Fiscal impact reports (FIRs) are prepared by the Legislative Finance Committee (LFC) for standing finance committees of the NM Legislature. The LFC does not assume responsibility for the accuracy of these reports if they are used for other purposes.

Current FIRs (in HTML & Adobe PDF formats) are available on the NM Legislative Website (legis.state.nm.us). Adobe PDF versions include all attachments, whereas HTML versions may not. Previously issued FIRs and attachments may be obtained from the LFC in Suite 101 of the State Capitol Building North.

SUMMARY

Synopsis of Bill

Senate Bill 700 appropriates \$616,000 to the Regents of NMSU for expenditure in FY 2008 to pay the Materials Research and Testing Center to develop a database on the location of convicted drug dealers and methamphetamine laboratories.

FISCAL IMPLICATIONS

The appropriation of \$616,000 contained in this bill is a recurring expense to the General Fund. Any unexpended or unencumbered balance remaining at the end of FY 2008 shall revert to the General Fund.

SIGNIFICANT ISSUES

House Bill 768 appropriates \$616,000 to NM Tech's Materials Research and Testing Center for the database. Senate Bill 700 appropriates the same amount to the "Materials Research and Testing Center" at NMSU.

Senate Bill 700 – Page 2

There is an Energetic Materials Research and Testing Center at NM Tech. A search of the NMSU web site for Materials Research and Testing Center directs the viewer to NM Tech.

Representatives of NM Tech are not familiar with the concept and believe HB 768 is a mistake and the appropriation should go to NMSU, as SB 700 directs. New Mexico State University does not list this activity in any of the legislative priorities.

NEITHER BILL SHOULD BE CONSIDERED UNTIL THE CONFLICT IS RESOLVED.
