS FOR THE EXPENDITURE OF SEVERANCE TAX BOND PROCEEDS; ESTABLISHING CONDITIONS FOR THE REVERSION OF UNEXPENDED BALANCES; PROVIDING FOR OTHER EXPENDITURES; MAKING APPROPRIATIONS; DECLARING AN EMERGENCY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. SEVERANCE TAX BONDS--AUTHORIZATIONS--
APPROPRIATION OF PROCEEDS.--

A. The state board of finance may issue and sell severance tax bonds in compliance with the Severance Tax Bonding Act in an amount not to exceed the total of the amounts authorized for purposes specified in this act. The state board of finance shall schedule the issuance and sale of the bonds in the most expeditious and economical manner possible upon a finding by the board that the project has been developed sufficiently to justify the issuance and that the project can proceed to contract within a reasonable time. The state board of finance shall further take the appropriate steps necessary to comply with the Internal Revenue Code of

1 1986, as amended. Proceeds from the sale of the bonds are
2 appropriated for the purposes specified in this act.

3 B. The agencies named in this act shall certify to
4 the state board of finance when the money from the proceeds of
5 the severance tax bonds authorized in this section is needed
6 for the purposes specified in the applicable section of this
7 act. If an agency has not certified the need for the issuance
8 of the bonds for a particular project, including projects that
9 have been reauthorized, by the end of fiscal year 2006, the
10 authorization for that project is void.

11 C. Before an agency may certify for the issuance
12 of severance tax bonds, the project must be developed
13 sufficiently so that the agency reasonably expects to:

14 (1) incur within six months after the
15 applicable bonds have been issued a substantial binding
16 obligation to a third party to expend at least five percent of
17 the bond proceeds for the project; and

18 (2) spend at least eighty-five percent of
19 the bond proceeds within three years after the applicable
20 bonds have been issued.

21 D. Except as otherwise provided in this section or
22 another section of this act, the unexpended balance from the
23 proceeds of severance tax bonds issued for a project,
24 including projects that have been reauthorized, shall revert
25 to the severance tax bonding fund as follows:

1 (1) for projects for which severance tax
2 bonds were issued to match federal grants, six months after
3 completion of the project;

4 (2) for projects for which severance tax
5 bonds were issued to purchase vehicles, heavy equipment,
6 educational technology or other equipment or furniture that is
7 not related to a more inclusive construction or renovation
8 project, at the end of the fiscal year following the fiscal
9 year in which the severance tax bonds were issued for the
10 purchase;

11 (3) for projects for which severance tax
12 bonds were issued to purchase emergency vehicles or other
13 vehicles that require special equipment, at the end of the
14 fiscal year two years following the fiscal year in which the
15 severance tax bonds were issued for the purchase; and

16 (4) for all other projects for which
17 severance tax bonds were issued, within six months of
18 completion of the project, but no later than the end of fiscal
19 year 2009.

20 E. Except for appropriations to the capital
21 program fund, money from severance tax bond proceeds provided
22 pursuant to this act shall not be used to pay indirect project
23 costs.

24 F. For the purpose of this section, "unexpended
25 balance" means the remainder of an appropriation after

1 reserving for unpaid costs and expenses covered by binding
2 written obligations to third parties.

3 Section 2. GENERAL FUND AND OTHER FUND APPROPRIATIONS--
4 LIMITATIONS--REVERSIONS.--

5 A. Except as otherwise provided in this section or
6 another section of this act, the unexpended balance of an
7 appropriation made in this act from the general fund or other
8 state fund, including changes to prior appropriations, shall
9 revert to the originating fund as follows:

10 (1) for projects for which appropriations
11 were made to match federal grants, six months after completion
12 of the project;

13 (2) for projects for which appropriations
14 were made to purchase vehicles, heavy equipment, educational
15 technology or equipment or furniture that is not related to a
16 more inclusive construction or renovation project, at the end
17 of the fiscal year following the fiscal year in which the
18 appropriation was made for the purchase;

19 (3) for projects for which appropriations
20 were made to purchase emergency vehicles or other vehicles
21 that require special equipment, at the end of the fiscal year
22 two years following the fiscal year in which the severance tax
23 bonds were issued for the purchase; and

24 (4) for all other projects for which
25 appropriations were made, within six months of completion of

1 the project, but no later than the end of fiscal year 2009.

2 B. Except for appropriations to the capital
3 program fund, money from appropriations made in this act shall
4 not be used to pay indirect project costs.

5 C. For the purpose of this section, "unexpended
6 balance" means the remainder of an appropriation after
7 reserving for unpaid costs and expenses covered by binding
8 written obligations to third parties.

19 Section 38. GENERAL FUND OPERATING RESERVE--COMMISSION
20 ON HIGHER EDUCATION.--

21 A. Ten million dollars (\$10,000,000) is
22 appropriated from the general fund operating reserve fund to
23 the commission on higher education to plan, design, construct
24 and equip career technical-vocational education centers. The
25 career technical-vocational education centers shall contain a

1 state-of-the art career technical-vocational education program
2 to serve as a model to prepare eligible charter and other high
3 school juniors and seniors for successful high school
4 completion as well as transition into either college career
5 programs or entry into technical careers. The career
6 technical-vocational education centers shall be developed in
7 conjunction with the existing two-year educational
8 institutions and in collaboration with surrounding school
9 districts, using the existing infrastructure of the two-year
10 educational institutions and augmenting that infrastructure
11 with additional career technical-vocational facilities to
12 provide actual technical-vocational programs and training for
13 charter and other high school students and to afford rural and
14 isolated communities the non-traditional career technical-
15 vocational education opportunities that exist in urban areas.

16 B. The commission, with input from the public
17 education department, the appropriate local school districts,
18 the governing boards of the state's two-year institutions, the
19 economic development department, business and industry leaders
20 and other interested parties, shall develop a statewide plan
21 for future career technical-vocational facilities that:

22 (1) identifies and prioritizes the areas of
23 the state that will be best served by career technical-
24 vocational education centers for high school and charter high
25 school students;

1 (2) identifies key professions and skills
2 needed by business and industry in various areas of the state;

3 (3) provides for appropriate facilities that
4 will prepare eligible charter and other high school juniors
5 and seniors for successful high school completion as well as a
6 transition into college career programs or productive
7 employment in technical careers;

8 (4) guarantees diverse career opportunities
9 and ensures individual success in an ever-changing global
10 society;

11 (5) ensures that the career technical-
12 vocational education programs will complement, rather than
13 compete with, other public education; and

14 (6) identifies future operating costs needed
15 to implement the plan and recommended sources of funding.
