SUMMARY

Synopsis of Bill

House Bill 809 appropriates \$155.6 from the general fund to the Fourth Judicial District Attorney for the purpose of increasing staff and to open a district attorney office in Pecos and creating a new special programs director position at the DA's office in Las Vegas.

Significant Issues

This bill would appropriate \$55.7 for salary and benefits for an assistant trial attorney in Pecos, \$35.7 for a secretary in Pecos, and \$65.2 for a special programs director in Las Vegas. According to AODA, staffing an office in Pecos will offset the current caseload in the Las Vegas office and the Fourth DA would be able to better serve the citizens of the district.

PERFORMANCE IMPLICATIONS

An additional attorney in the Fourth Judicial District Attorney's Office would decrease the average attorney caseload.

FISCAL IMPLICATIONS

The appropriation of \$155.6 contained in this bill is a recurring expense to the general fund. Any unexpended or unencumbered balance remaining at the end of fiscal year 2006 shall revert to the general fund.

Continuing Appropriations

The LFC FY06 appropriation recommendation is balanced between revenues and expenditures and any increase in recurring funding must be offset by reductions in other areas of the recommendation. The Legislature must consider all priorities and funding requirements to find revenue to support this legislation.

RELATIONSHIP

House Bill 563 provides for additional staff in the Ninth Judicial District Attorney's Office.

TECHNICAL ISSUES

The counties are required by statute to provide office space for the district attorneys. This bill does not address the issue of office space nor additional supplies and equipment for the proposed new employees.

WHAT WILL BE THE CONSEQUENCES OF NOT ENACTING THIS BILL?

The Fourth Judicial District Attorney's Office will continue to be staffed at the current level, without an office in Pecos.

POSSIBLE QUESTIONS

How many cases per year does the DA prosecute that involve working in Pecos?
