### SUMMARY

Senate Joint Memorial 8 is set forth to thank and recognize the legislative building staff's response to the emergency that occurred on December 8, 2005. On that day water pipes froze and burst on the capital's rooftop. The building staff quickly and professionally identified and stopped the water flow. Additionally, the building staff worked efficiently as a team to complete the cleanup and restore the capital to its prior condition for the legislative session.

To the building staff, it is with great gratitude and appreciation that SJM 8 is submitted.
