

Fiscal impact reports (FIRs) are prepared by the Legislative Finance Committee (LFC) for standing finance committees of the NM Legislature. The LFC does not assume responsibility for the accuracy of these reports if they are used for other purposes.

Current FIRs (in HTML & Adobe PDF formats) are available on the NM Legislative Website (legis.state.nm.us). Adobe PDF versions include all attachments, whereas HTML versions may not. Previously issued FIRs and attachments may also be obtained from the LFC in Suite 101 of the State Capitol Building North.

SUMMARY

Synopsis of Bill

Senate Bill 14 appropriates \$1.2 million from the general fund for the purpose of paying the outstanding debt of the Fort Sumner Irrigation District to the Federal Bureau of Reclamation.

Significant Issues

According to the Office of the State Engineer, “an act of Congress would be still be required to transfer title of the Fort Sumner Irrigation District irrigation facilities from Reclamation to the District in order to end the Federal nexus. The unstated performance implication of this bill is that the federal nexus that currently exists because the Bureau of Reclamation holds title to project facilities will be removed or reduced by payment of the outstanding debt. Because the act of Congress is required to transfer the title and because such Congressional transfers have historically occurred slowly, the federal nexus threat will likely exist sometime into the future.”

FISCAL IMPLICATIONS

The appropriation of \$1.2 million contained in this bill is a non-recurring expense to the general fund. Any unexpended or unencumbered balance remaining at the end of FY05 shall revert to the general fund.

ADMINISTRATIVE IMPLICATIONS

According to the Office of the State Engineer, “this effort would require technical and legal staff support from the Interstate Stream Commission. Given the workload of Pecos River basin staff, a term staff support position would be needed to effectively and efficiently implement the transactions called for in the bill.”
