### SUMMARY

#### Synopsis of Bill

House Resolution 4 proposes the adoption of a new rule, House rule 7-18, to read:

Members of the House of Representatives shall dress in business attire befitting the decorum of the House and in all cases the wearing of bolo ties shall be permitted. All persons permitted access to the floor of the House shall be held to the same standard.

#### Significant Issues

Existing House rules require that business attire include the wearing of the traditional tie. If adopted, this rule will allow the wearing of both the bolo and the "traditional" ties by anyone accessing the House floor while the House is in session.
