### SUMMARY

#### Synopsis of Bill

House Bill 135 appropriates \$125.0 from the general fund to EDD for expenditure in FY05 and subsequent fiscal years for collaboration with the university of New Mexico school of planning and architecture for activities and administration of the New Mexico Mainstreet program.

#### Significant Issues

EDD indicates the appropriation is necessary to provide technical assistance to sixteen mainstreet communities in the state, assisting communities with designing of their downtown. EDD indicates design of a downtown is the most fundamental step in revitalizing a community, defining a market niche for a community's commercial district, growing existing retail businesses and growing new businesses.
