

Fiscal impact reports (FIRs) are prepared by the Legislative Finance Committee (LFC) for standing finance committees of the NM Legislature. The LFC does not assume responsibility for the accuracy of these reports if they are used for other purposes.

Current FIRs (in HTML & Adobe PDF formats) are available on the NM Legislative Website (legis.state.nm.us). Adobe PDF versions include all attachments, whereas HTML versions may not. Previously issued FIRs and attachments may be obtained from the LFC in Suite 101 of the State Capitol Building North.

SUMMARY

Synopsis of Amendment

The House Judiciary Committee amendment removes the reference to “legislature” and replaces it with “legislative” on page 2, line 24. This clarifies in the proposed legislation that a copy of the memorial is to be transmitted to the New Mexico Legislative Council.

Synopsis of Original Bill

House Joint Memorial 42 has the New Mexico Legislative Council direct an appropriate interim legislative committee to study the details of the San Juan DWI treatment program and how that program might be replicated in other areas of the state. Also, the study is to pay specific attention to the effect and value of treatment during the incarceration period and post-incarceration monitoring.

OTHER SUBSTANTIVE ISSUES

NMCD states the joint memorial does not clarify which state agencies would be responsible for handling the post-release monitoring component of the study if it was implemented statewide.

House Joint Memorial 42/aHJC-- Page 2

NMCD reports they do not generally take any offenders into custody for periods of less than one year; however, if the Department would be required to implement and maintain any portion of post-release monitoring, it could result in a substantive fiscal and administrative impact on the Department.
