### SUMMARY

#### Synopsis of Bill

Senate Joint memorial 20 requests the Legislative Council to continue the Land Grant Committee.

#### Significant Issues

Issues concerning land grants have been largely ignored or handled in a piecemeal fashion since statehood.

There are many complex issues still to be resolved concerning land grants and the issues encompass a large portion of the people and land in the state.

The people of New Mexico depend on the legislature to resolve the issues concerning land grants in a fair and just manner after all parties concerned have an opportunity to be heard.

### FISCAL IMPLICATIONS

The LG spent \$15.2 to hold six meetings of the Land Grant Committee in the last calendar year. They estimate that the cost will be the same in the coming year to continue the Land Grant Committee.

**ADMINISTRATIVE IMPLICATIONS**

The LC has sufficient administrative resources to handle the staffing for the continuation of the Land Grant Committee.

**DUPLICATION**

SJM 20 duplicates HJM 14.
