SENATE MEMORIAL 42

47TH LEGISLATURE - STATE OF NEW MEXICO - SECOND SESSION, 2006

INTRODUCED BY

Linda M. Lopez

A MEMORIAL

REQUESTING THE LEGISLATIVE HEALTH AND HUMAN SERVICES COMMITTEE
TO STUDY THE MEDICAL, RETIREMENT AND OTHER BENEFITS PROVIDED TO
THE EARLY CARE AND EDUCATION WORKFORCE.

WHEREAS, professionally trained early childhood teachers
and program directors are essential to ensuring that quality
programs are available for infants, toddlers and preschoolers;
and

WHEREAS, the turnover rate of teachers is very high,
between twenty-two percent and thirty-three percent a year,
according to the 2004 New Mexico early care and education
workforce study; and

WHEREAS, long-term, stable relationships are essential in
the lives of the youngest children, and the departure of
teachers causes disruptions in early childhood programs and in

1 the fabric of trust and connection developed over time between
2 young children and their teachers; and

3 WHEREAS, high-quality early childhood programs are
4 necessary to ensure that children are ready for school when
5 they enter kindergarten; and

6 WHEREAS, when early child care and education teachers gain
7 more education and acquire advanced degrees, they often leave
8 early childhood programs to work in public schools, where
9 salaries, benefits and working conditions are substantially
10 better; and

11 WHEREAS, the New Mexico early care and education workforce
12 study indicates that one-third of early childhood teachers have
13 no health insurance; and

14 WHEREAS, many early childhood teachers are not eligible
15 for the state coverage insurance program because their incomes
16 are more than two hundred percent of the federal poverty level;
17 and

18 WHEREAS, the New Mexico early care and education workforce
19 study participants listed higher pay and better benefits as the
20 top factors that would make teachers and program directors more
21 likely to remain in their jobs;

22 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE
23 OF NEW MEXICO that the legislative health and human services
24 committee be requested to study the value and impact of
25 providing medical, retirement and other benefits to early care
